What is TARRP?

Town and Rural Resource Programming is a consortium of clergy from East and West Ohio Conferences dedicated to providing educational opportunities and ministry enhancement programs to town and country congregations across the state of Ohio. TARRP's mission is to create workshops, academies, and trainings that develop stronger leadership in town, country, and rural places, to create more effective proclamation, nurture, outreach, care, and equipping for the transformation of the world in Jesus's name. TARRP trainings are offered to you at a greatly reduced cost, offset by your apportionment dollars through East and West Ohio Conferences.

Speakers:

Rev. Dr. Brenda K. Buckwell, Obl. OSB is a spiritual director, life coach, educator, and author who opens interior space for the power and presence of Christ to shape individual & community life to the fullest potential. In addition to her ministries of *Living Streams Flowing Water*, Brenda is a national retreat leader and co-founder of *Hearts on Fire: the Fellowship of UM Spiritual Directors and Retreat Leaders*. Her book *The Advent of God's Word* invites readers into a daily retreat experience offering inspiring reflections and creative ways to let God's word sink deeply into one's heart and soul. Dr. Buckwell is adjunct instructor at Ashland Seminary in the area of spiritual formation and prayer. She teaches for the Gen. Bd. of Higher Ed and Ministry for the UMC Cyber Campus, Garrett-Evangelical Theological Seminary, and an Oblate in the Benedictine Methodist Monastery of St. Brigid of Kildare. She is an Elder in the West Ohio Conference

Rev. Dr. Jan Yandell has been in ministry for 27 years serving churches on the corner of a cornfield, small town, college town, inner city, transitional community, and a county seat. She has served as the Head of Rural Cooperative Parish, the District Associate for Missions & Program Ministry in Cleveland, the Founding Director of the Nehemiah Mission of Cleveland, and the Order of Elder Chair for East Ohio. In each place she has found the church to be a moving, breathing entity where God is visibly present and audibly praised. Her presentations are both entertaining and educational.

Rev. Stephen Rath, a gifted musician serving London 1st UMC, will lead our worship.
