

# EAST OHIO CONFERENCE UMCOR PROGRAM

Connecting Neighbors  
Chardon United Methodist Church  
515 North Street  
Chardon, OH 44024  
9am to 4pm EST on February 4, 2017

Connecting Neighbors encourages churches to explore their capacity for various disaster response ministries and to consider ways to engage community partners. The course provides information and material to help local churches, their members, and members of the community to prepare for local disasters. It is offered on behalf of the United Methodist Church in conjunction with its "Disaster Ready Congregations" curriculum and its Disaster Ministry programs.

Chardon UMC is preparing to serve as a local disaster shelter for Chardon, Geauga County, and with the Red Cross Disaster Shelter Program. Red Cross approval has already been obtained. The course is a starting point for training personnel to help with the shelter in the event of a disaster.

Chardon UMC invites members of the local community to attend this training and to also be a part of the Red Cross Disaster Shelter Program. Any from other communities who might benefit from this training and/or who anticipate setting up similar programs, are also invited and encouraged to attend.

*Lunch will be provided. There will be no charge for the program.*
