

**Get Their Name: Grow your Church
by Building New Relationships Workshop
February 11 from 9:30AM to 3 PM
Rural Chapel
5860 Cheshire Rd
Galena, OH 43021**

- Do you desire to grow your church and reach new people?
- Are you looking to form new relationships with the un-churched in your community?

If so, mark your calendar now to attend the workshop, "Get Their Name: Grow Your Church by Building New Relationships." This workshop will be conducted by one of the co-authors, Kay Kotan, a church consultant and credentialed coach.

In this workshop, you will first learn how to grow into sharing your faith story in safe, authentic ways. Next you will explore how to become a twenty-first century missionary in your mission field. Finally, you will learn how to prepare your church to receive guests every weekend.

- Pastors and leaders will walk away with practical steps and processes to put into place immediately. Pastors, bring your outreach/evangelism teams, hospitality and leadership teams. It is sure to be a "work" shop that is well worth your investment in time and energy. Come prepared to learn, grow, shift and take action in reaching new people for Christ!
- **The cost for this event is \$10 for a person of at least three people.** Each participant will need to read the book "Get Their Name" and also have a copy of the "Get Their Name" workbook for the workshop. These can be purchased through Cokesbury.
- Lunch and snacks are provided!
