

CONTINUING EDUCATION GUIDELINES
EAST OHIO CONFERENCE

These guidelines were developed by the Committee on Continuing Education of the Board of Ordained Ministry

CONTINUING EDUCATION UNITS

The Board of Ordained Ministry requires that three CEUs shall be reported each year to satisfy 2012 Book of Discipline, paragraphs 334.2d and 351.1-6. (Ten contact hours equal one CEU.)

The Committee on Continuing Education has adopted the Continuing Education Unit (CEU) to measure a continuing education experience. The CEU is broadly accepted by industry, education and the church. Contact hours are generally given for:

1. A supervised, leader-led activity with these qualifications:
 - a. The activity (lectures, discussions, seminary class, laboratory class, project etc.) must be under qualified leadership (one may receive credit as a leader or participant).
 - b. Post-session follow-up application within one's own ministry context is required. This may take the form of a sermon or other ministry activity, testing, evaluating or summarizing within a group or ministry context.

EVENTS APPROVED FOR EOC CONTINUING EDUCATION UNITS

1. EOC Annual Clergy Retreat (2.0 CEUs)
2. Ohio Pastors' Convocation (1.5 CEUs)
3. College of Wooster Fall or Spring Academy of Religion (1 CEU)

7. Conference sponsored education travel events (2 CEUs)

APPROVAL FOR CONTINUING EDUCATION UNITS

1. Sponsoring Organizations:

Prior to the event, the sponsor for a continuing education event should submit a request for approval to award Board of Ordained Ministry CEUs. The request should be submitted using the form Request to Award Board of Ordained Ministry Continuing Education Units. Upon approval CEU cards may then be distributed at the close of the event as proof of participation.

2. Post-Approval:

For the purpose of documenting CEUs, if the sponsor for a continuing education event has not been approved for CEU's, the participant may submit a Request for Post-Approval Continuing Education Credit with supporting materials.

3. Submission of Requests:

The above requests should be submitted to:

4. CEU verification

CEU verification should be retained by the minister-learner and included in the annual continuing education report to the Charge Conference.

MAKING CONTINUING EDUCATION AVAILABLE

Insured availability of continuing education opportunities for those in the ministry is an important consideration. Such availability is made possible in several ways:

1. Local churches are encouraged to provide funds and time.
(East Ohio Conference recommends at least two (2) weeks annually).
2. Major and Minor grants are available from the Board of Ordained Ministry for financial assistance for continuing education events and for academic programs culminating in a degree or certification.
3. It is expected that individuals will personally invest in their own continuing education.
