MICAH 6:8 LOVE YOUR NEIGHBOR TOUR

Montgomery, AL

September 24-27, 2024

The Holy Spirit is in the business of transformation. Jesus commissioned us to make disciples for the transformation of the world as pastors and laity of the United Methodist Church. Transformation starts within ourselves. You are invited to this opportunity, allowing the Holy Spirit to work within you, as Ohio United Methodists takes a bold step towards truly loving our neighbors.

Description

The Micah 6:8 Love Your Neighbor Tour is designed to promote the humanity and embrace the dignity and divinity of all God’s children. We will journey to Montgomery, Alabama, and immerse ourselves in the sights, sounds, and stories of racial injustices at the three sites of the Legacy Museum. The Legacy Museum is a history lesson, from the first European ships that landed on US soil through the Civil Rights Movement and beyond. This tour exposes participants to narratives about race and racial injustices that are often under-represented in our efforts to do justice as Christ-followers. It will expand participants’ limited exposure to anyone who is from a culture different from their own – promoting empathy, understanding, and humility.

This tour educates on the racial history of the United States, provides an opportunity to see and reflect on how dominant world views have been formed over time, and to see the world through the eyes of our indigenous and black brothers and sisters in Christ. We will mercifully remove some of the lenses that “white” culture has always “adjusted” so as to not see the injustices endured by different racial identities.
