

East Ohio Conference Safe Sanctuaries® Annual Policy Review Form

The East Ohio Conference strives to provide "Safe Sanctuary" for all God's children. We are seeking ways to improve and better implement "Safe Sanctuary" procedures to protect our children, youth and adults in order to make our congregations a safe place where everyone may experience the abiding love of God and fellowship within the community of faith. This includes children's check in/out procedures, training and background checks for those working with children and youth, and procedures that guide the interaction of children, youth and adults.
