

# SNEAK PEEK

*Ministry Mondays* are opportunities for learning about specific All In Community ministry pathways both connectionally and within local congregations that radiate out into the community at-large.

Join Reba Collins as she gives us a **SNEAK PEEK** of what will be available at this year's **Building Bridges Community Experience: Bridging Pathways to Hope**.

The purpose of the **Community Experience** is to convene Ohio's reentry community to provide high quality reentry education, emerging Ohio reintegration efforts, reintegration best practices, network opportunities, environments for sharing ideas, and advocacy opportunities for systemic reform.
