Once again, this year, blocks of rooms at nearly one dozen hotels in and around Akron have been designated for Annual Conference members. Visit the Annual Conference 2023 website, www.eocumc.com/eoac23, and click on the Accommodations tab to find a list of hotels and instructions for how to make your reservations.

New this year, Camp Wanake is offering accommodations, including meals, during Annual Conference for families with children five-years old to 17-years old. The children will have a day camp experience at Camp Wanake while their parent(s) tend to the business of Annual Conference. When the parent(s) return there will be a family dinner at the Camp. Visit the Annual Conference 2023 website, www.eocumc.com/eoac23, and click on the Accommodations tab to learn more.

We will again gather prayer requests throughout Annual Conference. Prayer requests can be emailed to eocprayerconcerns@gmail.com or made in person at the help desk. Please only submit names and not circumstances for prayer so that we can ensure each person's privacy.

The Program Committee is also responsible for designating the ministries that will receive portions of the Annual Conference offering (Fund 9214). This year the offering will be disbursed 1/3 each to: EOC Volunteers in Mission Fund 9643 supporting mission teams organized by a United Methodist Volunteers in Mission-trained team leader, Heart 4 the City in Akron building the front porch to the kingdom of God by prioritizing relationships and establishing programs addressing needs in the city, and Bishop's Discretionary Fund used by Bishop Tracy S. Malone to support ministry needs that impact countless lives each year.

Your generous donation to the 2023 Annual Conference offering – to be received Thursday, June 8 – can make a difference for others in the coming year and beyond.

Throughout Annual Conference, Program Committee members and volunteers from across the East Ohio Conference will be onsite welcoming you to the John S. Knight Center, providing hospitality, and assisting you with any questions you may have. We ask that you please take a moment at the end of Annual Conference to complete the brief evaluation found at the back of this Pre-Conference Workbook and also online. Your responses will be reviewed and shared with the team that will plan Annual Conference 2024.

In closing, I would like to thank everyone who served on the Program Committee this year. I really appreciate their talent, energy, and willingness to serve. Thank you again to Reverend Ed Fashbaugh, Executive Director of Connectional Ministries, for his guidance and to Bishop Tracy S. Malone for entrusting me to chair this Committee. Most importantly, thank you to the East Ohio Conference for allowing this Committee to serve you.

Agenda, Rules, and Administrative Process (ARAP) Committee Report to Annual Conference 2023

Submitted by Rev. Cindy Patterson, ARAP chair

Agenda

The agenda of the Annual Conference has been prepared by the Conference secretary, approved by the ARAP Committee and will be presented to the Annual Conference on Thursday, June 8. The agenda will be adapted as needed throughout the Annual Conference session.

Administrative Process

ARAP met twice following the 2022 Annual Conference. The group considered the referral of Rule 4.C concerning the Daily Proceeding Committee and following discussion and consultation with the Conference chancellor determined that the rule change presented at Annual Conference is appropriate and will be presented to Annual Conference again this year.

ARAP formed a task group to work on our Conference Rules concerning Resolutions. Those changes will be recommended when it has completed its work.

A rule change was submitted to ARAP from a member of the Annual Conference concerning the election of General and Jurisdictional Delegates. After extensive review it was decided that the rule change was not necessary because it was redundant to what is already outlined in *The Book of Discipline of The United Methodist Church*.

Stewards of Conference policies have been determined and all Conference policies are being reviewed/updated and several will be presented to the Annual Conference for approval this year.

Proposed Rule Change (East Ohio Conference Standing Rules)

~~¶4.D Daily Proceedings Review Committee. The Leadership Committee Conference secretary shall nominate select a committee of four people to be elected by the Annual Conference. This committee shall read and correct the record of daily proceedings kept by the Conference secretary, and shall report to the Annual Conference near the close of the annual session. The committee's report will constitute the approved record. The committee shall serve for the quadrennium.~~

Leadership Committee Report to Annual Conference 2023

Submitted by Rev. Ivy Smith, Leadership Committee chair

The Leadership Committee is responsible for nominating persons who are elected by Annual Conference to serve on councils, boards, commissions, committees, and agencies. The committee is also responsible for reviewing and recommending structure changes of all councils, boards, commissions, and committees of the East Ohio Conference (See Conference Rules 5 & 6).

The Leadership Committee is composed of lay and clergy representatives from each district of the East Ohio Conference. We also receive representation from the Board of Laity, the Commission on the Status and Role of Women (COSROW), Youth, and the Commission on Religion and Race (CORR). We are appreciative of the support and guidance from our Conference directors and chairpersons, as our Leadership Committee meets throughout the year to recommend committee candidates and recommend structural support to committees.

The Leadership Committee has prayerfully focused deliberations to fulfill the mission and vision of the Conference. To that end, the Committee has been very intentional in gathering the names of persons who:

- are members of The United Methodist Church who support the mission and vision of the East Ohio Conference,
- have aptitude, skills, and capacity to serve in the complex environment and broad perspective needed for Conference leadership, and
- represent perspectives and experiences of new people, young people, and more diverse people.

All nominations in this report are made with consideration for inclusiveness as stated in ¶610.5 of The Book of Discipline of The United Methodist Church: "In the nomination and election of the membership on councils, boards, and agencies of the annual conference, special attention shall be given to the inclusion of clergywomen, youth (¶ 256.3), young adults, older adults, persons from churches with small memberships, people with disabilities, and racial and ethnic persons, in keeping with policies for general Church agencies. It is further recommended that the membership of such agencies, except for the Board of Ordained Ministry, include one-third clergy, one-third laywomen, and one-third laymen, who are professing members of local churches."

Should you have spelling corrections, editorial corrections, changes in district, or ex-officio positions, resignations, or other items that do not require a vote of the Annual Conference, please email them to Melanie Thomas at mthomas@eocumc.com by July 1 or the report will be printed as is in The Journal.

If you have nomination suggestions for new members, are not able to actively participate in meetings, or request to be removed from leadership, please email the chair, director, or staff support for the council, board, commission, or committee. This will provide the chair with names of persons who may or may not be nominated but can also support tasks, activities, events, or processes planned in the coming year.

Please note that Conference rules authorize the Leadership Committee to fill vacancies between sessions of Annual Conference. Places which are to be named (TBN) may already have possibilities identified but these persons have not yet confirmed acceptance of the nomination. If changes occur between March 15 and Annual Conference, they will be included in the Leadership Addendum voted on by Annual Conference members. Remaining vacancies will be addressed at future meetings of the Leadership Committee.

I especially give thanks to Bishop Tracy S. Malone for the oversight and guidance over our task of nominations throughout the year. I also give a big thanks to the faithful Committee members and Rev. Ed Fashbaugh, executive director of Connectional Ministries, for seeking, recruiting, and recommending clergy and laity to represent our Conference in all areas of ministry. I also want to thank Melanie Thomas for her outstanding control of this document and the entire leadership process.

On behalf of the Leadership Committee, I move the following:

BOARD OF BENEFITS

Submitted by Robin Whitacre, Benefits manager

I. Pensions

A. Ministers Reserve Pension Fund (MRPF) Pre-82-Supplement One to the Clergy Retirement Security Program

The Ministers Reserve Pension Fund as outlined in The Book of Discipline and administered under the authority of the Westpath Benefits & Investments and the Board of Pensions of the East Ohio Annual Conference, in conformity with the Plan of Union, was the pension program and plan of the East Ohio Conference through December 31, 1981. A copy of the “Pension and Benefit RULES AND REGULATIONS for Annual Conferences of The United Methodist Church” may be secured from Westpath Benefits & Investments, 1901 Chestnut Ave., Glenview, Illinois, 60201.

1. The following paragraph is presented as an amendment to the action taken by the 1981 Annual Conference (page 237, Volume 2, 1981 Journal) pertaining to the Ministerial Pension Plan and Comprehensive Protection Plan:

The pension rate for retired clergy or local pastors of the annual conference for service prior to January 1, 1982 shall be \$995 for 2024 annuity year. The Past Service Pension Rate (PSPR) for 2024 is \$995 which is a 2% increase from the PSR from 2023 (\$975).

2. Participation by Full-Time Local Pastors

A local pastor must be an ordained Deacon, must be under Episcopal appointment, must have rendered not less than four consecutive years of full-time service in the East Ohio Annual Conference, and shall have received a cash salary for such service which equals or exceeds the minimum salary set by the East Ohio Annual Conference (or predecessor conference) for the year in which the service was rendered, before annuity service years began under the M.R.P.F. The name of the local pastor must be listed annually under the Disciplinary Questions. In the MPP/ CPP Plan, local pastors receive a pension based on compensation, and CPP benefits if they receive at least the minimum salary of a full-time local pastor. Vesting in MPP is immediate.

Note: This provision applies to the historical practice of ordination as a "Local Elder" or "Local Deacon" which is no longer part of United Methodist policy or practice. The Local Deacon's and Local Elder's orders were credentials enabling supply and local pastors to perform ministry in the local churches to which they were appointed, comparable to licensing as a local pastor today. This provision has no relationship to ordination as Deacon under the 1992 Book of Discipline (or previous), commensurate with Probationary Membership in the Annual Conference, nor does it pertain to ordination as a Deacon in Full Connection under the 1996 and 2000 Books of Discipline. It applies only to local pastor and supply years prior to 1982. (Dale Jones, Client Manager, Wespeth Benefits & Investments, February 11, 2003.)

B. Ministerial Pension Plan (MPP)-Supplement Three to the Clergy Retirement Security Program

Effective January 1, 1982, the pension program was changed to the Ministerial Pension Plan (MPP) and Comprehensive Protection Plan (CPP), which was authorized by the 1980 General Conference. This plan was administered under the authority of Wespeth Benefits & Investments and the Board of Pensions of the East Ohio Conference through December 31, 2006. A detailed copy of the program may be secured from Wespeth Benefits & Investments or the Conference Benefits Office.

C. Clergy Retirement Security Program (CRSP)

Effective January 1, 2014, the benefit formulas and eligibility for the Clergy Retirement Security Program (CRSP) were changed by authorization of the 2012 General Conference.

The objective of the retirement plan changes is stewardship – balancing between adequacy for participant and affordability and sustainability for the Church.

The Defined Benefit (DB) formula was reduced from 1.25% to 1% of the Denominational Average Compensation (DAC) at retirement multiplied by years of service effective January 1, 2014. (The DB formula of 1.25% will remain effective for all covered service prior to January 1, 2014.)

The Defined Contribution (DC) changed, beginning January 1, 2014; the church will contribute 3% of compensation, if the participant contributes at least 1% of compensation to their United Methodist Personal Investment Plan (UMPIP). If the participant does not contribute 1% to UMPIP, 2% of compensation will be deposited to their CRSP DC account.

UMPIP contributions are direct-billed from Wespeth Benefits & Investments to the local church. UMPIP contributions are 'personal' contributions of the participant, to be reduced from a participant's (pastor's) compensation. UMPIP contributions are NOT church liabilities; it is the function of the church to timely remit their pastor's contributions to Wespeth.

The Clergy Retirement Security Program is administered under the authority of Wespeth Benefits & Investments and the Board of Benefits of the East Ohio Conference. A summary of the plan may be secured from Wespeth Benefits & Investments' website: www.wespeth.org.

1. Effective January 1, 2014, full-time and three-quarter (3/4) time clergy are eligible for CRSP.

The Conference is required to report to Wespeth all appointments in ¼ time increments for the purpose of eligibility in denominational benefit plans.

The time increments are based on the Conference Average Compensation (CAC). The schedule of time increments is used solely for the purpose of pension/service credit within the CRSP Defined Benefit Plan.

For 2022 the CAC is \$61,298; therefore for 2022, part-time local pastors with plan compensation less than \$30,649 are not eligible for CRSP.

For 2023 the CAC is \$62,750; therefore for 2023, part-time local pastors with plan compensation less than \$31,375 are not eligible for CRSP.

For 2024 the CAC is \$64,048, therefore for 2024, part-time local pastors with plan compensation less than \$32,524 are not eligible for CRSP.

Churches with clergy appointed at half-time (1/2) or less may elect to sponsor the United Methodist Personal Investment Plan (UMPIP).

UMPIP is a 403b pension plan offered by Wespath Benefits & Investments in which the employer and the employee may make contributions. UMPIP administrative documents can be requested through the Conference Benefits Office by phone at (330) 499-3972 ext. 151 or by email: robin@eocumc.com.

2. Eligible clergy may not waive participation in the Clergy Retirement Security Program (CRSP)
3. Deacons

Effective January 1, 2007, the annual conference became the plan sponsor for Deacons appointed to a local church, charge, Conference or entity for which the Conference has pension responsibility. (Reference: CRSP Plan Document Article A2.26 through B3.1i)

4. Annual Conference Funding of CRSP

The Clergy Retirement Security Plan (CRSP) began January 1, 2007.

Funding for CRSP's two benefit components (defined benefit and defined contribution) will be provided for each eligible clergy member serving local churches of the East Ohio Annual Conference, and those eligible clergy under special appointments whose salary is paid by the Conference and who are under Episcopal appointment.

The **2024** CRSP DB pension billing formula will be, at 11% of total compensation, limited to the DAC at \$78,292.

The **2024** CRSP DC pension billing formula will be at 3% of total compensation.

The **2024** CPP (death & disability) billing will be at 3% of total compensation, limited to two times the DAC at **\$156,584**. Reference III.

5. Special Appointments (Extension Ministries) Conference Responsible

Since January 1, 1982, Conference-responsible appointments have been those in which the EOC Area Center is their salary-paying unit. Currently, those appointments include the district superintendents, the director of Connectional Ministries and the associate directors of the Connectional Ministries team. These appointments are listed in the 2008 EOC Journal, Extension Ministries #1300 Within the Connection Structure of United Methodism (§1344.1a.c.). As of January 1, 2007, the assistant to the Bishop and Clergy Camp director(s) are considered Conference-responsible appointments.

Salary-paying units cannot sponsor CRSP for their clergy; only annual conferences can sponsor CRSP.

6. Special Appointments (Extension Ministries) Non-Conference Responsible

Those serving under special appointments that are not paid by the annual conference are not eligible for CRSP. Their respective employing agency may sponsor the United Methodist Personal Investment Plan (UMPIP) through Wespath Benefits & Investments in Glenview, Illinois.

7. United Methodist Personal Investment Plan (UMPIP)

a) UMPIP Personal Contributions

An active participant in the United Methodist Personal Investment Plan (UMPIP) may make personal contributions through withholding either pre-tax or after-tax from their monthly salary. These withholdings must be submitted to Wespath Benefits & Investments from the salary-paying unit monthly on the appropriate forms. Members are given various options as to how personal contributions could be invested.

Since January 1, 1974, the General Board of Pension and Health Benefits now known as Wespath Benefits & Investments has made available a program of tax-deferred annuity contributions for members of the Pension Fund. There are two basic requirements: 1) a prior agreement must be made between the member and the local church (or Conference agency); and 2) all remittances under this program must be made by the church treasurer (or agency treasurer). The members shall be given various options as to how their contributions shall be invested. For a packet of information regarding UMPIP Program, contact the Wespath Benefits & Investments, 1901 Chestnut Ave., Glenview, IL 60025-1604, or the office of the Conference Benefits officer.

All interest credited on contributions made under a pre-tax basis, is subject to tax following retirement or withdrawal and not in the year that it is credited. It should not be included in a member's income for tax purposes currently.

b) Lay Employee Pension Plan

On May 7, 2004, General Conference, in an important move toward greater equity among all church workers, approved legislation regarding retirement benefits for lay employees of the local church and annual conference.

According to The Book of Discipline, ¶258.12, the committee on pastor-parish relations or staff parish relations "shall recommend that the church council provide, effective on and after January 1, 2006, a 100-percent vested pension benefit of at least three percent of compensation for lay employees of the local church who work at least 1040 hours per year, are at least 21 years of age, and have at least one year of permanent service."

For additional information on the lay pension benefit plan and all other Wespath administered plans, please visit its website or call its Participant Response Center at 1-800-851-2201. Robin Whitacre, Benefits Manager for the Conference, at (330) 499-3972 ext. 151, is also available to help the local church establish a lay pension plan.

8. Central Conference Pension Initiative

The Central Conference Pension Fund is an independent trust created to receive contributions for pension support of non-U.S. clergy. Wespath Benefits & Investments Glenview, Illinois projects that a \$25-50 million endowment is needed to help establish and maintain the fund. The East Ohio Conference encourages active and retired clergy, and laity to make voluntary contributions to the fund. The Treasurer's Office of the East Ohio Conference has established Fund #9705 for collection of Central Conference Pension Fund contributions

II. Health Care Program

THE MISSION OF THE EAST OHIO CONFERENCE HEALTH CARE PROGRAM IS TO PROVIDE REIMBURSEMENT FOR MAJOR ILLNESS OR INJURY EXPENSES AND TO PROMOTE WELLNESS BY PROVIDING PROGRAMS TO MAINTAIN THE HEALTH OF MEMBERS OF THE CONFERENCE AND ITS EMPLOYEES.

The East Ohio Conference Board of Benefits recognizes that it has a fundamental interest in the health and welfare of its members, which is partially given expression by its health care program. The health care program will be designed around the needs of the members, although it may not meet their entire benefit needs. It will be coordinated with, according to law, all benefits provided through governmentally mandated programs. These will be partially- or fully-funded by the East Ohio Conference, its agencies or local churches accordingly, for such programs as Social Security, Ohio Disability and Workers' Compensation, and such others as become mandated by law.

The goal of our health care program is to promote the general health and well-being of the member and member's family and to reimburse the member for the major costs incurred as a result of an illness or injury.

A. Health Care Benefits Enrollment for Members

Enrollment for new members in the health care program is not automatic and is the responsibility of the individual. Lay employees of local churches and of other approved agencies of the East Ohio Annual Conference may be enrolled upon approval of the Conference Board of Benefits. The employer in each case shall ultimately be responsible for payment of the premium monthly. Persons transferring into the Conference or beginning employment with the Conference shall have the responsibility for enrollment. Enrollment may be completed by contacting the Conference Benefits Office. Effective January 1, 2002, participation in the Conference-sponsored Health Benefit Plan became mandatory. (Reference II.B.2.c.)

Healthcare is provided by the Conference on a year-to-year basis.

As of January 1, 2018, the Conference partnered with the Center of Health through Wespath Benefits & Investments to provide health benefits under HealthFlex, which offers a wellness-driven group health plan for The United Methodist Church (UMC) annual conferences and employer groups.

B. Health Care Funding

1. As of January 1, 2018, health care coverage will be with HealthFlex, which is a fully-insured medical benefit plan with Blue Cross Blue Shield.

2. The following health care premiums are based on current data and may be changed as needed:

a) The 2023 monthly premiums for active lay employees are:

Participant only - \$870 (\$10,440).
Participant plus one - \$1,653 (\$19,836 year).
Participant plus family - \$2,262 (\$27,144 year).

The 2024 monthly premiums for active lay employees are:

Participant only - \$969 (\$11,628 year).
Participant plus one - \$1,842 (\$22,104 year).
Participant plus family - \$2,520 (\$30,240 year).

b) The 2023 monthly premiums for retirees* are:

Participant only (less than age 65) - \$870 (\$10,440 year).
Participant only (age 65 & over) Medicare required - **\$300 (\$3,600 year).**

The 2024 monthly premiums for retirees* are:

Participant only (less than age 65) - \$969 (\$11,628 year).
Participant only (age 65 & over) Medicare required - \$300 (\$3,600 year).

*Eligible clergy retirees, their spouses, and surviving spouses, premium-share with the Conference based on the clergy retiree's years of pension funded by the East Ohio Conference, as stated in C.6 of this.

NOTE: Based on the Conference policy stated in C.6; most retirees premium-share at 30% of the above rates (30% is the minimum):

Less than age 65: \$291 per month (\$3,492 year)
Age 65 & over: \$90 per month (\$1,080 year).

c) The 2023 clergy flat rate premium is \$1,663 (\$19,956 year).

The 2024 clergy flat rate premium is \$1,807 (\$21,684 year).

The clergy flat rate shall be billed for each episcopal-appointed clergy (including Deacons where health coverage is not provided from another source) serving a local church full-time or three-quarter time* including the executive director of Connectional Ministries and the directors in the Connectional Ministries office, the Executive Assistant to the Bishop

and District Superintendents. Each pastoral charge shall be invoiced an amount for health care coverage where applicable. (*Not applicable to part-time local pastors at 75%)

NOTE: The mandatory health care provision outline above was implemented in 2002 and revisited in 2019 by the Board of Benefits. The key factors of implementing the provision continue to be relevant as the church/conference continues to evolve and since our number of plan participants have decreased over the years. Removing the mandatory provision will cause appointment challenges and potential financial hardship for churches and plan participants.

ALL premiums will be remitted to the Conference through direct billing issued by the Financial & Administrative Services Office.

3. Effective 1/1/2018, eligibility for the Conference-sponsored Health Benefit Plan through HealthFlex requires participants to be working a minimum of 30 hrs./week.
4. In those cases involving a multiple point charge, each church shall be billed for both health & pension as instructed by the District Office. Premiums for coverage shall be in the amount as determined by the Board of Benefits for flat rate, single, participant + 1 or family as appropriate.
5. The **apportionment for benefits (Fund III) for 2024 will be \$831,209**. Fund III primarily supports retiree health care for eligible retirees, their spouses and surviving spouse who began their service on or after January 1, 1982.
6. The amount paid by the local church under II. B. 2. a) & c) shall not be included in the total base figure used to calculate apportionments.
7. Enrolled employees of conference employing agencies shall be direct billed for the appropriate premium for the participant's coverage.
8. No Conference money shall be used to pay for health and/or life insurance coverage other than the Conference sponsored plan.
9. Participation in Workers' Compensation by Episcopal-appointed clergy is required.
10. The East Ohio Conference Health Insurance Policy offers a wide range of benefits that compare favorably to other health plans. The EOC Board of Benefits would like to note that our plan, like similar plans, expects Workers' Compensation to be in effect to cover workplace related accidents, including automobile accidents occurring during the course of business travel and their related cost of claims. The East Ohio Conference Health Insurance Policy DOES NOT provide benefits for injuries sustained during the course of a clergy's employment duties, because that coverage is provided by the Bureau of Workers' Compensation:

Therefore: To avoid the possibility that no benefit will be available, all clergy under appointment to a church within the bounds of the East Ohio Conference must be enrolled as a participant with the Bureau of Workers' Compensation. Premiums for this coverage must be paid by the church or churches to which the clergy is appointed.

C. Eligibility for Retiree Health Benefits – Clergy

In order for a pastor to be eligible to retiree health coverage through the East Ohio Conference such pastor:

1. Must be a member (full member or local pastor) of the East Ohio Conference.
2. Must retire under the provisions of Paragraph 358.2b or 358.2c. (2012 Book of Discipline) Members retiring under Paragraph 358.2a (with 20 years of services) are not eligible.
3. Effective on and after July 1, 2010, must have a minimum of 10 years of pension funded by the East Ohio Conference. Deacons must have a minimum of 10 years of service certified by the local church or an approved agency.

Effective on and after July 1, 2010, must have been covered by the Conference-sponsored health benefit plan for at least 5 years immediately prior to the effective date of retirement. The five years health care participation is not applicable to deacons.

Those individuals who are age 60 or older in 2009 and who would have been eligible for retiree healthcare coverage under the previous policy who are adversely affected by the five-year rule shall be grandfathered/grandmothered to the rules which previously existed. This policy exception extends only to 16 individuals.

5. Post 65: Retirees must participate in the Medicare Part A and Part B programs.
6. Eligible retirees, spouses and surviving spouses shall contribute an amount toward the premium based on the policy effective August 1, 2004; whereas, retirees who have 25 or more accumulative years of pension credit service funded by the East Ohio Conference will pay 30% of their health care premiums. For service less than 25 accumulative years, the retiree will pay 30% plus 2.8% for each year less than 25 years of service. (For example: a retiree with 15 years of service will pay 58% of the premium).
7. The retired clergy's surviving spouse will be provided health care coverage in the same manner as the retiree (see C.6 above) until such time as they remarry or die. Should this remarried spouse later become single, eligibility for health care insurance coverage shall be returned to this surviving spouse. A surviving spouse of an active clergy will be provided health care coverage until such time as they remarry or die.

Should this remarried spouse later become single, eligibility for health care insurance coverage shall be returned to this surviving spouse. Dependent children of active clergy will be provided health care coverage until such time as they no longer meet the requirements to remain "Eligible Dependents." Premium sharing shall be calculated in the same manner as stated in C.6, above.

8. Retirees may add a spouse and/or dependents to the Health Care Plan after retirement, provided that the cost, as determined annually by the East Ohio Conference Board of Benefits, is paid by the retiree.

D. Eligibility for Retiree Health Benefits – Lay Employees

 - b) Must have a minimum of 10 years of pension funded by the East Ohio Conference.
 - c) Must be properly enrolled and covered under the Conference Health Benefit Plan for at least five years immediately prior to the effective date of retirement.

 - b) Must have a minimum of 10 years of service certified by the agency, district and/or local church.
 - c) Must be properly enrolled and covered under the Conference Health Benefit Plan for at least five years immediately prior to the effective date of retirement.
 - d) Post 65: must participate in the Medicare Part A and Part B.
 - e) For funding see F.4. 4.

E. Temporarily Waiver of Retiree Health Benefits – Clergy and Lay

Effective on and after July 1, 2003, when a retiree, retiree spouse or surviving spouse, is actively employed with employer provided insurance, the participant may temporarily waive the conference-sponsored health benefit plan without premium sharing, and return to the Plan upon termination of such employer provided insurance. (Documentation will be required.) This includes clergy couples in which one spouse is retired and the other remains active.

F. Retiree Health Care Funding

1. Clergy with East Ohio Pre-82 Pension Credit

Retired clergy, spouses and surviving spouses who are covered by the Health Care Plan sponsored by the East Ohio Conference premium-share per Conference policy. The Conference supports the balance of their health care plan expenses by

funds from the Pension and Health Care Reserve Account as directed by Judicial Counsel Decision #976 and approved by Annual Conference 2004.

2. Clergy with East Ohio Pension Credit on and after 1/1/1982 with No Pre-82 Pension Credit

Retired clergy, spouses and surviving spouses who are covered by the Health Care Plan of the East Ohio Conference premium-share per conference policy. Fund III supports the balance of their health care plan expenses.

3. Lay Retirees (Area Center, Area Office, and Camps)

Lay retirees, spouses and surviving spouses who are covered by the Health Care Plan of the East Ohio Conference premium-share on the same basis as the clergy in the East Ohio Conference. Fund III supports the balance of their health care plan expenses.

4. Lay Retiree (Agencies, Districts and Local Churches)

Lay retirees, spouses and surviving spouses who are covered by the Health Care Plan of the East Ohio Conference are billed at full amount of the base premium. Any premium-sharing is the responsibility of the individual agency, district or local church.

Agencies, districts or local churches may require lay employees to contribute a portion of the premium cost based on the number of years worked and the age at retirement. The collection of this money is the responsibility of the individual agency, district or local church.

Lay retirees must comply with all the provisions of the Conference-sponsored health benefit plan document.

The Conference Benefits Officer shall be authorized to terminate coverage for any lay retiree whose premium is not paid.

G. Retiree Emergency Aid

1. Financial Aid & Hardship Grants

Effective January 1, 2002, the policy stated below is applicable to the retiree's secondary Health Care premium sharing. In addition, the original intent of the policy will be maintained.

Where emergency aid is necessary for a retired member of the Conference, a retired local pastor, a surviving spouse, or other Conference claimant, it will be administered by the Executive Committee of the Conference Board of Benefits. Application forms should be obtained from the Treasurer's Office and returned to the Treasurer/Benefits Officer of the East Ohio Conference.

2. Emergency Fund for retired clergy with Other Insurance

Upon appeal and application, a retiree, retiree spouse or surviving spouse may request grant money to help pay for other insurance premiums. The Executive Committee of the Conference Board of Benefits will administer the Emergency Fund. Application forms may be obtained from the Benefits Office and returned to the Benefits manager of the East Ohio Conference.

H. Delinquent Health Care Premium Payments

1. Any church/charge or agency having a balance due for health care billing from the previous year (December 31), for a pastor's premium, will be notified of such balance by the Benefits Office, with notification also sent to the pastor's district superintendent and chairperson of the Staff-Parish Committee. The Benefits Office and the district superintendent will work with the church/charge for payment of the delinquent amount.
2. Persons on Special Appointment who are enrolled in the health benefit plan and delinquent at year-end (December 31) will be notified of such delinquency by the Benefits Office. If a satisfactory payment schedule cannot be negotiated by April 1 of the year following the delinquency, the coverage will be terminated.

3. Laypersons who are enrolled in the health benefit plan and delinquent at year-end (December 31) will be notified of such delinquency with their employing church/charge or agency also notified. If a satisfactory payment schedule cannot be negotiated by April 1 of the year following the delinquency, the person's coverage will be terminated with the employing church/charge or agency responsible for the payment. If the church/charge or agency does not make the payment, no additional persons from that church/charge or agency will be enrolled until the balance is paid in full.

I. Pension and Health Care Arrearage Debt Resolution Policy

Effective 1/1/2005, a church/charge with past health care and pension arrearages and is current for three calendar years may apply for final resolution. A church/charge seeking resolution must submit a letter requesting arrearage debt resolution with details of their proposal for settlement to their district superintendent with a copy sent to the chair of the Board of Benefits. After full review by Cabinet and Board of Benefits, the Board of Benefits will vote on the negotiation of balance payment and any forgiveness of a determined arrearage.

The pension and health care arrearages of a closed church will be removed upon written recommendation by Cabinet and consultation of the Conference director of Financial & Administrative Services.

III. Disability and Death Benefits

A. Clergy - Comprehensive Protection Plan (CPP)

1. Long-term disability (LTD), survival and death benefits are provided through the Comprehensive Protection Plan (CPP) for clergy under full-time Episcopal appointment and receiving 'plan compensation' equal to or greater than 60% of the Denominational Average Compensation or the Conference Average Compensation. Clergy serving at three-quarter time participate under CPP Special Arrangements provision. (Part time local pastors are not eligible for CPP.)
2. The funding rate yearly for each eligible full-time clergy member (including deacons) serving local churches of the East Ohio Conference, or special appointments whose salary is paid by the Conference who are under Episcopal appointment is 3% of plan compensation (salary plus housing) with two times the DAC as the cap. The required funding rate for those under CPP Special Arrangements is 3% of the Denominational Average Compensation.
3. CPP LTD benefits may be approved by the Wespath Benefits & Investments for the members who are granted Medical Leave by action of the Annual Conference.
4. The Comprehensive Protection Plan is administered by the Wespath Benefits & Investments, providing monthly LTD benefits to active participants who qualify.
5. The income replacement payable by CPP is 70% of the plan compensation, with plan compensation capped at 200% of the DAC.
6. The CPP disability benefit (income replacement) is reduced by any disability benefit payable under Social Security. The revised benefit applies only to eligible clergy whose disability effective date, as determined by Wespath Benefits & Investments on or after 1/1/02. Clergy approved for CPP disability benefits continue to be credited pension contributions.
7. For the purpose of receiving CPP benefits, a clergyperson is considered disabled based on medical evidence that he/she is unable to engage in the usual and customary duties of a United Methodist clergyperson due to bodily injury, disease or mental or emotional disorder or disease which will last for at least six continuous months and excluding disability resulting from: 1) Service in the armed forces of any country, 2) Warfare, 3) Intentional self-inflicted injury, 4) Participation in any criminal or unlawful act. After receiving benefits for 24 months, in order to continue receiving CPP disability benefits, a clergyperson must demonstrate that he/she is unable to engage in substantially all of the usual and customary duties pertaining to any employment in an occupation for which the disabled clergyperson is reasonably qualified.
8. The disabled member is encouraged to make application to Social Security Administration to determine eligibility under the government's program. Social Security disability benefits may begin after a waiting period of five full calendar months.

9. Health care coverage upon Medical Leave is administered according to the Conference's Health Benefit Plan document, and current plan language takes precedence in all cases. If the member is enrolled in the Conference-sponsored Health Benefit Plan coverage prior to being granted Medical Leave, coverage will continue 180 days following the date the member was actively at work, at no cost to the member. The next 18 months the provision of the plan for Continuation of Coverage would be applicable, at no cost to the member. If the member is determined under Title II or XVI of the Social Security Act to have been disabled at the time of Medical Leave, coverage would continue as a secondary coverage to Medicare disability. If the member does not become Social Security disabled, the Conference-sponsored Health Benefit coverage terminates after the 18 months under the Continuation of Coverage Provision.

CPP death benefits are based on eligibility as an active clergyperson and as a retiree.

Educational Benefits are provided for the children of deceased members while enrolled in an accredited college through age 25.

B. Clergy – UMLifeOptions (clergy not eligible for CPP)

1. Local churches with Episcopal-appointed clergy not eligible for the Comprehensive Protection Plan (CPP) may adopt an UMLifeOptions plan to provide long-term disability (LTD) and life insurance coverage for their appointed pastor.
2. For more information regarding sponsoring UMLifeOptions, please visit Wespath Benefits & Investments' webpage at <http://www.wespath.org/center-for-health/plans/umlifeoptions/>

C. Lay Employees (Area Center, Area Office and Camps) UMLifeOptions

1. UMLifeOptions formerly known as the Basic Protection Plan (BPP) of The United Methodist Church covers lay employees for Long Term Disability (LTD) of the Area Center, Area Office and Camps. The income replacement payable by UMLifeOptions is equivalent to 60% of the employee's predisability compensation. The UMLifeOptions disability benefit (income replacement) is not reduced by any disability benefit payable under Social Security.
2. As of January 1, 2009, UMLifeOptions will make a maximum 3% of predisability compensation contribution to the approved disabled Employee's United Methodist Personal Investment Plan (UMPIP).

IV. Special Grants

The East Ohio Conference for **2022-2023** conference year shall pay special grants calculated by the Board of Benefits to such persons approved by the Board.

V. Rental/Housing Allowance Policy for Retired or Disabled Clergypersons of the East Ohio Conference Policies and Guidelines

The following is in effect for **2024**:

An amount equal to 100% of the pension, severance, or disability payments received from plans authorized under The Book of Discipline of The United Methodist Church (the "Discipline"), which includes all such payments from Wespath Benefits & Investments ("Wespath"), during the period **January 1, 2024 through December 31, 2024**, by each active, retired, terminated, or disabled clergyperson who is or was a member of the Conference, or its predecessors, be and hereby is designated as a rental/housing allowance for each such clergyperson; and

The pension, severance, or disability payments to which this rental/housing allowance designation applies will be any pension, severance, or disability payments from plans, annuities, or funds authorized under the Discipline, including such payments from Wespath and from a commercial annuity company that provides an annuity arising from benefits accrued under a Wespath plan, annuity, or fund authorized under the Discipline, that result from any service a clergyperson rendered to this Conference or that an active, a retired, a terminated, or a disabled clergyperson of this Conference rendered to any local church, annual conference of the Church, general agency of the Church, other institution of the Church, former denomination that is now a part of the Church, or any other employer that employed the clergyperson to perform services related to the ministry of the Church, or its predecessors, and that elected to make contributions to, or accrue a benefit under, such a plan, annuity, or fund for such an active, a retired, a terminated, or a disabled clergyperson's pension, severance, or disability plan benefit as part of his or her gross compensation.

NOTE: The rental/housing allowance that may be excluded from a clergy person's gross income in any year for federal (and, in most cases, state) income tax purposes is limited under Internal Revenue Code section 107(2), and regulations thereunder, to the least of: (a) the amount of the rental/housing allowance designated by the clergy person's employer or other appropriate body of the Church (such as this Conference in the foregoing resolutions) for such year; (b) the amount actually expended by the clergy person to rent or provide a home in such year; or (c) the fair rental value of the home, including furnishings and appurtenances (such as a garage), plus the cost of utilities in such year. Each clergy person or former clergy person is urged to consult with his or her own tax advisor to determine what deferred compensation is eligible to be claimed as a housing allowance exclusion.

VI. Service Records

- A. The official years for pension are those entered on the service records on file with Wespath Benefits & Investments and certified by the Conference Board of Pensions, not the service records in the Journal. Persons with questions about their service record should contact the Conference Benefits Office.
- B. Pension credit with another conference either for effective, associate, or local pastor years must be established by direct contact with that conference and by its official action.
- C. The East Ohio Conference does not have any responsibility for annuity years other than those served in the East Ohio Conference, or one of its predecessor conferences, except for service in the former Sandusky, Lexington, or Southeast Ohio Conference assigned by a joint Distribution Committee of Wespath Benefits & Investments.

IX. East Ohio Funds held with Wespath Benefits & Investments

Per action by the 1994 Annual Conference, the Board of Pensions (now known as the Board of Benefits) will include in their report to Annual Conference a report of all funds held, beginning balance, income for the previous year, expenses for same, and ending balances audited or un-audited.

The East Ohio Conference Board of Benefits maintains four accounts with Wespath Benefits & Investments in Glenview, Illinois. The first account is a deposit account for CRSP and CPP liabilities. Second is our holding account for the money raised in the Capital Funds Campaign and its accrued interest. The third deposit account holds a portion of our Health Care Reserve and the fourth account holds proceeds from a 1929 trust and earned interest. Following is a brief description of each account and its related balances and activity for the previous year 2017.

Deposit Account - 10018001

This is the East Ohio Conference deposit account with Wespath Benefits & Investments and is our 'primary' account. Money raised through Apportionments and Direct Pension Billing in East Ohio for HealthFlex, CRSP, (Clergy Retirement Security Program), CPP (Comprehensive Protection Plan), and Past Service obligations are forwarded from East Ohio to this Account. On a monthly basis, the GBOP charges and transfers money from this account to all the individual clergy accounts currently funded.

Deposit Account - Pension and Health Care Reserve Account (P&HCR)

This account was formerly known as the Capital Funds Campaign Account. By action of Annual Conference 2001, this account was re-designated as the Pension and Health Care Reserve Account, and approved to be maintained to provide a reserve for Conference pension and health care plan liabilities subject to disbursement only upon recommendation of the Conference Board of Pensions and approval of Annual Conference. This action was questioned at Annual Conference 2003. Judicial Council ruled on the question in October 2003; therefore, the guiding principle of this account was amended to read:

“The East Ohio Annual Conference is directed (Judicial Council decision #976) to fund the pre-1982 past service account meeting the donor intent of the 1988-92 capital funds campaign. The appropriate amount should be based on the current actuarial projections for the pre-1982 past service account. All remaining funds including accrued interest shall be held in the East Ohio Annual Conference Pension and Health Reserve Account for pension and health benefits for pre 1982 clergy, spouses, and dependents.”

In addition, the EOC BOP will adhere to the following guidelines concerning this fund:

On an annual basis, an amount not to exceed \$2.5 million may be withdrawn from this account for pre-82 benefits. All activity around these accounts will be printed in the annual *Pre-Conference Workbook*, as well as in the Journal.

Health Care Reserve

As the Conference recovered from its critical financial problems associated with its Health Care Program in 1990, we began to build a reserve. In 1992 this deposit account was established to hold that reserve. Prior to 2003, most of the reserve was maintained with the General Board (GBOP) and some health care funds were maintained locally as working capital. The General Board ceased paying interest on accounts as of February 28, 2003. For the balance of 2003, monies were transferred from this account to the deposit account to care for monthly MPP/PPP liabilities. The East Ohio United Methodist Credit Union, paying interest, then became the holder of most of the reserve. These reserves aid cash flow and protect our Health Plan against unplanned and catastrophic events not covered by existing stop loss insurance. Finally, it allows us to stabilize fluctuation in our premium charges.

David Charles Boyd Trust

This trust was drafted in 1929 with distribution to the "Trustees or other proper governing body of the Northeastern Ohio Conference of the Methodist Episcopal Church or its successors for the benefit of the Itinerant Minister's Conference Claimants' Endowment Fund".

The actual distribution of \$556,859.97 was made in June of 1996. The proceeds were deposited with the GBOP in Evanston. In 1998, \$11,774 from the Superannuants Fund was donated to this fund. In 2014, the final distribution of \$904,453.78 from the Boyd Estate was received. In 2016, \$6,216.25 was donated from the estate of Warren Sartwell and deposited to this fund.

This fund has been used to provide financial assistance to clergy retirees, spouses and surviving spouses with regard to their required health care premium-sharing amounts and to fund monthly conference health care expense for disabled clergy and their families who do not have pre82 pension claim.

XI. The Funding Plan

General Conference 2012 approved legislation requiring each conference to annually submit to Wespath Benefits & Investments a comprehensive funding benefit plan (CFBP) for addressing its benefits obligations. **The responding opinion for 2022 written by the Managing Actuary of Wespath Benefits & Investments, in Glenview, Illinois, is presented below:**

Opinion on East Ohio Conference 2023 Comprehensive Benefit Funding Plan

The funding plan meets the standards for a Pre-82 funding plan as established by Wespath Benefits and Investments and the favorable opinion requirements for a funding plan. COMMISSION ON EQUITABLE COMPENSATION

Submitted by Dr. Gloria Brown, chairperson

The overall purpose of the Commission on Equitable Compensation is to support the bishop and cabinet in fulfilling the mission of the Conference, which is to make and mature disciples of Jesus Christ for the transformation of the world. This commission provides salary support, where the bishop and cabinet deem necessary, establishes minimum salaries, and awards sustentation grants.

I. PASTORAL COMPENSATION FOR FULL TIME CLERGY

- A. Total ministerial compensation paid directly to or for the pastor by the charge shall include:
1. Cash Salary, which should be the maximum possible from the local church, but no less than the minimum standards listed in Section V of this report. In cases where equitable support is requested, churches must pay at least 50% of that listed in Section V of this report.
 2. Parsonage provided, or housing allowance when parsonage is not available.
 3. Parsonage/housing utilities, to be paid by the local charge, including but not limited to:
 - a. Electricity
 - b. Heating
 - c. Water and sewer
 - d. One basic telephone line which could be cell phone service
 - e. Regular trash collection
 - f. Basic cable service or equivalent service where available and desired by the pastor
 - g. Basic high-speed internet where readily available, if desired by the pastor
 4. Conference health insurance and pension.
 5. Travel for local charge business at the IRS mileage rate with substantiation of mileage required (see *Guidelines for Mileage*, Section VII).
 6. Other general operating expenses to consider as reimbursable, such as: continuing education and cellular phone service, including a data package.

II. ELIGIBILITY FOR ALLOWANCES: CHARGES

- A. No minimum salary should be paid to a charge that has not conducted a responsible stewardship campaign each year. Refer to the Conference website for information on stewardship and stewardship programs.
- B. Any change in clergy appointment to a charge on minimum salary support should be reported immediately to the office of the Conference Director of Financial and Administrative Services.
- C. No minimum salary support should be made to cover the failure of a local charge to meet the pastor's salary as approved by the Charge Conference.
- D. A local charge is expected to maintain its level of clergy support from previous years and must set a definite salary.
- E. A local charge is expected to provide a comfortable parsonage (or adequate housing allowance) meeting standards adopted by the Conference for parsonages and parsonage furnishings.
- F. Any charge receiving minimal salary support will be given a maximum of 5 years to assume full pastoral support. The charge must project a plan of incremental reductions effective with the second year of support. After 5 years, minimum salary support may be terminated if substantial progress in reducing dependence on salary support has not been made. Continuation of salary support beyond the 5-year limit shall require concurrent action by the Commission and the Cabinet.
- G. The Cabinet representation on the Commission on Equitable Compensation will give an annual report to the Commission regarding the progress each charge is making toward moving off equitable compensation funding.

III. ELIGIBILITY FOR ALLOWANCES: PASTORS

- A. A pastor who is engaged in business, a profession, or farming, or who is engaged in non-church activity for remuneration, or who is employed in secular business shall not be eligible for any salary supplementation, except in cases which may qualify for less than full-time appointment.

- B. A retired Conference member or retired local pastor who is serving as pastor shall not be eligible for any salary supplementation or any sustentation allowance.
- C. For the local church to be eligible for salary supplementation, a pastor shall live on the charge or in the parsonage provided by the charge. Under unusual circumstances, the Commission may make an exception.
- D. Minimum salary support is not a contractual right but a consideration of our relationship in Christian ministry.

IV. APPLICATION AND PROCEDURES FOR MINIMUM SALARY SUPPORT:

Supplementation is not automatic but must be applied for each year or when there is a pastoral change. The deadline for filing applications for the next calendar year is November 1 or immediately following Charge Conference. However, any time there is a change in pastoral appointment or status of the applicant, a new application must be completed. The local charge is responsible for filing the application.

- A. The local charge shall obtain the application forms from its district superintendent. The local Staff Parish Relations Committee shall complete the forms and send them in duplicate by the deadline to the office of the Conference Director of Financial and Administrative Services. The following information is required, in addition to the application:
 1. Two copies of the church budget for each church on the charge. A completed budget includes:
 - a. The previous year's approved budget, year-end expenditures, and audit report;
 - b. The current approved budget and year-to-date expenditures; and
 - c. The proposed budget for the year support is requested.
 2. A one-paragraph description of the program for stewardship education in each church including information such as how members were contacted, use of pledge cards, percentage of members who respond to the program, use of regular financial updates, and any other helpful information.
 3. One copy of the church's year-end report must be returned to the office of the Conference Director of Financial and Administrative Services by January 31.
 4. A report with plans for growing the ministry of the charge. Charges beyond the first year of receiving funds shall include in that report how they are progressing on their plans for growing ministry, including anything they have learned from what did not work in the past.
 5. Incomplete applications or applications submitted without required documentation will be returned without consideration by the Commission on Equitable Compensation, and payment may be delayed.
- B. When a pastoral change is made during the year:
 1. Charges requesting support for the first time shall also submit the items listed in IV., A. 1, to 4.
 2. Charges already receiving supplementation with pastoral changes need submit only a new application.

V. MINIMUM CASH SALARY SCHEDULES

Currently, East Ohio Conference has one of the lowest minimum salaries across the United States and is second to the bottom excluding two missionary Conferences (DAC & CAC Summary, 2023 and 2024 DAC and CACs by Conference name, Wespeth Benefits and Investments, June 9, 2022). The Minimum Cash Salaries are not commensurate with the cost of living. This claim is substantiated by data collected by the East Ohio Conference staff and members of the East Ohio Commission on Equitable Compensation.

Based on USDA (Food Pantry) WIC and SNAP income requirements,

- Full-time local pastors who have not completed their Course of Study are less than \$2000 away from being eligible for food stamps.
- All are eligible for head Start, free school lunches, and WIC, and all are eligible to receive food from food pantries funded by local food banks through the USDA. These food pantries are often housed in the churches in which clergy are serving.

(E. Peterson, personal communication, October 7, 2021).

Even when adjusted, the minimum salaries fall below the living wage for every county in the East Ohio Conference (<https://livingwage.mit.edu/states/39>).

(W. Fenton- Jones, personal communication, February 25, 2022)

In December 2022, A Young Clergy Task Force was commissioned by the bishop to gather perceptions held by that population as related to minimum salaries. A survey was formulated and distributed to Young Clergy up to age 35. Seventy five percent of respondents were full time ordained elders and 25% were full time local pastors. The return rate was 51.5%. Emerging themes/greatest concerns included healthcare, salary, and housing.

[Unpublished research]. (Buie and Heskett., 2023, pp. 1-3)

(Buie and Heskett, 2023) reported additional findings. However, some did not fall within the responsibilities of the EOC Commission on Equitable Compensation. A copy of the complete report was sent to the bishop.

Everyone should be concerned that East Ohio Conference is “second from bottom” in nation in terms of salaries. There are other compensation factors that are not generally known and are hard to see and understand. For example, some conferences do not offer the more robust level of health care coverage that is offered in East Ohio. Some conferences have no health care coverage and pastors must pay for their own healthcare. In other conferences, pastors pay part of the health care premium. East Ohio is not at the bottom when total compensation is considered; we place more in the middle. It should still be said, however, that good compensation packages are necessary to attract and keep quality pastors.

The Commission on Equitable Compensation investigated the effect of the current US inflation index (Consumer Price Index or Cost of Living Index) upon East Ohio Conference as another input before recommending what the minimum salary increase suggestion would be for the 2023 Annual Conference. The following is a summary of the investigation.

Consumer Price index or Cost of Living Ind		
Location	Consumer Price Index or Cost of Living, % (Based upon a 12 month comparison)	Inde Nati
US - National Average	6.5	
State of Ohio	5.92	
Key Cities in EOC		
Cleveland	6.11	
Akron	5.95	
Canton	5.78	
Youngstown	5.27	
Alliance	4.75	
Wooster	5.98	
Mansfield	4.46	
Mount Vernon	5.01	
Cambridge	4.46	

The above data for the US, State of Ohio and key cities in East Ohio Conference were obtained by using the Salary Research for Cost of Living” for each specific location based upon a 12-month comparison (December 2022 vs December 2021). An example of the data for Akron is found by using the following link <https://www.salary.com/research/cost-of-living/akron-oh>.

It is readily observable that the inflation rate varies depending upon the market conditions for the urban, suburban, and rural locations within the East Ohio Conference.

(W. Watts, personal communication, February 17, 2023)

When collaborating about recommending a rate of increase commensurate with the current inflation rate, the commission also considered the effect that such an increase would have on local churches. Such an increase would cause some churches to pay a full-time salary, pay increased healthcare costs, and fund additional pensions. Clearly, some would be forced to close.

The table below dates to 2016. It substantiates the fact that the Commission on Equitable Compensation has made an effort to perpetually increase salaries. Since 2016, the total percentage increase has been 31.6% which is applaudable.

Year	Minimum Cash Salary	Difference	% Increase	Inflation
2016	\$33,806			1.6
2017	\$34,558	752	2%	2.1
2018	\$35,247	689	2%	2.4
2019	\$35,982	734	2%	1.8
2020	\$37,750	1,768	5%1	1.2
2021	\$39,638	1,888	5%	4.7
2022	\$40,431	793	2%	8.0
2023	\$44,474	4,043	10%	

[Unpublished Report]. (Hitchcock, 2023, p. 1).

Therefore, in effort to move the minimum salaries toward a more sustainable wage, to address the current inflation rate to an extent, and to keep churches open, the commission recommends a 5% increase to each of the three minimum salary categories for 2024. If the above recommendation is approved, the 2024 salary schedule will be that seen in Column #3.

2022	2023	2024 Proposed 5% Increase

VI. SUSTENTATION AID

Sustentation grants are available in cases of special need or financial emergencies to all clergy who are under appointment in the East Ohio Conference. In making its decision, the Commission is guided by a printed set of criteria available from the chairperson. The maximum that can be granted to any pastor in any one calendar year is \$2,500. Due to inflation and growing need, donations to this fund are encouraged. The Fund # is 9917.

VII. GUIDELINES FOR MILEAGE:

- A. In setting the pastor’s mileage, the local church(es) shall pay vouchered mileage at the mileage rate set for the current year by the Internal Revenue Service. This figure may be obtained by doing a search for “business mileage rate” on the IRS website, www.irs.gov. Flat fixed rates for mileage are subject to apportionments.
- B. A church or charge may have the option of prepaying an estimated mileage figure monthly. An accounting of actual miles driven must be reported to the local church treasurer, preferably at month end but no later than 90 days after prepayment. At this time, any excess or unused portion of the prepayment could either be returned to the treasurer or used to reduce the next prepayment (except at year end).
- C. Standard documentation for vouchered miles shall include date, miles driven, purpose (May exclude specific contact information where confidentiality is an issue), not including commuting between home and the church.
- D. Due to the connectional nature of The United Methodist Church, it is strongly recommended that mileage to district and Conference events and meetings also be paid by the local charge.
- E. When specific pastoral duties at a community (non-church) event, (e.g., invocation and benediction at commencement), mileage to and from said event should be paid by the local charge. When an honorarium is given, mileage reimbursement

should not be requested unless such honorarium is contributed to a charity or other worthy cause, in which case the local charge may choose to reimburse the pastor for mileage.

- F. Mileage reimbursement for continuing education events should be worked out to the mutual satisfaction of the SPR/PPR Committee and the pastor.
- G. When the pastor combines local charge business and personal business on the same trip, the mileage attributed to the personal errands shall not be included in the reimbursable mileage.
- H. Mileage should be paid by inviting charge when a pastor travels to another charge to perform services at the request of the other charge's pastor.
- I. Multiple church charges should divide travel monies in the same proportion as salary, utilities, and other reimbursable expenses. Multiple travel logs must not be required.
- J. Students who travel to the charge for weekend pastoral duties shall not include travel to and from school as charge mileage. The charge shall reimburse for extra trips necessitated by pastoral emergencies.

CONFERENCE COUNCIL ON FINANCE & ADMINISTRATION (CCF&A)

Submitted by Rev. Dan Bryant, chairperson

Seasons of change are all around us as we journey in 2023. Change is happening and we find ourselves both excited and apprehensive about what tomorrow holds. And yet, in the seasons of change are moments of transformation, rebirth and renewal. We marvel at the faithfulness of a loving God who guides us always, amidst both prosperity and challenges.

This past year, 2022, we found ourselves emerging from the COVID restrictions and navigating uncharted waters as pastors and local church leadership continued adapting to change happening in our church and society. The postponement of General Conference heightened the anxiety within the system and some local churches began exploring disaffiliation. We are thankful for the steady leadership of Bishop Tracy S. Malone and the continued movement of God's grace in our lives. In all things, we continue to give thanks.

Changing seasons bring both excitement and apprehension. Being United Methodist allows our local churches to touch lives both within our local communities and across the world. Friends, though the journey may seem difficult and uncertain, we see so much for which to be thankful. God's grace and steadfast love abound!

The pay-in rate from local churches to our East Ohio Conference budget was 78.4% in 2022 compared to 79% in 2021. The \$7,974,921 contributed towards the mission and ministry of East Ohio in 2022 was 7.5% less than in 2021. Every dollar contributed is a gift enabling the good news of Jesus Christ to be shared.

We give thanks for the gift of 665 local churches serving the mission fields across the East Ohio Conference in 2022. A total of 436 local churches paid 100% apportionments which included 11 churches that disaffiliated in June 2022. The number of local churches paying 100% was 2% less than in 2021. Of our current United Methodist Churches in East Ohio, 425 paid 100% of apportionments in 2022. The percentage of churches that paid 100% or more was 64%. We give thanks for the 140 local church congregations that increased their giving to apportionments in 2022. We acknowledge the 34 local churches who paid 100% in 2021 but only paid between 25%-50% in 2022. Fifty churches did not contribute anything in 2022 compared to 49 in 2021. That's about 7.6% of our local churches. That represents \$567,154 of our 2022 budget. Our Conference can accomplish a great deal through shared ministry that local churches could not accomplish on their own. Yet, at the same time, we know that the most critical investment for mission and ministry are those made at the local church.

In 2022, 281 churches donated something toward the Shared Ministry Challenge Fund. Of those churches, 233 gave 100% of the amount apportioned to them. We received \$201,041 toward the Shared Ministry Challenge Fund. God continues to move in the gracious generosity of you, the local church.

The 2022 Conference budget was reduced by 5.3% so that local churches would have more available funds for their respective mission fields. CCF&A continues to monitor trends and examine budgetary needs as we head into this quadrennium. Since General Conference is postponed until 2024, we are treading water regarding implications of denominational changes that may come our way.

Giving to Advance Specials in 2022 totaled \$1,100,353. Included in that amount was \$164,834 donated specifically to the Teach • Reach • Bless campaign.

For the 17th year, our East Ohio Conference paid 100% of our General Church apportionments. East Ohio Conference sent the General Church \$2,075,680 for our share of the anticipated General Church apportionment amount. We paid the same amount as in 2021 because we have been including the same amount in our Conference budget due to General Conference not meeting and being able to approve a new updated budget. The General Church funds support global efforts of the church through seven general funds: World Service, Ministerial Education, Episcopal, Black College, Interdenominational Cooperation, Africa University, and the General Administration Fund. As United Methodists we believe and support the saying, "the world is our parish." God's grace and steadfast love abound!

Looking beyond apportioned funds to areas of direct billing, the medical insurance direct bill pay-in rate in 2022 was 93.2%. The pension direct bill pay-in rate for 2022 was 99.3%. The actual aggregate pay-in rate for 2022 for both was 94.9%.

Because of the faithfulness and generosity of our local churches, East Ohio Conference was able to increase its apportionment payment for Africa University in 2022 over and above what the anticipated budget amount had been. Our 2022 apportionment payment to Africa University Fund was \$40,149.

Looking ahead CCF&A intends to propose a further reduction of 5% in the 2024 budget for the five apportioned shared ministry funds. Approving this budget will be part of our actions at Annual Conference.

The faithfulness of our local churches continues to be the focal point of transformative ministry. As we journey together in 2023, we pray that you will be encouraged by the continued movement of God's Spirit guiding us in the uncertainties, decisions, and mission opportunities enabling all of us to share God's love and witness to a world hungering for justice, peace, and compassion. God's grace and steadfast love abound!

With the assurance of God's presence, and the foundational comments above, CCF&A proposes these policy items to the Annual Conference:

I. PAYMENTS AND REPORTING

- A) **Local Church Apportionment Payments** - All payments to Conference budget items shall be made at least monthly to the executive director of Financial & Administrative Services on supplied remittance forms. Special offerings should be sent only with the regular monthly remittance. Please do not send them separately. Payments should be sent directly to the bank lock box in the envelopes provided. There is also a separate remittance form for the directly billed Health Care & Pension Program. Please follow the directions on the separate remittance forms.
- 1) **Timing** - Items in the Conference budget that are apportionments are expected to be paid in full. One-half of the apportionment should be paid by June 30. To do less causes hardship for the programs and people of the East Ohio Conference.
 - 2) **Reporting** - The district superintendent will receive up-to-date reports on the apportionment giving levels of the local churches and is asked to be an advocate for full fair-share giving by each local congregation.
 - 3) **Staying current** in all five apportionment funds is expected. Any church that wishes to support the ministry of any of the funds at greater than 100% is encouraged to do so.
- B) **Annual Church Reports** - Annual church reports (pastor's report) shall be submitted online by January 17, 2024, but an extension until January 31, 2024, may be granted in cases of emergency, provided the request is made in writing and received by the executive director of Financial & Administrative Services before January 17, 2024. This extension is automatically granted to multiple church charges.

PLEASE NOTE: Money must be received at the bank by Thursday, January 4, 2024. This is the third business day of the new year. This deadline is imposed upon us by our audit firm. The cut-off is the third business day of the new year, every year. Please make note of this date! Monies received after January 4, 2024, will not be credited to the 2023 records. Be aware that credit card transactions and ACH payments take one business to process. Please plan accordingly.

When churches do not file a year-end statistical report, those churches' next apportionments will remain at the same level as the last year for which they filed a statistical report.

- C) **Audit Reports** - Reports - ¶ 617.2 of *The Book of Discipline of The United Methodist Church, 2016*. All agencies receiving financial support from Conference benevolences or from any other authorized Conference-wide appeal shall make audited reports to the Council concerning all such receipts and the disbursements thereof in such detail and at such times as the

Council may direct. These audits shall be due on March 31, or 90 days following the closing of the fiscal year and shall be sent to the Funding Evaluation Committee of the Connectional Ministries office. Any agency that fails to provide a satisfactory audited report by said deadline will have its current-year funding suspended until the Committee accepts the report. The Council has established minimum guidelines for audits and an Audit Committee has provided a standard form for use by all districts commencing with the 1995 audit using generally accepted accounting principles or an acceptable comprehensive basis of accounting other than generally accepted accounting principles and including a listing of property values and all fund balances including investments, restricted and non-restricted funds. All audits are to be duly signed by the person performing the audit. Copies of district audits shall be available to local churches at the district conferences.

- D) **Investment Reports** - The executive director of Financial & Administrative Services is authorized, in consultation with CCF&A, to invest a portion of the Huntington Sweep Account fund in AAA Commercial Paper. Monthly reports of investments shall be made at CCF&A meetings.

II. BUDGET

- A) **Timeline** - All program agencies asking for funds shall participate in a one-year budget.
- B) **Ministries and Mission Balances** - Carry-over balances in the Fund I Conference Connectional Mission Apportionments accounts shall be channeled into a Ministries and Missions Contingency Fund. At year-end, all un-vouchered project/program funds shall be retained in the Connectional Table (formerly Conference Council on Ministries) Ministries and Missions Contingency account. Final disbursements of unspent balances will be determined by Connectional Table at the end of each 12-month period. The Ministries and Missions contingency balance can be accessed by procedures adopted by the Connectional Table.
- C) **Pay-out rates** - All funds are budgeted for a 100% payout rate.
- D) **Contingency and Reserve Funds**
- 1) **Contingency Funds** - By action of the 1976 Annual Conference, two contingency funds were established, Administrative and Ministries and Missions. CCF&A and CCOM (now Connectional Table) agreed that unused balances at the end of the year are put into the respective unbudgeted Conference Contingency Funds. CCOM (now Connectional Table) may initiate requests for Ministries and Missions Fund through its established procedure. Non-CCOM-related (now non-Connectional Table-related) groups may appeal directly to CCF&A for Administrative Contingency Funds. Any such request must stand five tests:
 - a) Does not duplicate budgeted funding
 - b) Has not been turned down in budgeting process
 - c) Does not circumvent budgeting process
 - d) Funds are available
 - e) Where applicable, there are specific bid figures attached to the requests. Ministries and Missions grants are paid only upon submission of a documented voucher, in the same manner as budgeted item grants are made.
 - 2) **Reserve Funds** - These funds consist of interest earnings from short-term investments and restricted funds, and some unspent contingency funds voted to the Unrestricted Reserve Fund by CCF&A. This fund is used under the jurisdiction of CCF&A primarily as a reserve for capital or administrative expenditures. Since October 18, 1972, CCF&A's goal, upon recommendation of the General Council on Finance & Administration, has been to set the Unrestricted Reserve Fund Limit at one and one-half times the average monthly income from the preceding year's Conference apportionment receipts. The current limit for 2022 was \$1,288,770. The Unrestricted Reserve Fund had a balance of \$1,288,770 on December 31, 2022.

III. COMPENSATION AND REIMBURSEMENT

- A) **District Superintendent's Salary** - The formula for district superintendent's salary was established at the 2002 Annual Conference. Because of the numerous voluntary wage freezes taken by the district superintendents over the years, the formula for their salary was updated in 2009 by Annual Conference. The formula salary is equal to 1.80 times (formerly 1.90 times) the Conference Average Cash Salary of the 2022 year for pastors as computed by the General Board of Pensions for the 2024 year. For 2024 salary, we will use the 2022 Conference Average Cash Salary of \$49,038 which will calculate a salary of \$88,269 for 2024. The salaries for the executive director of Connectional Ministries, the executive assistant to the bishop,

the executive director of Financial & Administrative Services, and the executive director of Communications are set by using the same formula, but with a housing allowance adjustment.

- B) **Travel Allowance** - Effective January 1, 2023, the mileage reimbursement rate for Annual Conference staff shall be the maximum rate allowed by the Internal Revenue Service, currently \$0.655 per mile.
- C) **Housing/Utilities**
 - 1) District superintendents shall be provided housing with full utilities and maintenance provided.
 - 2) The executive assistant to the bishop, the executive director of Connectional Ministries, the executive director of Financial & Administrative Services, and the executive director of Communications shall receive a housing allowance – or if not clergy a salary adjustment – equal to 25% of the salary figure that is established in part A.
 - 3) Connectional Ministries associate directors (full-time) shall receive a housing allowance at a rate established by CCF&A, plus full utilities, if clergy.
- D) **Expenses** - Conference treasurer audits all line items and requires substantiation for reimbursable expenses. Outside auditors review the treasurer's expense account.
- E) **Minimum Salary** - Minimum requirements detailed in the Commission on Equitable Salaries report are to be applicable to all charges.
- F) **Health Insurance** - Each pastoral charge shall be billed an amount for health care coverage where applicable. For 2024 it is anticipated that the premium will increase slightly. The East Ohio Conference Board of Benefits will set the final premium charges. Employing agencies will be charged the appropriate premium for their participants. Amounts will be remitted on Health Care Forms provided by the executive director of Financial & Administrative Services.
- G) **Pension/Disability CRSP/ CPP Direct Billing** - (See worksheet provided with Omnibus Form). Each pastoral charge will be billed an amount for CRSP and/or CPP.
- H) **Travel Reimbursement** - The rate for mileage reimbursement for Conference business, for other than Conference staff, shall be paid only in cases of critical need at \$0.14 per mile.

IV. MOVING EXPENSES

The purpose of this policy is to describe how the East Ohio Conference will help defray the costs of household moves related to clergy assignment within the Conference and to clearly state the rules which apply so that local charges and affected individuals may recognize in advance the maximum amount of financial help they might receive from the Conference. Moving expenses, subject to conditions and limitations that follow, are to be shared by the Conference and the charge accepting the minister. The Conference-share reimbursement rate will be determined by CCF&A based upon available funding. Moving arrangements are to be made by the individual who will move, and such arrangements are subject to approval by the charge sharing the cost. It is recommended that a professional mover be used. On a non-professional move, the Conference will not reimburse for labor or wages and the Conference will assume no liability for such a move. All exceptions to this move reimbursement policy may be referred to CCF&A for resolution.

- A) **Conditions and Limitations**
 - 1) **Positions Covered** - Situations eligible for reimbursement are those which involve either a parsonage or a housing allowance from a local church or the Conference for clergy under Episcopal appointment. An appointment beyond the local church may be covered only if it is a position in which the East Ohio Conference funds full salary. Also covered would be newly retired pastors being hired as supply pastors (see also B-1). In negotiating with candidates for Conference professional positions approved in *The Conference Journal*, this policy should be used as a guideline.
 - 2) **Reimbursements** - The charge receiving a pastor is to pay the carrier and submit a documented voucher to the executive director of Financial & Administrative Services for reimbursement of the Conference share. The Conference will reimburse the local church/charge 50% (subject to limitations) of the moving costs of each pastor under Episcopal appointment. All local churches/charges with a valid moving bill incurred at the usual moving time, at the end of June, must submit that bill to the executive director of Financial & Administrative Services by August 1 each year. The execu-

tive director of Financial & Administrative Services will subsequently reimburse to the local churches an amount of 50% of the moving bill (subject to limitations). Mid-year moving bills shall be submitted with prior approval of the Cabinet.

- 3) **Apportionment Requirement** - If half-year apportionment payments of Shared Ministry Funds II, III, IV as well as directly-billed Pension and Health Care are current as of June 30, a charge will be eligible for moving reimbursement as per established policy. In charges whose current-year apportionments are not paid to date, only churches of said charges which have these apportionments paid will be proportionally reimbursed the Conference-share of moving expense.
- 4) **Distance, Packing and Weight Limitation**
 - a) **Distance** - This is limited to mileage within the Conference boundaries following the shortest route acceptable to the carrier.
 - b) **Packing** - Conference reimbursement to local churches for packing materials and/or packing charges is limited to \$500.
 - c) **Weight** - Only household goods are included. Specific exclusions include cars, boats, and trailers, as well as storage charges and overtime for movers.
 - d) **Estimate** - As part of exercising stewardship while planning the move, the pastor being moved shall obtain two written estimates of the full cost of the move (including insurance from licensed movers) and shall submit all estimates, as well as the final bill, as attachments to the reimbursement request.
- 5) **New Seminary Graduate Appointments** - Graduates entering the East Ohio Conference to assume their first full-time appointments will be given total moving expense reimbursement from the place of origin of their move to their new appointment in the Conference if they use a self-move method. If using a professional move, the graduates shall be under the conditions and limitations of Section IV.A. If moving from outside the Conference the local church/charge to which the incoming graduate is appointed shall be expected to pay the appropriate moving expense prorated from the nearest Conference boundary to the new residence. The mode of move shall be determined by the district superintendent in consultation with the pastor, church, and Cabinet.
- 6) **Out of Conference Transfers In** - Churches receiving persons transferring into East Ohio from other annual conferences shall have their related moving expenses reimbursed by the annual conference under the terms specified in A1-4 (except 4a, Distance). The local church/charge will be expected to pay one-half of the actual cost of the move, but not more than half of the cost of the average professional move over the prior two years as listed in this report. The East Ohio annual conference will pay the balance subject to payout rates specified in A1-4.

The Average Professional moving expense over the prior two years:
2021 and 2022 average (used in 2023) = \$2,798

B) **Retirees and Disability**

NOTICE: All benefits described in this section are to be applied for those retiring in the current year. Anyone retiring in a prior year should consult the language in *The Conference Journal* for the year in which they retired. Reimbursed moving expenses for retirees is a taxable transaction and will receive a Form 1099 at year-end, appropriately.

- 1) **Retirees** - Full-time local pastors and clergy under appointment as district superintendents, Conference staff, or on a pastoral charge, serving with pension funded by the Conference, shall be eligible to receive a non-recurring moving expense allowance at the time of their retirement under ¶ 358.1, 2.a., 2.b., 2.c of *The Book of Discipline of The United Methodist Church 2008*, provided that such clergy shall not have been re-admitted for the purpose of retirement. Retirees eligible per the previous language that are approved to continue working in retirement will remain eligible for this non-recurring moving expense allowance at such time as they end their work. This allowance must be used within six months of the end of their work unless granted an extension in writing by the executive director of Financial & Administrative Services, and with prior approval of both Cabinet and CCF&A. The development and administration of policy governing the allowance shall be the responsibility of the Conference Board of Pensions.
- 2) **Payment Amount**

- a) **Inside Conference** - Clergy retiring and moving to a retirement residence within the East Ohio Conference at the time of their retirement shall receive full reimbursement for actual expenses in accord with the conditions and limitations of Section IV.A.1-4.
 - b) **Outside Conference** - Clergy retiring and moving to a retirement residence outside the East Ohio Conference at the time of retirement shall receive actual expenses up to a maximum equal to the average cost of a professional move reimbursed by the Annual Conference over the two years prior to their actual retirement.
 - c) **Other Than Time of Retirement** - Retired clergy moving to a retirement residency either inside or outside the East Ohio Conference (and who have not already used their non-recurring retirement move reimbursement), shall be reimbursed actual expenses up to a maximum equal to the average cost of a professional move reimbursed by the annual conference over the two years prior to their actual retirement.
- 3) **Disability/Death** - A similar non-recurring moving expense allowance will be granted to eligible members granted disability, full-time local pastors granted disability benefits, and surviving spouse of eligible members or full-time local pastors.

V. APPORTIONMENT PROCESS

- A) **Formula** - CCF&A recommends the following formula for determining apportionment of Shared Ministry Funds: Apportionments to local churches will be based on non-benevolent and non-building expenditures (referred to as "total base figure"). A "grade figure" will be derived for each local church so that it may readily figure its share of any Conference-budgeted item.

The "grade figure" shall be computed as follows:

$$\text{Local Church Total Base Figure} / \text{Conference Total Base Figure} = \text{Local Church Grade Figure}$$

- 1) **Total Base Figure** - Total base figures are the sum of the church program expenses, other current expenses, salary paid pastor and associates, and travel and utilities paid to pastor and associates by the church for them. The total base figure is listed annually in *The Conference Journal*.
 - a) **Travel** - Travel at the Conference-approved rate per vouchered mile for each pastor and/or diaconal minister will not be counted in total base figure. If a flat rate or allowance is used, the total amount is taxable to the recipient, and the total amount will be included in the calculation of the total base figure.
 - b) **Moving Expense** - The moving expenses paid by the church are not added to the total base figure but must be reported by each church as outlined in the local church report to annual conference.
 - c) **Health Insurance** - The health insurance premiums for lay and clergy paid directly by the charge shall not be considered in establishing the charge's apportionments.
 - d) **Pension** - Pension provided for lay employees is not considered in establishing the charge's apportionments. Pension charges billed directly to the local church/charge for clergy shall not be considered in establishing the charge's apportionments.
 - e) **Housing Allowance** - Housing allowance for apportionments shall exclude amounts expended on either rent or mortgage and interest payments. Taxes, maintenance, insurance, and utilities will remain a part of the formula.
- B) **Timeline** - Preliminary apportionments for 2024 will be mailed in August, 2023 and will be based on the Local Church report for the year 2022. Final apportionments will be mailed in October 2023.
- C) **New Churches** - A new church will be apportioned by the Conference and the district 10% of its "full" amount during the first year after the effective charter year. During the second year the apportionments will be at 15%; during the third year 20%; fourth year 40%; fifth year 60%; sixth year 80% and 100% in the seventh year and thereafter. Existing new churches will be considered as in their first year. The term "apportionments" is meant to include all apportioned funds.
- D) **New Program Staff Position Salaries** - These salaries will be exempt from total base figure calculation for a period of two years from the date of hire. During this time, new program staff position salaries will be reported along with the date of hire each year on the local church report to annual conference.
- E) **Merged Churches** - As part of the merger process, the congregations involved will create a proposed budget for the merged church which will go into effect on the date the merged church begins worshipping and meeting as one congregation. This

budget will be worked out in consultation with, and given approval by, the district superintendent and the district Committee on Church Building and Location. This budget will then be forwarded to the office of the executive director of Financial & Administrative Services to be used to formulate the current year's apportionment figures for the newly merged church. A new total base figure will be calculated for the merged church based on the formula outlined in ¶ V.A) above.

This new total base figure will be in effect until the actual financial records of the merged church are reported for the first full year of its existence and can be used to calculate a total base figure based on actual expenditures.

A new classification of merged churches will be VITAL Mergers. Those mergers fulfilling the VITAL Merger qualifications will be considered as a new church start by the Board of Congregational Development and will consequently be considered a New Church for apportionment purposes.

VI. EAST OHIO ANNUAL CONFERENCE CENTRAL TREASURY

All Conference assets, liabilities, and fund balances are to be accounted for by the office of the executive director of Financial & Administrative Services, who will provide a Central Treasury for the East Ohio Annual Conference (See 2012 Discipline ¶613.12). The executive director of Financial & Administrative Services is charged with the accounting for all financial activity of the Conference, including all boards, agencies, and committees. No group or individual may perform this accounting function in lieu of the executive director of Financial & Administrative Services, who must account for all receipts, disbursements, and fund balances.

The executive director of Financial & Administrative Services is not currently expected to perform the accounting function for the district offices, or the United Women in Faith. These bodies perform their own accounting function and are both separately audited and reported to the annual conference.

VII. CONFERENCE LOAN POLICY

CCF&A may borrow up to 2% of the Conference annual apportioned budget in any given Conference year for current expense purposes.

North Canton, Ohio

Opinion

We have audited the accompanying combined financial statements of East Ohio Conference and Ohio East Area Office of the United Methodist Church (Conference and Area Office), which comprise the combined statements of assets, liabilities and net assets - modified cash basis as of December 31, 2022 and 2021, the related combined statements of receipts and disbursements and changes in net assets - modified cash basis and the combined statements of functional expenses - modified cash basis for the years then ended, and the related notes to the combined financial statements - modified cash basis.

In our opinion, the combined financial statements referred to above present fairly, in all material respects, the assets, liabilities and net assets of East Ohio Conference and Ohio East Area Office of the United Methodist Church as of December 31, 2022 and 2021 and its receipts and disbursements and changes in their net assets and the functional expenses for the year then ended in accordance with the modified cash basis of accounting as described in Note A.

Basis For Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Conference and Area Office and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Basis of Accounting

We draw attention to Note A of the combined financial statements, which describes the basis of accounting. The combined financial statements are prepared on the modified cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to this matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these combined financial statements in accordance with the modified cash basis of accounting described in Note A; this includes determining that the modified cash basis of accounting is an acceptable basis for the preparation of the combined financial statements in the circumstances. Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of combined financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Conference and the Area Office's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements, including omissions, are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgement made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgement and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Conference and Area Office's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgement, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Conference and the Area Office's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Report on Supplementary Information

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental information included on pages 24-26 is presented for purposes of additional analysis and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the financial statements as a whole.

NOTES TO COMBINED FINANCIAL STATEMENTS - MODIFIED CASH BASISEAST OHIO CONFERENCE
AND OHIO EAST AREA OFFICE OF THE UNITED METHODIST CHURCHDecember 31, 2022 and 2021

NOTE A - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIESNature of Operations

The East Ohio Conference of the United Methodist Church and Ohio East Area Office of the United Methodist Church (Conference and Area Office) are administrative entities of the United Methodist Church. The broad purpose of the Conference is to service the requirements of the individual churches that are located within its defined area of responsibility (northeast Ohio). The purpose of the Area Office is to perform the work of the area Bishop. The Conference administered 664 and 679 churches in 2022 and 2021, respectively.

Combination Policy

The combined financial statements include the accounts of the East Ohio Conference of the United Methodist Church and Ohio East Area Office of the United Methodist Church which are related through common control. All significant inter-entity transactions have been eliminated.

Basis of Accounting

The financial statements are not intended to present the Conference's and Area Office's financial positions and results of changes in net assets in conformity with accounting principles generally accepted in the United States of America on the accrual basis; rather, it is their policy to prepare their financial statements on the acceptable accounting method of modified cash basis by which certain assets and the related revenues are recognized when received rather than when earned and certain expenses are recognized when paid rather than when the obligation is incurred. Apportionments receivable represent amounts which are due at December 31 of each year. The amounts recorded were received in January of the subsequent year. Investments are carried at fair value with both realized and unrealized gains and losses reflected in the accompanying combined statements of receipts and disbursements and changes in net assets - modified cash basis. In accordance with the modified cash basis, the Conference did not record assets or liabilities related to operating leases held at December 31, 2022 and 2021.

Cash Equivalents

The Conference and Area Office consider highly liquid debt instruments purchased with original maturity dates of three months or less to be cash equivalents.

Property and Equipment

Property and equipment are capitalized at cost when purchased and at estimated fair value at date received for donated property, less allowances for depreciation. Maintenance, repairs and renewals are charged to operations as these expenditures are incurred. Depreciation is computed using the straight-line method based on the estimated useful lives of the related assets. The Conference and Area Office recorded depreciation expense of \$315,801 and \$303,948 in 2022 and 2021, respectively, which is included in program services on the statements of receipts and disbursements and changes in net assets - modified cash basis

NOTES TO COMBINED FINANCIAL STATEMENTS - MODIFIED CASH BASIS (CONTINUED)

NOTE A - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Property and Equipment (Continued)

Gifts of long-lived assets such as land, buildings or equipment are reported as an addition without donor restriction support, unless explicit donor stipulations specify how the donated assets must be used. Gifts of long-lived assets with explicit restrictions that specify how the assets are to be used and gifts of cash or other assets that must be used to acquire long-lived assets are reported as with donor restriction support. Absent explicit donor stipulations about how long those long-lived assets must be maintained and expirations of donor restrictions are reported when the donated or acquired long lived assets are placed in service.

In-Kind Contributions and Services

In-kind contributions and services are recorded as revenue and expenses in the statements of receipts and disbursements and changes in net assets - modified cash basis. Donated services are reported as revenue and support and as assets or expenses only if the services create or enhance a non-monetary asset or would typically need to be purchased by the Conference and Area Office if they had not been contributed, or if the services require specialized skills and are provided by individuals with those skills. These donated services are stated at amounts based on fair value as designated by the contributor.

Net Assets with Donor Restrictions

Net assets with donor restrictions are used to differentiate resources, the use of which is restricted by donors or grantors to a specific time period or purpose, from resources on which no restrictions have been placed or that arise from the general operations of the Conference and Area Office.

Donor-restricted gifts, grants and bequests are recorded as an addition to net assets with donor restrictions in the period received. Resources restricted by the Conference and Area Office for specific operating purposes are reported in receipts without donor restrictions to the extent expended within the period. When the donor restriction expires, that is, when a stipulated time restriction ends, or the purpose of the restriction is accomplished, net assets with donor restrictions are reclassified as net assets without donor restrictions and reported in the statements of receipts and disbursements and changes in net assets - modified cash basis as net assets released from restrictions.

Income Taxes

The Conference and Area Office qualify as organizations exempt from Federal income taxation under Section 501(c)(3) of the Internal Revenue Code.

Use of Estimates

The preparation of financial statements prepared on the modified cash basis of accounting requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

NOTES TO COMBINED FINANCIAL STATEMENTS - MODIFIED CASH BASIS (CONTINUED)

NOTE A - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)Financial Statement Presentation

The Conference and Area Office report information regarding its financial position and activities according to ASU-2016-14; net assets without donor restrictions and net assets with donor restrictions.

Functional Expenses

The costs of supporting the activities of the Conference and Area Office have been summarized on a functional basis. Accordingly, certain costs have been allocated among the program and supporting services benefited.

NOTE B - FAIR VALUE MEASUREMENTS

The Conference and Area Office classify their assets and liabilities carried at fair value based on valuation methods using three levels. Level 1 inputs are based on quoted prices in active markets for identical investments. Level 2 inputs are based on significant observable market inputs, such as quoted prices for similar investments and quoted prices in inactive markets. Level 3 inputs are based on significant unobservable inputs that reflect management's determination of assumptions that market participants might reasonably use in valuing the investments. The valuation levels are not necessarily an indication of risk or liquidity associated with the underlying investments.

The Conference and Area Office hold their investments mainly with two entities: The East Ohio United Methodist Foundation (Foundation) and Wespath Benefits and Investments (Wespath). In addition, the Conference holds a beneficial interest in a trust through a bank (see Note F).

The following table sets forth by level, within the fair value hierarchy, the Conference's and Area Office's assets measured at fair value as of December 31, 2022 and 2021:

Level 2 assets consist of the Wespath short-term index fund which is comprised of cash and cash equivalents and short-term investments and also beneficial interests in assets held in trust by others. These assets are valued using the present value of the estimated future cash receipts, which is an amount approximating the value of the underlying assets of the trust.

Level 3 assets in the Foundation and Wespath mixed index funds are comprised of equities in small and midsize U.S. companies, public real estate investment trusts (REITs), international equities, international real estate securities, fixed income investments, U.S. Treasury inflation protected securities (TIPS), mortgage contracts and other loans, private real estate partnership investments and private equity partnership investments. Mortgage contracts and other loans are recorded at fair value based on the net present value of the future cash flows discounted at market equivalent rates. Private real estate partnership investments fair value estimates are based on a combination of appraisal reports from independent appraisers and models developed by the underlying fund managers using a variety of market-based assumptions. Fair value estimates of private equity partnership investments are based on available market data such as comparable public companies' trading multiples. These valuations are adjusted to give consideration to certain conditions specific to a private company.

The Wespath inflation-linked bond index fund is comprised of government issued inflation protected securities, inflation-sensitive commodities through futures and senior-secured floating rate loans. Government securities are stated at fair value determined primarily by matrix pricing. Inflation-sensitive commodities through futures are stated at fair value determined by prices quoted on national security exchanges. Loans are stated at fair value based on the net present value of the estimated future cash flows discounted at market equivalent rates.

NOTE D - HEALTH CARE BENEFITS

The Conference provides certain health care benefits for 643 retired, 8 disabled and 280 active employees including clergy, lay people and dependents. Substantially all of the Conference's employees and clergy may become eligible for these benefits upon meeting certain service requirements. Health care benefits are expensed as claims are paid. These costs, net of insurance refunds received, are included in program services.

The Conference had accumulated postretirement benefit obligations, as estimated by their actuary at December 31, 2022 and 2020, of \$28,019,111 and \$29,601,385, respectively, related to postretirement health care benefits. The Conference's policy is to have the report showing this estimate prepared every third year. The valuation assumptions used as of December 31, 2022 and 2020 included a discount rate of 5.5% and projections based on Scale MP-2020.

Because the Conference presents its financial statements on the modified cash basis of accounting as described in Note A, there are no additional footnote disclosures or liabilities recorded in the financial statements for this obligation.

Assumed health care cost trend rates have a significant effect on the amounts reported for health care plans. A one percentage point change in assumed health care cost trend rates in connection with the 2022 actuarial valuation would have had the following effects:

	<u>One Percentage Point Increase</u>	<u>One Percentage Point Decrease</u>
Effect on postretirement benefit obligation	<u>\$ 3,518,693</u>	<u>\$ (2,909,140)</u>

The 2023 health care cost trend rates included in the actuarial assumptions are projected to be 6.5% and are assumed to decrease gradually through 2075.

NOTES TO COMBINED FINANCIAL STATEMENTS - MODIFIED CASH BASIS (CONTINUED)

NOTE E - PENSION BENEFITS

Defined Contribution Plan

The Conference and Area Office have a defined contribution retirement plan for all lay people who meet certain eligibility requirements. Contributions to the plan, which are paid by the Conference, are based on a 12% fixed percentage of each participant's compensation. Contributions representing retirement plan expense of \$167,187 and \$144,760 were paid in accordance with the provisions of the plan in 2022 and 2021, respectively.

Multi-Employer Plan

The Conference's clergy are also enrolled in a hybrid defined benefit and defined contribution retirement plan administered by the General Board of Pensions of the United Methodist Church. The defined benefit portion is based on the denomination average as calculated by the actuaries of the General Board of Pensions. The defined contribution portion is 3% of a clergy's plan compensation. Retirement plan contributions, which are paid by member churches by a direct bill from the Conference and Area Office, are deposited in local banks and periodically transferred to the General Board of Pensions.

The defined benefit portion of the plan is made up of (1) the Clergy Retirement Security Program (CRSP-DB), (2) the Supplement Three to the Clergy Retirement Security Program otherwise known as the Ministerial Pension Plan (MPP Annuities), and (3) Supplement One to the Clergy Retirement Security Program (Pre-1982 Plan). The CRSP-DB, MPP Annuities and Pre-1982 Plan are part of a multi-employer defined benefit pension plan covering substantially all United Methodist clergy, including clergy appointed by the Conference. The Pre-1982 Plan covers service prior to 1982, MPP Annuities covers service from 1982 through 2006, and CRSP-DB covers service on or after January 1, 2007. The risks of participating in this multi-employer plan differ from that of single-employer plans in the following respects:

Assets contributed to the multi-employer plan by one employer may be used to provide benefits to employees of other participating employers;

If a participating employer stops contributing to the plan, then the unfunded obligations of the plan may be borne by the remaining participating employers;

If the Conference chooses to stop participating in its multi-employer plan, then it may be required to pay that plan an amount based on the underfunded status of the plan, referred to as a withdrawal liability.

The Conference paid all contributions due for contribution year 2022 and 2021 as shown below. All contribution amounts are payable on December 31 of the year shown, while the funded status is as of the valuation date for the contribution year shown.

The Conference's participation in the plan for the years ended December 31, 2022 and 2021 is outlined in the table below:

The multi-employer plan is a non-electing church plan under Internal Revenue Code Section 414(e) and 410(d). As such, it is exempt from the minimum funding requirements of ERISA, the Pension Protection Act of 2006, and Internal Revenue Code Section 412 and 430-436. Accordingly, no funding improvement plan or "zoning" funding requirements apply.

This plan (all three historically consecutive plans are part of one multi-employer plan) is a multi-employer plan as defined in ASC 715. It is not a multi-employer plan under Internal Revenue Code Section 414(f) (i.e., a Taft-Hartley union-management plan) because no unions or union contracts are involved. The plan's provisions are governed by the General Conference, a United Methodist Church-wide decision-making body that meets once every four years. Changes to the plan provision are not allowed between General Conferences except to the extent they are required to maintain compliance with secular law.

There are no liabilities recorded in the financial statements for pension benefits since the Conference prepares its financial statements on the modified cash basis of accounting.

NOTE F - BENEFICIAL INTERESTS

The Conference is the beneficiary under a trust held in perpetuity administered by a bank. The trust, which is not controlled by the Conference, has been included in the statements of assets, liabilities and net assets - modified cash basis. The Conference has recorded the present value of estimated future cash flows (an amount approximating the Conference's percentage of the value of the underlying assets of the trust) as permanently restricted net assets. The Conference's share of future cash flows for this trust had a value of \$684,617 and \$873,656 for the years ended December 31, 2022 and 2021, respectively. Distributions from these trusts, reflected in investment income, amounted to \$35,005 and \$43,198 for the years ended December 31, 2022 and 2021, respectively.

NOTE G - NET ASSETS

NOTE H - RISKS AND UNCERTAINTIES

The Conference and Area Office invest in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such change could materially affect amounts reported in the statements of assets, liabilities and net assets - modified cash basis.

The Conference and Area Office maintain cash balances at several financial institutions located in northeastern Ohio that at times, are in excess of Federally insured limits. Accounts at each institution are insured by the Federal Deposit Insurance Corporation subject to various limitations and conditions.

In 2019, the General Conference of the United Methodist Church adopted a provision to *The Book of Discipline* to allow churches to disaffiliate from the United Methodist Church over issues related to human sexuality and authorized each conference to create their own disaffiliation plan. The Conference approved a policy that allowed disaffiliation once several conditions were met, including that the apportionments relating to the previous twelve months and the next twelve months were paid, and also the church's share of the Conference's pension liability and any other outstanding debts or obligations. During 2022, 13 churches in the conference elected to disaffiliate from the United Methodist Church. Future impact of additional disaffiliations on pension and apportionment amounts due to the Conference are unknown at this time. See Note M.

NOTE I - LEASES

The Conference leases office equipment under various operating leases. Total rental expense charged to operations was \$47,176 and \$58,848 for the years ended December 31, 2022 and 2021, respectively. The following is a schedule of future minimum lease payments required under the above operating leases:

2023	\$	55,860
2024		55,860
2025		1,245
2026		-
2027 and thereafter		-

The Conference leases office space to various entities in their building. Total rental income collected was \$39,626 and \$38,516 for the years ended December 31, 2022 and 2021, respectively. The following is a schedule of future minimum lease income to be received under the above leases:

2023	\$	30,180

NOTE J - LIQUIDITY AND AVAILABILITY OF FINANCIAL ASSETS

As part of the Conference’s and Area Office’s liquidity management plan, cash in excess of daily requirements is invested (see Notes A and B). The Conference Council on Finance and Administration directs all bequests to net assets without donor restrictions if they are not restricted by the decedent as to use. These funds may be drawn upon, if necessary, to meet unexpected liquidity needs or in the event of financial distress. Available assets comprise the following at December 31, 2022:

Cash and cash equivalents	\$ 12,133,357
Investments	31,767,486

NOTE K - LONG-TERM DEBT

Long-term debt at December 31, 2022 and 2021 consisted of the following:

	<u>2022</u>	<u>2021</u>
Note payable to a bank made under the provisions of the Payroll Protection Program (round two). The Conference has been granted forgiveness of the note under the terms of the Payroll Protection Program and has recorded a gain on the forgiveness of debt.	\$ -	\$ 117,100

	<u>\$ -</u>	<u>\$ 107,140</u>

NOTE L- COMMITMENTS AND CONTINGENCIES

In United Methodist Church is party to the Boy Scouts of America (BSA) bankruptcy. Leaders of the United Methodist Church negotiated a settlement in the matter of the BSA's pending bankruptcy proceedings that would resolve any claims of sexual abuse that may have occurred in congregation-sponsored Scouting programs. Under the terms of the settlement, United Methodist would raise and give \$30 million over a three-year period into a fund that will be utilized to compensate survivors, and United Methodist congregations that chartered Scout troops and packs would be released from all abuse claims involving Scouting activities. In September 2022, the bankruptcy court approved a reorganization plan for the BSA that included the settlement negotiated by the United Methodist Church; however the court's ruling has been appealed to the United States District Court. Subsequent to year end, on July 13, 2023, the Conference remitted payment for its share of the settlement in the amount of \$942,444. This liability is not reflected in the accompanying financial statements in accordance with the modified cash basis of accounting.

NOTE N - SUBSEQUENT EVENTS

Based upon market values as of October 31, 2023, the most recent month-end, the fair market value of the Conference's investment accounts totaled approximately \$32,800,000, an increase of approximately \$350,000.

Subsequent to year-end, 237 additional churches in the Conference elected to disaffiliate from the United Methodist Church.

Management evaluated all activity of the entities through November 15, 2023, the date the financial statements were available to be issued.

2023 RESOLUTIONS

Resolution 2023-01: “Advocating for the Human Rights of Palestinian Children and Families Living Under Israeli Military Occupation”

General Church Budget Implications: None

East Ohio Conference Implications: Yes

“Advocating for the Human Rights of Palestinian Children and Families Living Under Israeli Military Occupation”

BE IT RESOLVED that the East Ohio Conference of The United Methodist Church:

Joins the United Methodist General Board of Church & Society, as well as numerous other Christian denominations and organizations, in endorsing H.R. 2590, Defending the Human Rights of Palestinian Children and Families Living Under Israeli Military Occupation Act; and

Calls upon all clergy and laity of the Conference to educate themselves about the plight of Palestinian children and families living under Israeli military occupation and the reasons for Christians to oppose U.S. funds being used to detain, torture, and imprison Palestinian children in military detention, to subject Palestinian families to widespread home evictions and demolitions, and to annex Palestinian territory; and

Encourages all clergy and laity of the Conference to write, call, or meet with their legislators in Congress, to urge their Representative to co-sponsor H. R. 2590 and to urge their Senators to introduce, co-sponsor, and support a companion bill to H. R. 2590; and,

Directs the Conference secretary to write to all legislators representing the region of the Conference in the U.S. Congress, informing them that the Conference has endorsed H.R. 2590 and that the Conference urges them to co-sponsor and support H.R. 2590 in the House of Representatives or to introduce, co-sponsor, and support a companion bill in the Senate. A full copy of this resolution should be provided with that correspondence.

RATIONALE:

In April 2021, Rep. Betty McCollum (MN-4) introduced a landmark piece of legislation to the U.S. Congress: H.R. 2590, Defending the Human Rights of Palestinian Children and Families Living Under Israeli Military Occupation Act.¹

The United Methodist General Board of Church & Society has joined over 170 human rights and faith-based organizations in endorsing H.R. 2590. Those endorsements include: The Episcopal Church, The Presbyterian Church (USA), The United Church of Christ, The Evangelical Lutheran Church in America (ELCA), the National Council of Churches USA, Church World Service, Pax Christi USA, American Friends Service Committee (AFSC), United Methodists for Kairos Response (UMKR), Jewish Voice for Peace, American Muslims for Palestine, and IfNotNow.²

This bill “seeks to promote justice, equality and human rights for Palestinian children and families by prohibiting Israeli authorities from using U.S. taxpayer funds to detain and torture Palestinian children, demolish and seize Palestinian homes, and further annex Palestinian Land in the occupied West Bank,” in violation of international law.

Israel is the only country in the world that systematically prosecutes children in military courts. Each year approximately 700 Palestinian children enter the abusive Israeli military detention system; a UNICEF report has described the problem as “widespread, systemic, and institutionalized.” Children as young as 12 have been subjected to arrest and imprisonment. Children are often held and interrogated for hours or days with no attorney and without the presence or knowledge of their parents. A large majority of these children report severe physical and emotional abuse during their detention.³

The United Methodist Book of Discipline in the Social Principles clearly affirms the rights of children: “children have the rights to food, shelter, clothing, health care, and emotional well-being ... In particular, children must be protected from economic, physical, and sexual exploitation and abuse.”⁴

Furthermore, United Methodists have repeatedly adopted resolutions and endorsed measures to protect the rights of Palestinian children, at both the general church and annual conference levels.⁵

The United Methodist Church also has affirmed the United Nations Convention on the Rights of the Child, which says, “No child shall be subjected to torture or other cruel, inhuman or degrading treatment or punishment,” and “the arrest, detention or imprisonment of a child shall be in conformity with the law and shall be used only as a measure of last resort and for the shortest appropriate period of time.”⁶

For decades, Israel has relentlessly perpetrated the seizure and destruction of Palestinian property and the forcible transfer of civilians in the Israeli-controlled Palestinian territories, in violation of international and humanitarian law. In 2021, Israel demolished more than 850 Palestinian homes and other structures in the West Bank including East Jerusalem; over 1,100 Palestinians lost their homes, including more than 400 children. At the beginning of 2022, thousands of Palestinians in East Jerusalem are living under imminent threat of losing their homes to demolition or to expulsion and replacement by settlers.

Israel continues to aggressively expand its illegal settlements in Palestinian territory with thousands of additional living units per year. Since the Israeli military occupation of the West Bank began in 1967, Israel has moved 700,000 or more Israeli citizens illegally into the occupied Palestinian territory.⁷

In 2020, Israel stated its goal to formally and permanently annex to itself large segments of the West Bank to make way for more illegal settlements, in flagrant violation of international law. United Nations High Commissioner for Human Rights, Michelle Bachelet, declared this would not only seriously damage peace efforts, but would have a “disastrous impact on human rights.”

The United Methodist Church has long and adamantly opposed Israel’s colonization and annexation of occupied Palestinian territory, restating that firm position for decades in the resolution “Opposition to Israeli Settlements in Palestinian Land.”⁸

In May 2021, the United Methodist General Board of Church & Society joined over 100 faith and social justice organizations in calling on the Biden Administration to condemn Israeli government plans to forcibly displace Palestinians to further their illegal annexation and ethnic cleansing of occupied East Jerusalem.⁹

2023-03 Resolution: “Supporting the Christmas Covenant”

General Church Budget Implications: None

East Ohio Conference Implications: Yes

Supporting the Christmas Covenant

Whereas: the connectional ties between the church in the United States and the Central Conferences is of sacred worth, and is vital to the ministry and work of the global United Methodist Church; and

Whereas: delegates and leaders from Africa, the Philippines, and Europe worked together towards a response to how we move forward as a global church: and

Whereas: delegates and leaders from Central Conferences rarely submit legislation to General Conference; and

Whereas: the creation of a U.S. Regional Conference and conversion of the Central Conferences to Regional Conferences, as outlined in the Christmas Covenant help to establish structural parity throughout the global church; and

Whereas: the creation of a U.S. Regional Conference, as outlined in the Christmas Covenant will align and establish the governance necessary to allow the church to accommodate ministry across various contexts, and more effectively make disciples of Jesus Christ for the transformation of the world; and

Whereas: the Cavite Annual Conference in the Philippines endorsed and submitted the petition to the General Conference and Annual Conferences in the SEJ and SCJ have affirmed the petition; and

Therefore: we urge the East Ohio Annual Conference to support the Christmas Covenant.

Now, Therefore Be It Resolved: we, the East Ohio Annual Conference of The United Methodist Church support the Christmas Covenant legislation in full, including the creation of a US Regional Conference; and

Be It Further Resolved: that we, the East Ohio Annual Conference of The United Methodist Church, recognize and support the leadership of our Central Conferences in the creation and furtherance of the Christmas Covenant legislation; and

Be It Further Resolved: the Conference secretary shall send copies of this resolution to all delegates to General Conference from the East Ohio Annual Conference, and urge them to support the Christmas Covenant and to make such legislation a priority for the East Ohio AC delegation at General Conference in 2024; and

Be It Further Resolved: the Conference secretary shall send copies of this resolution to the Commission on the General Conference and urge them to take such action as is necessary for the full consideration of legislation related to the Christmas Covenant from the Philippines Cavite Annual Conference by a Committee of the Whole, and the General Conference in 2024.

Resolution 2023-04: "East Ohio United Methodists Against Hate Crimes"**General Church Budget Implications: None****East Ohio Conference Implications: None**

Whereas: the East Ohio Annual Conference has committed itself to create disciples of Jesus Christ who are courageously anti-racist in a hurting and broken world through our conference initiative, EOC Stands Against Racism, and

Whereas: this work of racial justice needs our constant attention due to the prevalence of white supremacy that exists in our churches, communities, and institutions, and

Whereas: since the beginning of this conference-wide initiative, hate crimes have risen dramatically over the past two years, including shootings at stores across the country, targeting of the Black, Hispanic, Indigenous, and Asian communities, shootings of unarmed persons of color, differently abled persons, and children (in or out of school), bombing and desecration of houses of worship and community gathering places, and

Whereas: clergy and laity have a responsibility to resist evil in whatever forms it presents itself, with special attention given to eradicating hate in whatever forms it arises within our community, and

Whereas: Scripture teaches us that God created every human being in God's image and that every person, is a reflection of God's glory (including differences in understanding and expressing faith, in gifts and practices of ministry, and in life experiences, as shaped by ethnicities, cultures, communities, abilities, age, sexual orientation and gender). We affirm our belief in the inestimable worth of each individual to whom God gives unique gifts (UM Social Principles 2020 pg. 6, paraphrased); therefore, hate and racism are incompatible with Christian teaching, are sinful and evil, and deny the image of God in others and oppress those who are the object of God's affections, leading to the violation and denial of human rights, justice, and inherent human sacred worth.

Therefore, be it resolved: that the people of the East Ohio Annual Conference of The United Methodist Church publicly and swiftly condemn acts of hate violence, with special concern given to those in our geographic jurisdiction, so that the world may know that Christ's people are opposed to such violence and so that the victims and their communities may know that we stand with them. We urge that a task force be formed to create a Statement concerning this. That Statement of support would be made available to members of the congregations of East Ohio Conference and their neighbors to sign and

Be it further resolved: that we implore local congregations to study and discuss the problem of hate crimes together as a community; and that with EOC Stands Against Racism coordinating and advisory teams, help provide appropriate study materials, and specifically, once resources are available, the conference help equip clergy and laity to speak directly to the rise of hate crimes in our communities by making said resources available on the conference website, and

Be it further resolved: that we especially encourage District Superintendents to help multiple congregations to come together across differences such as race or ethnicity and undertake this work together.

2023 INFORMATIONAL REPORTS

Conference Board of Trustees 2023 Annual Report

Submitted by Rev. Randall May, Conference Board of Trustees president

According to ¶12512 of *The Book of Discipline of The United Methodist Church 2016*, each annual conference must have a Board of Trustees responsible for receiving, collecting, holding in trust, and administering all of the conference's real and personal property. The Board meets as needed but must meet at least annually. According to ¶12512.6 of *The Book of Discipline of The United Methodist Church 2016*, the Board must make to each session of the Annual Conference a full, true, and faithful report of its doings, of all funds, monies, securities, and property owned or held in trust by it, and of its receipts, acquisitions, expenditures, sales or leasing during the conference year. In accordance with these requirements, receive now the 2023 Annual Report of the Board of Trustees ("Board") of the East Ohio Conference ("Conference") for the conference year beginning July 1, 2022, and ending June 30, 2023 ("Conference Year").

During the Conference Year, the Board met four times for regular quarterly meetings using the Zoom application on the following dates: July 9, 2022, October 15, 2022, February 11, 2023, and May 13, 2023. Also, the Board dealt with several issues requiring Board action between regular quarterly meetings using email and online voting. At the July 9, 2022, meeting of the Trustees, the Board elected the following members as officers: Randall May as president; Ivy Smith as vice president; and Brian Knotts as secretary. Vera Rebrovich, executive director of Financial & Administrative Services for the Conference, serves as the Board's treasurer.

The Board's work is comprised of three principal categories: 1) maintaining and managing Conference properties; 2) acquisition, sale, and leasing of Conference properties; and 3) other tasks associated with Conference property. The following is a summary of work completed by the Board during the current Conference Year.

Maintaining and Managing Conference-Owned Properties

District Parsonages and Episcopal Residence

The Board, in coordination with Conference Executive Director of Financial & Administrative Services Vera Rebrovich, the Conference Council on Finance & Administration, and the Episcopal Residence Committee are responsible for the repair and maintenance of the Conference's district parsonages and episcopal residence. If the maintenance and repair work is minimal in nature, it is handled directly by the district superintendent or the bishop from a budget allocation, while larger maintenance and repair work is handled through Conference Executive Director of Financial & Administrative Services Vera Rebrovich. The district parsonages and episcopal residence are currently in good condition and repair, although various repair and renovation work was completed during the Conference Year. Two district parsonages, which were no longer needed (Firelands and Ohio Valley), were sold as authorized by last year's Annual Conference, the details of which are included later in this report.

Area Center

Renovation and some maintenance projects in the Area Center in North Canton have been deferred in prior years but are now in need of being completed. The Board worked with Conference Executive Director of Financial & Administrative Services Vera Rebrovich and other Conference leaders on maintenance, repair, and renovation work in the Area Center, including new carpeting and flooring, repainting, new appliances in the break room, new decor and interior finish, and conversion of lighting to LED. The total cost for the work on the Area Center that has already been completed is \$75,800. Replacement of 10 aging rooftop HVAC (heating, ventilation, air conditioning) units, which have long exceeded their expected life, will soon be completed at an estimated cost of \$130,000. Additional flooring in the halls and vestibules will also soon be completed at an estimated cost of \$22,000. In May, the parking lot will be repaved at a cost of \$13,500. Finally, the main entrance signage will be replaced for an estimated cost of \$40,000. Some further interior and exterior renovation work is planned for next year, and the Board will also be considering energy-saving and renewable energy improvements that could be implemented at the Area Center. In addition to the renovation and repair work on the Area Center, some legal work is also being carried out. The parcels of land on which the Area Center is located include excess acreage which has not been improved and which is not needed by the Conference. Interest has been expressed by several prospective buyers in the excess property, so the Board has approved the execution of some survey work in anticipation of the possible sale of the excess property, the sale of which the Board hereby seeks authorization for from this Annual Conference.

Other Conference Properties

Epworth Center Roof

This Conference-owned property in Bethesda, Belmont County, Ohio, is leased to the Epworth Center for use as a community-based Christian outreach mission. In 2021, the roof began to leak, and it was determined that a full roof replacement was needed. The roof replacement was completed last July for a total cost of \$21,085. The Conference paid \$20,000, and Epworth paid the balance.

Conference Camps

The Board has continued to review and participate in repairs, maintenance and improvement projects at the various camp properties owned by the Conference. Additional work and costs are anticipated in the coming year.

Acquisition, Sale, and Leasing of Conference Properties

Acquired Properties

The following properties were acquired in title or trust by the Conference during this Conference Year:

- Sandyville UMC (Sandyville, Ohio – TW – church): This church building was acquired and held in trust by the Board of Trustees for the Conference in September of 2022.
- Bray's Chapel (Toronto, Ohio – OV – church): This church building was acquired and held in trust by the Board of Trustees for the Conference in October of 2022.
- Additional Closed Churches: As of the date of this report, the Board is aware of several additional churches which are closing or preparing to close. Other local churches have been discussing their futures but have not yet made any firm decisions.

Sold Properties

The following properties were sold by the Conference during this Conference Year:

- Barton UMC (Bridgeport, Ohio – OV – church): This church was closed in January of 2021, and the building was sold on July 20, 2022, for net proceeds in the amount of \$45,553.50 to a private individual.
- Greater Youngstown Korean UMC (Youngstown, Ohio – MV – church): This church was closed in June of 2021, and the building was sold on July 20, 2022, for net proceeds in the amount of \$91,352.47 to a private individual.
- Bloomingdale UMC (Bloomingdale, Ohio – OV – church): This church was closed in January of 2021, and the building was sold on July 26, 2022, for net proceeds in the amount of \$53,954.65 to Global Ministries Church.
- Lloydsville UMC (Lloydsville, Ohio – OV – church): This church was closed in March of 2022, and the building was sold on August 23, 2022, for net proceeds in the amount of \$108,619.50 to a private individual.
- Firelands District Parsonage (Norwalk, Ohio – FL – parsonage): Because of changes to district superintendents appointed to serve the Firelands District, this district parsonage was no longer needed and was sold on October 31, 2022, for net proceeds in the amount of \$214,529.80 to a private individual.
- Calvary UMC (Green Springs, Ohio – FL – parsonage): This church was closed in June of 2022, and the parsonage was sold on December 1, 2022, for net proceeds in the amount of \$79,419 to a private individual.
- New Life UMC (Canton, Ohio – TW – church and parsonage): This church was closed in June of 2021, and the building and associated parsonage was sold on February 3, 2023, for net proceeds in the amount of \$365,831 to a ministry group.
- Sandyville UMC (Sandyville, Ohio – TW – church): This church was closed in September of 2022, and the building was sold on February 24, 2023, for net proceeds in the amount of \$78,069 to a private individual.
- Ohio Valley District Parsonage (Bloomingdale, Ohio – OV – parsonage): Because of changes to district superintendents appointed to serve the Ohio Valley District, this district parsonage was no longer needed and was sold on March 20, 2023, for net proceeds in the amount of \$332,345.22 to a private individual.
- Lloydsville UMC (Lloydsville, Ohio – OV – parsonage): This church was closed in March of 2022, and this church's parsonage was sold on March 28, 2023, to private individuals for net proceeds in the amount of \$149,183.89.
- Additional District Parsonage Sales and/or Purchases: Finally, with respect to the acquisition and sale of Conference properties, the Board is also seeking authorization from this Annual Conference to sell and/or acquire additional district parsonage properties as needed. With additional changes being made to the superintendency plan by Bishop Malone and the Cabinet during this Conference Year and the coming Conference Year, the Board continues to need the ability to sell unneeded or inconveniently located district parsonage properties, and to acquire new parsonage properties conveniently and centrally located within districts in which superintendents can be housed. Thus, the Board seeks authorization from this Annual Conference to sell and/or acquire additional parsonage properties *ad interim* with the consent of the bishop and majority of the district superintendents, and as approved by the Board, all as provided for in ¶ 2515 of *The Book of Discipline of The United Methodist Church 2016*.

Leasing

- Oil and Gas Leases: The Board is continuing to discuss and consider the Conference's interests in the oil and gas rights associated with several properties owned by the Conference.

Various Other Tasks Associated with Conference Properties

Camping and Retreat Endowment (C.A.R.E.) and Other Camp Assets:

At the end of 2022, the total balance of all C.A.R.E. funds (restricted, unrestricted and C.A.R.E.) was \$2,907,135. There is a loan payable to the Conference for the Aldersgate director's house with a total principal balance as of the end of 2022 of \$25,792. Loan terms are: 15-year term, 2% interest, \$13,165 payment per annum, expected to pay off in 2024.

Trusts

The Board continues to work on resolving several trust issues associated with closed local churches: former Beach City UMC and former Conotton UMC.

Boy Scouts of America (BSA) Bankruptcy

The Board, in coordination with Executive Director of Financial & Administrative Services Vera Rebrovich, the Conference Council on Finance & Administration, and Conference Chancellor Rex Miller, and with the leadership and direction of Bishop Malone, has been participating in a joint legal defense and resolution effort in the Scouting BSA bankruptcy. The BSA bankruptcy plan has provisionally been approved by the bankruptcy court, subject to a few open issues and finalization by the court. Once finally approved, the bankruptcy reorganization plan will require the Conference and local churches with claims against them for paying a designated settlement amount. In addition, all local churches of the Conference will be responsible for reviewing and updating their Safe Sanctuary policies and taking other actions to protect vulnerable individuals.

Detterman Log Church, Historic Lyme Village

The Conference Commission on Archives and History ("Archives") financially contributed to the rescue, relocation and restoration of a historically significant log church formerly located on private land owned by the Detterman family in Seneca County, Ohio. The church was relocated to Historic Lyme Village in Lyme, Ohio, by Historic Lyme Village and was restored by Historic Lyme Village with contributions by various institutions and individuals, including Archives. Archives continued financial support for periodic repair of the Detterman Log Church. The Board is working with Archives and other Conference leaders to clarify legal issues associated with the Detterman Log Church, to determine if any further financial support is warranted or desired, and from where that financial support will come.

Use of Closed Church Sale Proceeds for Clergy Salary Support

Last year at Annual Conference, a resolution was adopted asking the East Ohio Conference Board of Trustees to consider using some of the proceeds generated by the sale of closed church properties to help support local churches in the payment of clergy salaries. The Board is unable to comply with this resolution, as *The Book of Discipline of The United Methodist Church 2016* directs how some sale proceeds must be used. (See ¶2549.7 with respect to local church property in urban centers, for example.) In addition, once the properties are sold, converted into financial proceeds, and deposited into Conference accounts, the Board has very little power with respect to directing or determining how those funds are used or spent. The Board believes that the power to make those kinds of decisions rests primarily with the bishop, the Cabinet, and the Conference Council on Finance & Administration.

Disaffiliation of Local Churches

NOTE: The number of and names of disaffiliating churches are indicated in this section of the report by (TBD) because this publication needed to be printed and mailed before the deadline for churches to complete the steps necessary to be included in the disaffiliation vote at Annual Conference 2023.

At the 2022 Annual Conference, 11 local churches which had completed the disaffiliation process pursuant to ¶2553 *The Book of Discipline of The United Methodist Church 2016* were approved by majority vote of the Conference for disaffiliation. This year, (TBD) local churches have completed the disaffiliation process pursuant to ¶2553 of *The Book of Discipline of The United Methodist Church 2016* by the deadlines set by the bishop and the Cabinet. The Board met in a regular session on Saturday, May 13, 2023, to review these disaffiliation requests, and the status of each requesting local church with respect to their fulfillment of all requirements set forth in ¶2553 of *The Book of Discipline of The United Methodist Church 2016*. At that meeting, the Board found that (TBD) local churches had entered into a written disaffiliation agreement with the Conference on its standard form, made all required payments, and complied with all other conditions precedent as set forth in ¶2553 of *The Book of Discipline of The United Methodist Church 2016* and in the church's disaffiliation agreement, and hereby submits these (TBD) churches to the 2023 Annual Conference for consideration for disaffiliation. These (TBD) churches are: (TBD).

According to Judicial Council Decision 1379, and ¶2529.1b(3) of *The Book of Discipline of The United Methodist Church 2016*, these disaffiliation agreements must be ratified by a simple majority of the members present and voting at a duly called session of the Annual Conference. If the (TBD) local churches listed above are approved for disaffiliation by majority vote of this Annual Conference, the churches will be disaffiliated from the East Ohio Annual Conference and The United Methodist Church effective at 12:00 a.m., on July 1, 2023.

The Board has been extremely busy during this Conference Year, so I would like to thank all the members of the Board and Executive Director of Financial & Administrative Services Vera Rebrovich, for their time and commitment during this challenging season. During the Conference Year, the Board continued to meet, communicate, and complete all the work for which the Board is responsible effectively, promptly, legally, and carefully. This concludes the 2023 annual report of the Board of Trustees of the East Ohio Conference.

Commission on Archives and History Report to Annual Conference 2023

Submitted by Meg Sondey, Commission on Archives and History chair

The Commission on Archives and History works to preserve the records of the annual conference and provides oversight of the Archives of Ohio United Methodism (AOUM) at Ohio Wesleyan University through the Joint Archives Committee (JAC). The Commission's association with the United Methodist Historical Society of Ohio (UMHSO) provides local church historians with resources as well as an annual in-person convocation. UMHSO also provides congregations celebrating milestone anniversaries with certificates upon submission of a request and updated history.

The current Commission consists of the chair, a representative from each district, two at-large representatives, the Conference historian, the archivist, an ex-officio representative from historic Lyme Village, the location of a United Methodist heritage landmark, and the bishop or the executive assistant to the bishop.

Currently serving in those roles are Meg Sondey, chair; Rev. Ed Peterson, executive assistant to the bishop; Deb Saito, Canal; Pat Hogue, Firelands; James Macdonald, Mid-Ohio; Sandra Beard, North Coast; Mollie Gerlach, Southern Hills; John Parr, Three Rivers; Kathy Fuller, Western Reserve; Kerry King and Mary Ann Stotts, at-large; Sharon Monigold, archivist; Rev. Donald Trigg, Conference historian; and Stephen Rucker, ex-officio representative from historic Lyme Village. The Commission currently is without representatives from Ohio Valley, Mahoning Valley and Tuscarawas districts.

The past year saw the re-establishment of the relationship and communication with historic Lyme Village, the location of the Dettman Log Church, part of the Bishop John Seybert/Flat Rock Cluster, a United Methodist heritage landmark. The Commission has expressed a need and desire to investigate the status and condition of United Methodist historic sites in the East Ohio Annual Conference. A plan to do this is in development.

The 2022 183rd UMHSO Convocation and Business Meeting was held at Powell UMC October 14-15. The 2023 184th UMHSO Convocation and Business Meeting is planned for October 13-14 at John Stewart UMC in Upper Sandusky, Ohio.

As a JAC participant, the Commission continues to work to address rapidly developing space issues at AOUM at Ohio Wesleyan because of the large influx of records from recently closed churches. Archivist Sharon Monigold has undertaken a detailed space study and JAC is continuing conversations to determine how and where additional appropriate space may be found as well as what potential editing of current holdings might be undertaken. Some unprocessed records have been taken to the Methodist Theological School in Ohio (MTSO) to store until space and processing time are available.

Lists of local church historians in the various East Ohio Conference districts have been provided to the Commission members representing those districts so that they may both provide information to them and communicate their needs to the Commission as a whole. Commission members have noted that the lists are incomplete, and the Commission encourages all congregations to report their local church historians so that important information can continue to be shared with them.

The Commission continues to encourage local church historians and others interested in Methodist history to participate in the Local Church Historians School through the General Commission on Archives and History (GCAH). The next class will begin in September 2023.

The Commission members have continued to work remotely and meet virtually throughout the past year. As always, the Commission remains dedicated to preserving the history of the East Ohio Annual Conference so that through those faith stories we can "make disciples of Jesus Christ for the transformation of the world."

Board of Congregational Development Report to Annual Conference 2023

Submitted by Rev. Beth Ortiz, Connectional Ministries office Strategic Ministries director

The purpose of the Board of Congregational Development is to creatively increase congregational vitality in East Ohio so that we make disciples of Jesus Christ for the transformation of the world. Our vision is to inspire, equip, and empower local church leadership to risk bold and innovative ministry. The core values of the Board of Congregational Development are leadership training, financial resourcing, congregational networking, and promoting new work.

The Board's main function is governance and responsibilities including creating an overall strategy for strengthening the ministry of the local church in meeting the needs of communities or regions and to maintain financial oversight and accountability for the achievement of the Board's objectives. In 2022, we continued living into this continuing to seek to provide coaching, consultants, trainings, and more all to support local churches and charges as they seek to live out God's vision for their community. Some of the ways we have served the Conference over the last year include:

- The creation of microgrants and the awarding of \$10,000 to local churches/charges trying new ministries to reach those not already in their faith communities.
- Cohorts to allow clergy to experiment in newer small group ministries with a peer group such as Pub Theology and D&D&D.
- Simplified Accountable Structure (SAS) workshops, cohorts, and coaching.
- Trainings and cohorts specifically for cooperative parishes and/or smaller congregations.
- Maintaining and developing online curriculum for Portico, the Conference's online learning platform.
- Providing unique cohorts throughout the year for specific circumstances.

Board members also help provide accountability to churches receiving funds, such as grants from the Trinity Fund, for new ministries. These are often multi-year commitments to help new ministries develop and thrive.

In the coming year, we look forward to continuing to explore new ways to support churches and clergy as they seek to faithfully serve God.

Board of Multicultural Ministries Report to Annual Conference 2023

Submitted by Will Fenton-Jones, Connectional Ministries office Multicultural Ministries director

The Board of Multicultural Ministries provides a space for the intersectional work of the Commission on Religion and Race (CORR), Church & Society, Native American Awareness, Office of Christian Unity and Interreligious Relationships (OCUIR), and Ethnic Local Church Concerns. These functional areas are represented in a way that searches for common points of intersection to allow us to creatively undertake justice work with the churches and people of the East Ohio Conference.

Racial Justice

Our commitment to anti-racism is an ongoing focus as we continue to resource churches with All in God's Image educational guides such as *"Hosting Angels in our Midst: An Introduction to Refugees and Global Migrants for All Ages"* which highlighted the stories and experience of refugees and migrants who live in our communities. Events such as *Perspectives: Black Theologian Day*, where participants heard the story of Betty Kilby Baldwin and Phoebe Kilby, authors of the book, *Cousins: Connected through Slavery, A Black Woman and a White Woman Discover their Past – and Each Other*, continue to inform and educate our East Ohio Conference. The Bishops' Retreat with Black Clergy remains a sought-after source of inspiration and renewal. This past year focused on Resilient Leadership. We continue to fund scholarships for minority students and provide grants for church ministry and clergy of Color and the Board supported clergy and laity to attend and participate in the national annual meeting of Black Methodists for Church Renewal. The Conference also continued its anti-racism work by creating a team that has centered its work around education, repairing, and relationships. The team continues to discern and create a path forward for anti-racism work.

Advocacy and Ecumenism

Communal acts of mercy – seeking justice – is discipleship in action. We are a witness to the world when we advocate for marginalized groups, historically oppressed groups, and those who have little. The Ohio Council of Churches and Hunger Network in Ohio continue to be avenues for our voice to be present in the Ohio state legislature.

Our witness to the world is also to live into Jesus' prayer that we may be one. We have continued to be in partnership with our ecumenical allies to bring training and studies to United Methodist Church congregations. In April 2023, *Perspectives: Caring for God's Creation* educated and inspired participants to put their faith in action to address climate change. The Conference also participated in Ecumenical Advocacy days at the Ohio Statehouse, meeting with state legislators and senators on issues such as hunger, the death penalty, and criminal justice reform.

The Multicultural Ministries team continues to become a more adaptive and responsive team as it tackles complicated issues and problems on behalf of the Conference.

Board of Camps & Retreat Ministries Report to Annual Conference 2023

Submitted by Rev. Gary Jones, Connectional Ministries office Camps & Retreat Ministries director, and Rev. Beth Wilterdink, Board of Camps & Retreat Ministries chair

The Board of Camps & Retreat Ministries (BCRM) has been busy with work and planning not only for this summer's camp programs, but we've been focusing on the future. We believe, and hope you agree that children, youth, and adults have their lives transformed by God through camping ministry. Your camps are a vital resource, but we need you to partner with us. You can help create a future for camp. Put it on your church calendar each year in February or March to talk about camp in your church, then invite children from your neighborhood and community, and even go with your children and youth to camp to discover what Jesus is up to. It is not too late to sign up for camp!

We've known for some time that the need for camping ministry is shifting and changing. The BCRM shifted to a governance model several years ago, meaning that we set the policies for our camps, but allow our directors and staff to live it out. During the pandemic, the Board visited all three site camps and assessed critical needs – meaning that our site would not be able to function or run without these capital improvements and fixes. Our site camps of Asbury, Aldersgate, and Wanake have all been doing well to stretch their budgets.

Starting in the fall of 2022, Rev. Gary Jones applied for a grant from United Methodist Camp & Retreat Ministries Association to have a consultant work with us on how we can look to the future. Between November and April, the board met with Jody Oates from Kaleidoscope to assess where we are and what we need to do to be a vital ministry for making disciples in the future.

With the varieties of programming and sites' use, our facilities require continual upkeep for our guests and staff. The actual cost of keeping up our camps is higher than the market will allow for the cost to campers and retreat groups. Our camps depend on the combination of usage fees, Block Grant funding, Connectional Ministries administrative funds to cover salary and benefits for the Camps Conference office staff, Board administrative funds that cover marketing and administrative costs, Advanced Special funds for camperships, Foundation funds set up to provide campership funds, the C.A.R.E. (Camp & Retreat Endowment) fund that supplies capital monies and camperships, and gifts from alumni and friends from our development efforts at each site. Please consider making a special gift to one of our camp ministries. Together, these sources make it possible for us to operate Camps & Retreat Ministries.

Offering hospitality, recruiting excellent summer staff, sharing stories of disciples being made and matured, keeping up aging facilities, and so much more is an amazingly challenging job, and site directors Dan Bajc, Sammi Riggs, and Julie Lutt, and Camps & Retreat Ministries Director Rev. Gary Jones, work tirelessly to make this ministry possible. Our Board wants to express its appreciation for their partnership in the mission of our East Ohio Conference and say "thank you" for all of their hard work and the lives they are changing for Christ!

We look forward to seeing you, and your friends at camp this summer!

Board of Missions & Community Engagement Report to Annual Conference 2023

Submitted by Rev. Kathy Dickriede, Connectional Ministries office Missions & Community Engagement director and United Methodist Volunteers in Mission (UMVIM) coordinator

We have been actively working on building resources for community engagement in our East Ohio Conference United Methodist churches; looking to build partnerships and relationships that can lead to advocacy and transformation in community for justice, civic engagement, and community development.

As we look to the 2023-2024 conference year, we look to local churches to inspire and inform us on what is already happening as well as turning to mission partners and EOC Advances to teach and lead us in best practices for community engagement. Mission sites like OPEN M, Urban Mission in Steubenville, South Street Ministries in Akron, Canton for All People, and others are leading the way in this work. We will be resourcing these agencies to equip clergy and laity for this work. We will continue to build upon events like Mondays in Mission during Lent, Bridges Out of Poverty cohorts, UMVIM team leader trainings, webinars about grant writing, best practices, board development, and increasing social media posts to tell about the ministry that is transforming the world to reach new, young and more diverse people.

People in the EOC have been trained and commissioned as EarthKeepers, a creation care movement of Global Ministries and as advocates through the call of United Women in Faith for the lay order of home missioner and deaconess. Long-term recovery UMWIM journeys are happening in Puerto Rico and Lake Charles, Louisiana. East Ohio is responding, and mission opportunities are available. International mission partnerships have resumed in Liberia, Haiti, Guatemala, and Zimbabwe. Let us know what mission journey you are doing, what you are planning, or a place with which you would like help building a UMC relationship or partnership in the future!

We look forward to learning more about the Neighboring Movement, answering the need to partner with people in the justice system, advocating for accessible buildings for all people, becoming an anti-racist Conference through our mission movement, and discovering resilience in our leadership.

Global Ministries Report to Annual Conference 2023

Submitted by Kate Colbow, Conference secretary to Global Ministries

In 2022, churches in East Ohio reached out in love to people in need around the world through generous giving to United Methodist Committee on Relief (UMCOR) Disaster Response. These gifts helped alleviate suffering due to natural disasters and human conflict, advancing hope and healing after a crisis. Gifts to UMCOR special focus projects helped provide clean water, sanitation, health care, food, and material resources to people in need.

East Ohio Conference churches supported 36 different Global Ministries Advance projects, including Love Beyond Borders, Heifer International, Red Bird Mission, McCurdy Ministries Community Center, and many others. Our churches also supported 16 Global Ministries missionaries serving around the world. We need more churches to form a covenant relationship with a missionary. To learn more, visit <https://umcmmission.org/covenantrelationships>.

The General Board of Global Ministries commissioned 29 EarthKeepers in 2022, including three from East Ohio. EarthKeepers receive training from Global Ministries that equips them to launch and grow projects in their local communities that care for God's creation. EarthKeepers is open to active United Methodists 13-years of age and older. The next training session will be in the fall of 2023.

Health & Well-Being Committee Report to Annual Conference 2023

Submitted by Pastor Georgette Gaston, Health & Well-Being Committee chair

The Health & Well-Being (H&W) Committee has been working and growing under its new name for more than a year. Our work continues to be advocating the physical, spiritual, and emotional well-being of our East Ohio Conference agency partners as well as building connections in ministry, resourcing, and networking. Our goal is to better equip one another and local congregations to be in hands-on ministry with other agencies, community organizations and communities for the good of all.

- The current Conference Health & Well-Being agencies are:
- Canton For All People, Fund 9978
- Copeland Oaks, Fund 9172
- Epworth Center Work Mission, Fund 9140
- Flat Rock Home & Care Center, Fund 9174
- Heart 4 the City, Fund 9941
- Nehemiah Mission of Cleveland, Fund 9136
- OhioGuidestone, Fund 9173
- Urban Mission Ministries in Steubenville, Fund 9107
- West Side Community House, Fund 9933

This year we have responded to requests for information on cleaner air in buildings and how we can help resource one another with information on grants. One example was obtaining assistance for life saving medical equipment in our districts and local congregations. This has been an ongoing process in which we're making progress. This summer we're also planning a Zoom workshop on grant writing open to our agencies and congregations with an in-person workshop planned for the fall.

Asking our H&W agencies to complete a Covenant Statement is one more way we can walk alongside one another; increasing fruitfulness, accountability, and opportunities for us all to grow our connections as we seek to make and mature disciples of Jesus Christ for the transformation of the world.

The Committee also encourages churches to participate in Golden Cross Sunday on any Sunday of the year to raise awareness of the great work of our H&W agencies. Any offerings to Golden Cross Sunday (Fund 9208) are split evenly between our historical H&W agencies Copeland Oaks, Flat Rock Home & Care Center, and OhioGuidestone.

DisAbilities Awareness Team Report to Annual Conference 2023

Submitted by Karen Kilgo, DisAbilities Awareness team leader

The Ohio Disability and Ministry Collaborative (ODMC) includes members of the East Ohio Conference DisAbilities Awareness team meeting together with the team of the West Ohio Conference. This combined group was formed in 2021 by Rev. Zach Holler of the West Ohio Conference. Working together, team members provide resources for United Methodist churches across the state of Ohio. An ODMC speaker's bureau provides pulpit supply for both conferences and disability awareness presentations/workshops. Speakers include Deaconess Sherri Buehl and Rose Darling, who are each Church & Community Engagement coordinators at Flat Rock Homes, and also can provide Flat Rock-oriented pulpit supply, seminars, workshops, music supply, dramatic presentations, and United Women in Faith speakers. East Ohio Conference churches may contact sbuehl@flatrockhomes.org or rdarling@flatrockhomes.org to request a speaker.

The ODMC's bi-monthly newsletter is written and distributed to East Ohio and West Ohio Conference churches encouraging disabilities awareness, inclusion, and accessibility activities including DisAbilities Awareness Sunday programs; grants and equipment resources; and facilitating accessibility audits. Resources are provided to churches to assist their inclusion/accessibility efforts. The newsletter tells the stories of churches that have successfully implemented inclusion/accessibility activities and equipment to inspire other churches. Flat Rock Homes' stories are also included. Churches may access the newsletter by visiting www.eocumc.com/disabilities and clicking on Ohio Disabilities and Ministries Collaborative Newsletter in the right sidebar or by visiting www.flatrockhomes.org/faith-connections-newsletter.

ODMC hosted Accessibility Badge Program part 1 training for the ODMC team in August 2022 and will offer part 2 in 2023. This program helps churches assess facility accessibility and allows church visitors to know its ranking (bronze, silver, or goal). The annual Accessibility Audit, as required in *The Book of Discipline of The United Methodist Church*, is step one of the badge program. Churches may share their badges via newspapers, press releases, social media, and other outlets. During Flat Rock's visits to churches, congregations are made aware of the badge program and encouraged to apply. Eventually, ODMC plans church training for those interested. For more information on the badge program, churches may contact rdarling@flatrockhomes.org.

Church and Community Engagement:

Flat Rock Homes created the Church and Community Engagement function to engage congregations with individuals with disabilities served by Flat Rock. At Flat Rock, we believe connecting congregations to missions helps churches make disciples of Jesus Christ for the transformation of the world. Through engagement, disciples learn how to care for "the least of these" (Matthew 25:31-46) – those with intellectual, developmental, and/or physical disabilities who may also be an under-resourced within communities. Disciples learn how to improve health, advocate, address systemic and justice issues, and understand others who have different experiences because of their disabilities. Flat Rock encourages EOC Health & Well-Being ministries to engage with congregations, not only to provide vital financial support, but also to invite them into God's transformational mission work. Through the DisAbilities Awareness team, Flat Rock staff teaches/shares information and lessons learned in engaging churches and community groups.

Resources for Churches:

The DisAbilities Awareness team offers a variety of resources to churches to support their efforts to include individuals with disabilities in the life of the church. A grant resource list is available by contacting Karen L. Kilgo, DisAbilities Awareness team leader and Flat Rock's President/CEO, at kkilgo@flatrockhomes.org. In 2023, the DisAbilities Awareness team together with the Health & Well-Being Committee will offer workshops for churches that will include training on grant writing, advocacy, and other topics important to churches and individuals with disabilities.

Disaster Response Committee Report to Annual Conference 2023

Submitted by Tom King, Disaster Response Committee chair

The purpose of the Disaster Response Committee is to invite, encourage, train, and support church member volunteers to prepare for and respond to disasters within the East Ohio Conference (EOC) and, upon invitation, to respond beyond the annual conference ministry area. Disasters we are prepared to mitigate and to respond to are incidents which result in the evacuation of multiple households, the loss of many lives and/or substantial damage to multiple homes. We assist survivors as they move through phases of rescue, relief, and recovery. We have district coordinators available to assist in each East Ohio Conference district and three trailers stocked to accompany disaster response teams with tools, and cleaning and rebuilding supplies.

In the past year we:

- led Early Response Team (ERT) training and recertification in October and had volunteers also take part in training by the West Ohio Conference. Fourteen volunteers were initially trained or recertified. Over 40 EOC volunteers are certified as ERT members and are badged as recognized by the Federal Emergency Management Agency (FEMA).
- led Emotional and Spiritual Care training for disaster response with 14 participants.
- completed training to add three additional certified trainers to instruct additional ERT volunteers.
- traveled as a team of five volunteers to Dawson Springs, a flooded area of eastern Kentucky, to survey and assess damaged homes in August 2022. In October, 10 volunteers travelled there to provide recovery assistance to flooded homes. In March 2023, a team of approximately 20 were scheduled to continue recovery assistance.
- traveled as a team of eight volunteers to Detroit, Michigan in October 2022 to reclaim basements from 2021 storm sewer backups.
- went door-to-door in East Palestine this spring to check on the welfare of residents in the aftermath of evacuation and toxic fumes following the February 3 train derailment.
- conducted a tabletop exercise on response steps to a hypothetical flooding disaster.
- conducted two rounds of collections of flood cleanup buckets and hygiene kits stockpiled for future response.

Mission Awareness Committee Report to Annual Conference 2023

Submitted by Rev. Kathy Dickriede, Director of Missions and Community Engagement

During 2023 the Mission Awareness committee members had a focus on engaging local churches with the Advance Specials and other local ministries. Team members are encouraged to find ways to connect churches with missions in the local area. The mission agencies need the church and the church needs the mission agencies to teach us how to be God's agents of transformation in our communities. Disciples need to get out of the holy huddle and into the world to bring the Kingdom of God to the here and now.

Based on the 2022 end of year report, our total giving to Advances is down from 2021.

- 2022: \$127,033
- 2021: \$177,202
- 2020: \$99,503

We are pleased to announce three new Advances:

- Brookdale Orchard, Cleveland | EOC 9983
- The Vine Food Pantry, Alliance | EOC 9981
- Trials for Hope, Cleveland | EOC 9982

There are two discontinued Advances:

- Otterbein Marblehead Senior Living (did not apply for renewal)
- Partners in Mission (Board of Missions voted to close, will use East Ohio Volunteers in Mission Leadership Development, EOC 9046)

The Advance for Christ is an official program within The United Methodist Church through which donors may designate giving to specific projects and purposes. Advance giving goes the "second mile" in generosity. It is in addition to our covenant promise to support The United Methodist Church through shared ministry funds (budgeted apportionments). The Advance designates 100% of your do-

nation to the specific project indicated in your gift. This is possible because apportionments pay for the communication and financial networks that administer the Advance. Other charities must deduct administrative fees to process similar donations. Donations may be directed to your local church using the advance number or may be made online at <https://www.ecumc.com/donate/index.html>.

Advance projects are partners in mission helping us extend the love of Christ into local communities. Advances have been vetted as working in good financial practices and committed to the mission of the UMC in East Ohio. The Advances work ecumenically and are always looking for partners who are praying, volunteering, and donating financially. Through volunteering with and learning about these projects, we find the presence of Christ in ways and in areas beyond that which we experience as individual churches. The Board of Missions has reviewed and recommended the Advances listed as Health & Well-Being Agencies.

A General Advance Project directs funds to a mission partner or purpose that has been reviewed and approved by the Advance Committee of the General Board of Global Ministries. This can include General Advance Projects in Ohio as well as those around the world. Please pray for the people and communities these serve. Volunteer and build relationships with these partners. These connections have much to teach us about being “the body of Christ redeemed by His blood.”

Recommendation #1: that the following be adopted and promoted as Conference Advance projects for support by the East Ohio United Methodist churches (NOTE: Grouped by ministry or mission type).

Board of Higher Education and Christian Collegiate Ministries Report to Annual Conference 2023

Submitted by Rev. David E. MacDonald, Board of Higher Education and Christian Collegiate Ministries chair

Over the past year, the East Ohio Board of Higher Education and Christian Collegiate Ministries (BHECCM) has continued to partner with campus ministries across the Conference in bringing the good news of Jesus Christ to college and university students. BHECCM financially partnered with the following ministries in 2022:

- Avon UMC (Lorain Community College)
- Protestant Campus Ministries at Youngstown State University
- Interfaith Campus Ministry at Kent Stark and Stark State Universities
- Interfaith Campus Ministry at Central State University
- United Christian Ministries at Kent State University

- United Campus Ministry at Ohio University
- United Protestant Campus Ministries in Cleveland
- Berea UMC (Baldwin Wallace University)

In addition, the BHECCM awarded \$45,000 in scholarships through the East Ohio Merit, CCYM, and Martin Luther King, Jr. scholarship programs. For a second year, we partnered with the General Board of Higher Education and Ministry (GBHEM) to administer the scholarship process. For a 4% fee of what we give out in scholarships, GBHEM takes care of the application process for our scholarships, from the application itself to collecting reference letters, essays, and transcripts from student applicants. GBHEM also hosted an information night for students and parents to help them navigate the application system, which was met with very positive reviews from those who participated.

In all, GBHEM awarded \$47,800 in scholarships to East Ohio students in 2022. We look forward to continuing to help families and students make education affordable in the coming year.

In the past year, BHECCM also hosted two gatherings of the United Methodist chaplains in Ohio. Chaplains from Baldwin Wallace, Heidelberg, Mount Union, Ohio Northern, Ohio Wesleyan, and Otterbein gathered on two occasions in Mansfield for a day apart spent in fellowship and sharing of resources for collegiate chaplaincy. (Note: the chaplain from Heidelberg is part of this group because he is an ordained Elder in the West Ohio conference). A similar gathering for campus ministers from East Ohio Conference-funded ministries is planned to take place in the spring.

The connection between higher education and the East Ohio Conference remains strong, and we pray that it will continue to grow from strength to strength!

Committee on Lay Servant Ministries Report to Annual Conference 2023

Submitted by Mandy Armstrong, Lay Servant Ministries director

The Conference Committee on Lay Servant Ministries (LSM) finds itself in time of transition. Several of our members have stepped down as Lay Servant directors in their respective districts to pursue God's calling in their lives on other paths. We'd like to thank these members for their service to both their district Lay Servant Committee as well as the Conference Lay Servant Committee.

As we say good-bye and extend our gratitude for their shared wisdom and work done for our Conference lay servants, we also say welcome to some new faces. With these new district directors, the Committee has spent time focusing on answering questions and ensuring we are all "on the same page" with requirements based on *The Book of Discipline of The United Methodist Church*.

As a result of some questions being raised concerning some of the differences between certified lay servants and certified lay speakers, there was much discussion around the requirements of each. In ¶ 267.2 of *The Book of Discipline of The United Methodist Church 2016* it states, "The certified lay speaker serves by preaching the Word when requested by the pastor, district superintendent, or committee on Lay Servant Ministries, in accordance and compliance with ¶ 341.1." As a result, it was determined that it would be beneficial when someone indicates through the annual report that he/she would like to become a certified lay speaker the question be asked at the required interview whether or whether not the applicant would be willing to fill in at the pulpit to help ensure the applicant is aware of the expectation.

We continue with discussion to ensure all portions of the annual report are completed, especially the section pertaining to developing and building on one's personal spiritual life to ensure lay servants continue in the learning process on their own and with their church family and are not just relying on the trainings offered by the districts. The Committee also determined that annual reports should include information from church/charge conference from the previous year to church/charge conference of the current year.

Districts are transitioning back to in-person trainings while offering online options as well. While several are facing lower registration at Basic and Advanced course trainings, they are not giving up. Some districts are surveying current lay servants to see what kind of trainings people would be interested in taking.

Suzette Tidrick, associate director of Lay Servant Ministries and coordinator of Certified Lay Ministries added three new certified lay ministers to her list last year. The following people are current certified lay ministers in East Ohio: George W. Clark - Southern Hills; Edward D. Fair - North Coast; Mell Felder - Mid-Ohio; Lynn Gorton - North Coast; Jackie Lewis - Three Rivers; Cathy McIlvaine - West-

ern Reserve; Rose McMichael - North Coast; Jim Mizner - Western Reserve; Dr. Linda Morrow - Southern Hills; Dr. Liz Piatt - Canal; Dr. Joshua Reichard - Mahoning Valley; Suzette Tidrick - Southern Hills.

Currently, there are three new certified lay minister trainees involved in training with one being a transfer. A task force was established this year to provide continuity for when Suzette and instructor Linda Morrow step down in June.

With the unfortunate downward slide in the number of certified lay servants and speakers, the Committee on Lay Servant Ministries and its district directors continue to diligently work towards new and innovative ways to meet current and upcoming lay servants where they are and at the same time provide ways to bring them together.

Methodist Foundation of Ohio

Submitted by Pastor Brian Sheetz, Methodist Foundation of Ohio executive director

This past year has been “back to business” for The Methodist Foundation of Ohio.

For the first time in three years, we hosted our in-person young clergy retreat at Salt Fork Lodge the week after Easter. The Clergy Financial Well-Being Initiative is funded by the Lilly Fund and administered by Wespath Benefits and Investments. This initiative provided an EY clergy financial educator to help our young clergy understand the issues surrounding their long-term finances and help them make the kind of early-career decisions that over time can significantly affect their life-long finances. They were also able to worship with Bishop Tracy S. Malone and enjoy a time of fellowship and co-learning from each other.

In October we continued our Foundation Travel program, taking 40 individuals from East Ohio to tour the churches of Revelation with visits to sites such as Corinth, Thessalonica and Philippi in Turkey and Greece. Clergy under age 40 and any clergy ordained in the last three years paid just \$500 with the rest of the cost being subsidized by the Foundation. In January 2023 we again took a similar group to the Holy Land to see Bethlehem, Jerusalem, Caesarea Maritime, and the area around the Sea of Galilee. These experiences will, we believe, significantly help participants understand the New Testament and make them more effective teachers and preachers. Our total budget for this effort is \$120,000, by far the largest project we have undertaken.

This has also been a year for us to encourage local churches to get back to business. We, and Foundations across the country, have seen very few consultations around areas such as endowments and planned giving. There have been years where long-term planning was difficult. But the time has come for us all to get back to this important work to support the future for our churches and denomination.

Africa University Report to Annual Conference 2023

Submitted by James H. Salley, president and chief executive officer, Africa University (Tennessee) Inc. & associate vice chancellor for Institutional Advancement

United Methodists worldwide celebrated an ‘Ebenezer’ moment in the ministry of Africa University in 2022, marking 30 years of faithfulness, generosity, growth, and impact within and beyond The United Methodist Church.

God’s presence in the life of Africa University is evident, thanks to the prayers and generous support of the East Ohio Conference. Thank you, Bishop Tracy S. Malone, Conference leaders, and member congregations for your hope-filled, transformative witness to the goodness of God. The East Ohio Conference invested 100% of its share of general church giving to support the day-to-day operations of Africa University and responded to student quality of life concerns with the gift of a new residence hall for female students. Thank you, East Ohio United Methodists, for being attentive to the needs of Africa University’s ministry and giving sacrificially to ensure its continuing vitality.

Supported by strong missional engagement by East Ohio United Methodists and church members across the denomination, Africa University embraced new opportunities as it emerged from pandemic-related restrictions in 2022.

- **Enrollment:** Africa University achieved a total enrollment at 2,791 students in August 2022. Female students comprised 58 percent of the student population and 23 African nations were represented.
- **Academic Growth:** Africa University launched its first new academic unit in almost 20 years – The School of Law – with a pioneer cohort of 20 students pursuing the Bachelor of Laws (Honors) (LL.B.) degree program. The institution is launching five new undergraduate and graduate programs approved by the Zimbabwe Council for Higher Education (ZIMCHE), the national accreditation and quality assurance agency.
- **Infrastructure expansion:** The new residence hall for female students at Africa University is under construction, funded by the East Ohio Conference’s \$1.5 million Teach • Reach • Bless campaign. Once completed, the building will boost the available on campus housing for students to around 1,200 beds.
- **Outcomes:** 712 graduates from 18 African countries became Africa University alumni in June 2022. The university’s almost 11,000 graduates to-date are making vital contributions as clergy, educators, agriculturalists, health professionals, entrepreneurs, and innovators. Faculty and student research efforts to address endemic challenges such as malaria and tuberculosis, food insecurity, and climate change are gaining continental attention and significant international funding.

Africa University's year-long 30th anniversary program culminated in October 2022 with a gathering of more than 3,000 people at its main campus in Mutare, Zimbabwe. Amidst the commemoration and joyful thanksgiving livestreamed to the world, the Rev. Dr. Peter Mageto was formally installed as the fifth vice chancellor (president) of the institution.

Mageto, a Kenyan and academician specializing in theological ethics, echoed the gratitude of the students, faculty, staff, trustees, and alumni of Africa University for the incalculable sum of answered prayers that are the Africa University story. His inaugural address highlighted the optimism and commitment to purpose that are the foundation of the university's unfolding vision.

"Today, Africa University turns thirty. The number 30 is a blessed figure. Thirty was the age of our Lord Jesus Christ when he commenced his ministry here on earth. It gives us great faith to be walking resolutely towards the fourth decade," Mageto said.

Thank you, East Ohio Conference, for equipping change leaders and building an enduring legacy through the ministry of Africa University. Let us continue to journey together – learning, leading, and serving God, all the time, everywhere.

Candler School of Theology Report to Annual Conference 2023

*Submitted by Jan Love, Mary Lee Hardin Willard dean and professor of Christianity and World Politics
Candler School of Theology, Emory University*

Since 1914, **Candler School of Theology at Emory University** has educated faithful and creative leaders for the church's ministries throughout the world. An official seminary of The United Methodist Church, Candler holds true to the Methodist value of ecumenical openness, enthusiastically welcoming students from more than 42 denominations, with nearly half of Master of Divinity students coming from the Wesleyan tradition, including United Methodist, African Methodist Episcopal, African Methodist Episcopal Zion, Christian Methodist Episcopal, Wesleyan, Free Methodist, Church of the Nazarene, and others. Our student body reflects the diversity and breadth of the Christian faithful, with an enrollment of 417 from 16 countries and 33 states, and 43% persons of color. This diversity is a blessing, enriching our life together and providing a "learning laboratory" for ministry in the 21st century – ministry that cultivates community across difference, welcomes all to contribute and belong, and embodies Christ's love in and among us.

Candler offers six single degrees and ten dual degrees, most of which are available in hybrid or online formats so students can remain rooted in their home communities as they pursue their degrees. Our new hybrid Master of Divinity blending online classes and in-person intensives launches in Fall 2023, and our successful Doctor of Ministry – with its high 87% completion rate – is 90% online. Hybrid and online options are also available in the Master of Religious Leadership and the Master of Religion and Public Life programs. Plus, Candler's Teaching Parish program allows student pastors to earn contextual education credit as they serve their churches. We are excited that these flexible learning formats make a first-rate Candler education possible for even more people who are called to ministry.

Alleviating student debt through generous financial aid is a top priority for Candler. In 2021-2022, we awarded \$7.3 million in scholarship support, with 100% of MDiv students receiving aid. All MDiv students who are certified candidates for ordained ministry in the UMC receive full-tuition scholarships, and all MDiv, MTS, MRL, and ThM students receive a scholarship covering at least 50% of tuition. MDiv students also complete a financial literacy program to strengthen their financial and budgeting skills and reduce debt.

Candler was recently honored as one of 16 theological schools to receive a "Pathways to Tomorrow" grant from Lilly Endowment Inc. The \$5 million grant will support Candler in establishing a set of initiatives to create an interconnected continuum of offerings for the education of pastoral leaders. This will position Candler as a hub of theological learning with multiple entry points, including The Candler Foundry, our innovative program to make theological education accessible to the public, the United Methodist Course of Study, undergraduate classes, and a new venture, La Mesa Academy for Theological Studies. Set to launch in Fall 2023, La Mesa Academy will offer diplomas in pastoral leadership via a two-year hybrid program with courses in Spanish and English. An optional third year of study will be offered to those aspiring to continue to a graduate professional degree at Candler.

This year, we welcomed the Rev. Dr. Brett Opalinski as assistant dean of Methodist Studies, a position made available by the retirement of the Rev. Dr. Anne Burkholder. Brett is an Elder in full connection in the Florida Annual Conference and most recently served for nine years as senior pastor of Christ Church United Methodist in Ft. Lauderdale. In addition to other pastoral appointments, he has held a variety of leadership roles in the Florida Conference, including chair of the Board of Ordained Ministry. He is deeply committed to working with students in discerning their call, spiritual formation, and guiding them through the commissioning and ordination process.

Candler's ability to fulfill our mission to provide the church with the faithful and creative leaders it needs depends upon your prayers, partnership, and support. Thank you for the countless ways you advance this essential ministry in the life of our denomination. We invite you to visit us online at candler.emory.edu.

Drew University Theological School Report to Annual Conference 2023

Submitted by Edwin David Aponte, Drew University Theological School dean

Drew educates and mentors pastors, preachers, deacons, activists, teachers, thought leaders, and change agents. In Fall 2022 Drew welcomed 77 new students, and as of February 2023 Drew has a total enrollment of 408 students. Many Drew students are just beginning their ministry, while others come to graduate theological education with substantial ministry experience. The latter reflects a growing trend among all theological schools in the United States and Canada. During 2022, Drew classes met on campus in Madison, New Jersey, but also some classes met exclusively online, while others met in hybrid fashion, i.e., partially online, partially in-person. This was also the case with chapel worship. This reflects both our ongoing emergence from the COVID-19 pandemic lockdown, but also Drew leaning into what it means to be a global school with a global student population. With 35% of students coming from 28 different countries Drew Theological School is truly global and diverse in theology, vocations, age, as well as racial, ethnic, national, and international identities.

Drew's interdisciplinary degree programs foster out-of-the-box thinking, provide real-world apprenticeships, promotes adaptive leadership skills, and encourages innovation through a team-taught core courses reflecting the integration of the theological disciplines and practices characteristic of the life of faith. The faculty-articulated shared values are infused across the teaching and learning at Drew: a commitment to anti-racism; gender and sexual-identity equality; eco-sustainability and environmental justice; and interfaith understanding and cooperation. The Theological School has seen an increase in United Methodist students. Moreover, Drew has many United Methodist Global Fellows who chose to pursue education for ministry at Drew. UMC graduates are serving in conferences across the United States as well as in our regional conferences in Greater New Jersey, Eastern Pennsylvania, and the New York Annual Conference.

Duke Divinity School Report to Annual Conference 2023

Submitted by Edgardo Colón-Emeric, Duke Divinity School dean

Duke Divinity School (DDS) has continued in its commitment to form ministers of the gospel who will seek God's justice and mercy. Our faculty have been leaders in the Duke Climate Initiative participating with colleagues from the Nicholas School for the Environment in the event "Pastoral Care for Climate Change: Weaving Together Science and Theology for Justice," at the Duke University Marine Lab. Divinity faculty have also co-taught a university course titled "Let's Talk about Climate Change," and welcomed 30 young faith leaders from various religious traditions to understand better how to engage their faith communities in the fight for our climate.

The Office of Black Church Studies, commemorating its 50th anniversary year, hosted "Justice Ministry Reimagined: Reentry Simulation" for pastors, students, and lay leaders to learn more about how to support people reentering the community after incarceration. We launched the Prison Engagement Initiative with the Kenan Institute for Ethics. Divinity faculty taught a "Trauma Engaged Duke" seminar and led the team Developing Best Practices for Trauma-Informed Teaching and Learning. These programs and events complement the ongoing work of field education and ministerial formation that puts our students in contexts ranging from rural churches to hospital chaplaincy to farm ministry, and more.

We welcomed 226 entering students from 35 different states and eight other countries. The Master of Divinity program gained 88 residential students and 42 in the hybrid program. The Master of Arts in Christian Practice enrolled 13 new students; the Doctor of Ministry, 28; Master of Theology, six; Master of Theological Studies, 22; the Doctor of Theology welcomed six residential, and one special student has enrolled. The Certificate in Theology and Health Care welcomed four residential students and 16 in the hybrid program. Across all degree programs, 30 percent of the incoming class identified as a race or ethnicity other than white. Black students made up 18 percent of all students; Latinx students, six percent; Asian students, five percent; and American Indian students, one percent. Fifty-seven percent of students in the incoming class are female.

DDS continued to build on its rich tradition of ecumenical engagement, with Dean Colón-Emeric participating in the Methodist-Roman Catholic International Commission Dialogue meeting with Pope Francis at the Vatican. Student Eliza Love, M.Div.'23, was awarded the \$10,000 Bossey Institute scholarship from the United Methodist Church Council of Bishops to attend the World Council of Church Ecumenical Institute.

Three new associate deans have accepted appointments: Daniel Castelo as associate dean for Academic Formation; Jung Choi as associate dean for Global and Intercultural Formation; and Sangwoo Kim as associate dean for Vocational Formation. Linda Coley has also joined as the executive director for the Ormond Center.

The Ormond Center launched the Community Craft Collaborative to create resources for equipping lay and congregational leaders.

The Certificate in Conflict Transformation and Reconciliation, facilitated by leading scholars and practitioners in the fields of conflict transformation and reconciliation, provides a learning opportunity for pastors and other church leaders seeking theological and practical skills to foster reconciliation in their congregations and surrounding communities. We celebrate the expansion of our connection to UMC colleges through a partnership with Wesleyan College in Macon, Ga., to enable qualified undergraduates to take courses through the Duke Accelerated Pastoral Formation Program.

Convocation & Pastors' School returned to an in-person format for the first time since 2019 with the theme, *Creativity & Courage: From Trauma to Tough Hope*. Professional dancers, visual artists, musicians, and scholars guided participants in facing brokenness and sin honestly, as they offered glimpses of "the beauty of holiness." Associate Professor of Christian History, Kate Bowler kicked off the event with a live taping of her *Everything Happens* podcast with over 1000 registered participants.

En todos los programas en Duke Divinity School, el 30 por ciento de la clase entrante se identificó como de una raza o etnia que no es blanca. El cincuenta y siete por ciento de los estudiantes de la clase entrante son mujeres.

La escuela continuó construyendo sobre su rica tradición de compromiso ecuménico, con el Decano Colón-Emeric participando en la reunión de la Comisión Mixta Internacional para Diálogo entre el Concilio Mundial Metodista y la Iglesia Católica Romana con el Papa Francisco en el Vaticano. La estudiante Eliza Love, M.Div.'23, recibió una beca de \$10,000 del Consejo de Obispos de la Iglesia Metodista Unida para asistir al Instituto Ecuménico del Consejo Mundial de la Iglesia en Bossey.

La escuela también recibió nuevos líderes que aportan sus dones al trabajo de avanzar en la misión de servir a Cristo y a la iglesia. Tres nuevos decanos asociados han aceptado nombramientos: Daniel Castelo como decano asociado de Formación Académica; Jung Choi como decana asociada de Formación Global e Intercultural; y Sangwoo Kim como decano asociado de Formación Vocacional. Linda Coley también se unió como directora ejecutiva del Ormond Center.

El Centro Ormond lanzó el Community Craft Collaborative para crear recursos para equipar a líderes laicos y congregacionales. El Certificado en Transformación y Reconciliación de Conflictos (CCTR) brinda una oportunidad de aprendizaje oportuna para pastores y otros líderes de la iglesia que buscan destrezas teológicas y prácticas para fomentar la reconciliación en sus congregaciones y comunidades circundantes. Celebramos la expansión de nuestra conexión con las universidades de la IMU a través de una asociación con Wesleyan College en Macon, Georgia, para permitir que los estudiantes universitarios calificados tomen un curso de nivel de maestría a través del Programa de formación pastoral acelerada de Duke.

Nuestra Convocatoria y Escuela de Pastores (CPS) volvió a un formato presencial por primera vez desde el comienzo de la pandemia con el tema, *Creatividad y coraje: del trauma a la esperanza audaz*. Los presentadores (bailarines profesionales, artistas visuales,

músicos y académicos) guiaron a los participantes a enfrentar el quebrantamiento y el pecado con honestidad, mientras ofrecían vislumbres de “la belleza de la santidad”.

Duke Divinity School continúa agradecida por nuestra participación continua en la Iglesia Metodista Unida y nuestra asociación con esta conferencia anual.

GAMMON THEOLOGICAL SEMINARY – 2023 REPORT

Submitted by Rev. Dr. Candace M. Lewis, President-Dean

Gammon Theological Seminary is the Interdenominational Theological Center’s United Methodist constituent member in Atlanta, Georgia. The Interdenominational Theological Center (ITC) is a Christian Africentric ecumenical consortium of seminaries and fellowships that educate students to commit to practicing justice and peace through a liberating and transforming spirituality to become leaders in the church and local/global communities. Gammon was founded in 1883, bearing the name of the Rev. Elijah H. Gammon, a generous clergyman, businessman, and philanthropist. Rev. Elijah H. Gammon invested and endowed the founding of Gammon Seminary in partnership with Bishop Henry Warren and the Freedman’s Aid Society. Gammon has educated Black Clergy for almost 140 years, with graduates serving every level of the church, including Bishops, Superintendents, General church leaders, Conference staff, and Clergy in every jurisdiction. Today, Gammon Theological Seminary is the only predominately Black Seminary of the thirteen approved United Methodist-related Theological Institutions. The ITC’s accreditation is with the Association of Theological Schools and the Southern Association of Colleges and Schools Commission on Colleges. Gammon/ITC offers the following degree programs: the Master of Divinity, the Master of Arts in Religion and Education, and the Doctor of Ministry. The support given to The United Methodist Ministerial Education Fund by United Methodist Conferences continues to enable Gammon students to be grounded in the Wesleyan tradition of theological education. Our 17th President/Dean, Rev. Dr. Candace M Lewis, is the first woman to lead the Seminary in our 139-year history. Dr. Lewis and the Gammon staff team continue to lead innovatively in chartering a “Brand New Day” for Gammon’s recruitment, retention, research and resources, fund development, and scholarship endowments in her first two years of service.

Our new initiatives and celebrations this year, 2022-2023, at Gammon include:

- **We established The Rev. Walter H. McKelvey Endowed Scholarship Fund with the South Carolina Methodist Foundation.** Dr. McKelvey was Gammon’s 14th President/Dean, serving from 1997-2010. Under Dr. McKelvey’s leadership, Gammon’s enrollment and graduation rate increased, and buildings were renovated. Our initial goal is to raise \$100,000.00. We have already received a matching fund pledge of \$50,000.00 from Dr. Loretta F. McKelvey (wife of the late Rev. McKelvey).
- **Spring 2023 – International Student travel.** Gammon students traveled to Belfast, Ireland, with the North Georgia Conference as a part of the Rethinking Conflict experience. Gammon students also traveled to Johannesburg, South Africa, on the Doctor of Ministry Immersion experience.
- **Commissioned two National Research Projects**, the first one related to the Impact of COVID on UMC BIPOC Clergy in partnership with Wespeth Benefits and Investments – CFWI – Clergy Financial Wellbeing Initiative. The second research project is “Perspectives” The Future of Blacks in the United Methodist Church—public release of research reports of the Gammon Research Institute scheduled for Summer 2023.

The greatest challenge facing Gammon Seminary is the rising cost of theological education and the significant debt our students incur as they answer their call to full-time ministry. Therefore, Gammon is committed to raising a million dollars in the next two years to offer full-tuition scholarships to students called and committed to full-time ministry in the United Methodist Church. We are grateful to this Annual Conference for your support of theological education and your commitment to ensuring pastoral leadership is theologically trained to lead us forward in the Wesleyan tradition.

International Institute on Theology and Disability meets at MTSO

MTSO was pleased to host the four-day international Institute on Theology and Disability in June 2022.

Founded in 2010, the institute celebrates, explores, and investigates the ways that disability impacts many dimensions of religious life; theology and practice mutually inform and support one another; and diverse perspectives enrich and inform theological formation and religious practice.

MTSO and WomanPreach! share \$1 million Lilly Endowment grant

Lilly Endowment Inc. has awarded MTSO a grant of \$1 million to support prophetic preaching through a partnership with WomanPreach! Inc. The grant period extends from Nov. 1, 2022, to Dec. 31, 2027. WomanPreach! was founded 12 years ago by MTSO Dean and Vice President for Academic Affairs Rev. Valerie Bridgeman, Ph.D., who serves as the organization's CEO. It provides practical training and nurturing community spaces that empower preachers across the country. Begun as a way to train women, WomanPreach! has since grown to include programming for people of all genders. Its numerous programs include the biennial Jarena Lee Preaching Academy, a week-long intensive academy that equips women of the African Diaspora to speak in their own prophetic voices; Sophie's Table: A Conversation Among Siblings, an all-genders program that amplifies voices of people of marginalized genders, women and children; and Chloe's Circle, which gathers women from diverse racial and ethnic backgrounds to sharpen preaching that reflects a commitment to justice based in God's call through Jesus.

Mount Union joins MTSO to offer 3+2 program

The University of Mount Union and MTSO have begun offering incoming college students a 3+2 program, leading to a Master of Arts in Social Justice degree in five years of study rather than the six years typically required. Students will begin the program at the University of Mount Union in Alliance, Ohio. After completing the program's requirements at Mount Union, they are eligible to begin two years of study at MTSO, where they will finish requirements for a Mount Union bachelor's degree and earn an MA in Social Justice degree from MTSO. Students in the 3+2 program are eligible for MTSO's exceptional scholarships.

Saint Paul School of Theology Report to Annual Conference 2023

Educating tomorrow's leaders by offering on-campus, online, and hybrid learning courses at a FLEXible schedule, Saint Paul School of Theology is a seminary serving a diverse community committed to the formation of people for innovative, creative ministry through rigorous academic life. Grounded in the academic study of faith and ministry, theology is practiced in a traditional classroom and in remote spaces. Our contextual curriculum features Ministry Collaboration Groups, Practicums, Spiritual Formation Retreats, and Seminars. Students learn from dedicated faculty, experienced pastors, and community leaders about best ministry practices leaving our graduates with the tools and first-hand experience necessary to meet the needs of a changing world.

Saint Paul welcomed over 30 new students for the 2022-2023 academic year. Enrollment remained solid for the Master of Divinity (MDiv) degree program with promising growth on our Oklahoma campus. With COVID-19 restrictions lifted yet monitored, prospective students returned to in-person visits on both campuses, experiencing community meals, worship, and the newly implemented "Hammock ministry" on the Oklahoma campus. The Admissions team continues to expand travel to meet new students, including the Carolinas, Washington, D.C., and various parts of Texas.

This year we have focused on strengthening the Master of Arts in Christian Ministry by creating two specializations: Women, Society, and Church; and Social Justice and Advocacy. In each case, the student takes 22 hours of MACM required courses, and then the remaining 12 hours of the degree are comprised of courses focusing upon the specialization. The two existing specializations, Prophetic Witness and Service; and Deacon Ministries, will continue to be offered as well. The Women, Society, and Church Studies specialization is also available in the MDiv program, as is a specialization in Wesleyan Studies.

In September 2022, Saint Paul School of Theology hosted a review team from the Higher Learning Commission (HLC), one of Saint Paul's primary accreditation agencies, as part of the Seminary's regular reaffirmation cycle. On November 18, 2022, the Higher Learning Commission notified Saint Paul that the Commission "continued the accreditation of Saint Paul School of Theology with the next Reaffirmation of Accreditation in 2028-2029."

We are happy to report that Saint Paul School of Theology is financially sound. We operate with a balanced budget, no debt, and an endowment 9-10 times the size of our annual expenses. As always, we continue to be grateful for donations from the community that provide technology, scholarships, and evolving academic programs to students. As of the close of 2022, over 100 alumni and friends of Saint Paul contributed more than \$60,000 to create the Tex and Peggy Sample Endowed Scholarship Fund honoring the life and work of Tex and Peggy Sample. Sustainability has been our focus over the past five years, and we have achieved our goal. Investments in our future bring exciting new opportunities for our students, staff, and faculty. Our significant technological investments have allowed us to maintain a hybrid educational delivery model providing a flexible working arrangement for our students.

Saint Paul School of Theology is blessed to be your partner in ministry and help those seeking to discover more and answer the call. We are grateful for your support of our students and our seminary. May we continue to live into the call of Jesus Christ to be faithful witnesses for generations to come.

United Theological Seminary Report to Annual Conference 2023

Submitted by Dr. Kent Millard, United Theological Seminary president

united
Theological Seminary

United Theological Seminary celebrated rising enrollment in the 2022-2023 academic year. In the previous year, 464 students were enrolled at United; in 2022-2023, the seminary is serving 541 students, a 17% increase. A diverse community of many denominations, races, and nationalities, United welcomed students from 36 states, 21 countries, and 43 denominations, with 42% of students identifying as United Methodist*. The Seminary prepared 103 Course of Study students** and served 10 students through the Hispanic Christian Academy, a three-year online course of ministry program for Hispanic/Latino lay pastors and leaders serving United Methodist congregations.

Houses of Study

In large part, this enrollment growth is a result of the seminary's House of Study initiative, which is supported by a \$1 million grant from Lilly Endowment Inc.'s Pathways for Tomorrow Initiative. As of 2022-2023, the Seminary has established five Houses of Study:

Fresh Expressions, directed by Dr. Michael Beck,
Full Gospel Baptist Fellowship, directed by Bishop Lisa Weah,
Global Methodist, directed by Rev. Gregory Stover,
Global Pentecostal, directed by Dr. Cheryl Bridges Johns, and
Hispanic, directed by Dr. Jorge Ochoa.

The largest of these is the Hispanic House of Study (Casa de Estudios Hispana), with all classes taught by Spanish-speaking professors to Spanish-speaking students. Nearly 50 students from across the United States and Latin America, including students from Mexico, Cuba, Columbia, and Peru started the online program in the 2022-2023 academic year.

United is preparing to launch three new Houses of Study in the 2023-2024 academic year: a Korean House of Study, taught 100% in Korean for Korean-speaking students, led by Dr. Seok Jae Jeon; an African Methodist Episcopal Zion House of Study led by Bishop Eric Leake; and a Global Lutheran House of Study led by Dr. Richard Blue, Dr. Tom Thorstad and Dr. Dan Landin.

Doctor of Ministry

The Seminary is also seeing growth in its Doctor of Ministry program. In 2022-2023, the Doctor of Ministry program has grown to 250 students, an increase of 32% over the past five years*. Doctoral students at United are actively engaged in ministry and seeking to become more effective leaders for the Church through a Doctor of Ministry degree.

Bishop Bruce Ough Innovation Center

Launched in Fall 2021, the Bishop Bruce Ough Innovation Center, directed by Rev. Sue Nilson Kibbey, is connecting with pastors, ministry leaders, and congregational members hungry to bring God's renewal to their faith communities. In the past year alone, the Innovation Center has engaged more than 1,000 participants through more than 40 live webinars, training events, and courses.

* Student data represent 2022-2023 headcount enrollment, as of March 1, 2023. Denominational figures represent those who responded.

** Course of Study figures represent the most recent four terms.

ORDAINED, CONSECRATED, AND LICENSED**LARRY R. BLACK**

September 26, 1949 – November 11, 2022

Larry Richard Black was born September 26, 1949 in Ravenna, Ohio to William and Jean Hoskin Black. He passed away peacefully at home on November 11, 2022 with his family by his side. He graduated from Ravenna High School and went on to Kent State University, studying journalism. Larry was present on May 4, 1970, photographing for the Kent yearbook and he witnessed the shootings. This was an event that profoundly affected him.

Following that incident, Larry felt the call to ministry. Larry chose to attend the Iliff School of Theology in Denver, Colorado because of the Rocky Mountains. He was ordained an Elder in 1975. Larry loved being a pastor. By his own admission, he was not an administrator. He was a good preacher who sought to have God's Word guide each of his messages. He loved being with people and sharing their life experiences with them, as well as listening to their joys and sorrows.

He loved photography and spent any chance he had to go to the mountains. Starting as a teenager, Larry went to the Akron District Institute at Lakeside. He continued there following high school as a camp counselor. It was at Lakeside that he and Marilyn K. Miner met in 1975. They were married on March 27, 1976. Lakeside always held a special place in their hearts.

Larry involved himself in to communities he served: as chaplain of a high school football team, the Lions Club, Rotary, March of Dimes and volunteering with Hospice. He and Marilyn spent many hours sitting with Hospice patients as they neared the end of their lives on earth. As much as he loved being a dad, he especially loved being Papa. Family vacations were always special and continued through the years with the addition of grandkids, taking them to some of his favorite places, including the mountains.

Larry is survived by his loving wife Marilyn, daughter Rebekah (Eric) Morrison, son Tim (Carly Black and four grandchildren - Kaylee and Kloe Morrison and Ellis and Lyndie Black. He is also survived by his brother-in-law and sister-in-law, David and Debbie Miner; nephews, Brian Miner and Aaron Miner. Larry was preceded in death by his parents.

A celebration of Larry's life was held on Saturday, December 3, 2022 at Christ UMC in Ashland. Reverend Dr. David Wilcox, Reverend Mac Kelly, Reverend Tom Snyder, and Reverend Kyle Gould presided at the funeral. Memorial contributions were suggested to be made to UMCOR or to Pathways Hospice, Ontario or to the John D. Spangler Award for Excellence in Pastoral Care at Iliff School of Theology.

Rev. Black served LaPorte Larger Parish: Belden, Atwater, Twinsburg, Conneaut First, Leroy, and Dover First UMCs. He retired in 2008. Following retirement, he served Wooster UMC as Pastor of Congregational Care for six years.

DONALD BOOTH

March 3, 1950 – December 15, 2022

Beloved father, brother, and husband, Donald Howard Booth of Clayton, Ohio entered into God's Kingdom on December 15, 2022 after a nearly five-year battle with Parkinson's disease. Don was born to Paul and Irene Booth on March 3, 1950 in Akron, Ohio. When Don was younger, his favorite activities were band, church youth group, and Boy Scouts. He graduated from Springfield High School and then Malone College with a degree in theology.

He then entered Asbury Theological Seminary and earned a Masters of Divinity degree. Don became an ordained elder in the United Methodist Church and served as a pastor in many parishes in the UMC East Ohio Conference for over forty-four years.

Don was preceded in death by his parents and his older brother David Booth. He is survived by many loving family members including his wife of fifty years, Martha (Haslett) Booth, brother Ronald Booth, sons Joshua (Abigail) Booth, Dr. Adam (Jessica) Booth and eight grandchildren: Isaac, James, Matthew, Olivia, Nyx, Samuel, Ezekiel, and Zebedee.

He is also survived by many loving friends and the lives he touched in the nine churches he served as pastor. A memorial service was held on April 29, 2023 at Calvary UMC in North Lima, Ohio. In lieu of flowers donations were suggested to be made in memory of

Donald Booth to the Michael J. Fox Foundation for Parkinson's Research and/or to any of the many churches Don served as pastor over the years.

Rev. Booth served Lowellville/Marion Heights, Byesville: Main, Windham, North Lima, Bunker Hill, Akron: Faith/Redeemer, Deerfield, and Palmyra UMCs. He retired in 2015.

JOHN CADDEY

July 26, 1936 – February 2, 2023

John Caddey, passed away on February 2, 2023. John was born on July 26, 1936 to the late William and Frances Caddey.

John received his Bachelor of Arts Degree from Kent State University in 1958. He attended Oberlin Graduate School of Theology and received his Master of Divinity Degree in 1961 and a Doctor of Ministry degree in Church Social Work in 1963. He was appointed as the first Chaplain at the Berea Children's Home and Family Services in 1963 and became the Executive Director in 1972. He was an active leader at the local, state, and federal levels of government, working to improve and create more effective ways to deliver services to those in need and to impact legislation to benefit children and families.

During his forty-two years at the Children's Home, it grew from serving less than one hundred children and families each year to serving over nine thousand. His vision grew a small residential treatment program to include thirty-seven unique social service programs ranging from secure residential treatment to community-based programs such as day care for the poor. His strong belief in collaboration and utilizing the UMC as partners led him to create the Compassionate Communities Project in 1997, designed to provide support and encouragement to faith-based organizations seeking to reach out to children and families in their communities.

John also served on the Board of Directors of the UM Association of Health and Welfare Ministries and was recognized with their Distinguished Service Award. He also received the UM Association's Children, Youth, and Families Executive of the Year Award for his personal commitment to the ministry of providing healing and hope to children and families. John in addition co-chaired the Ohio State Adoption Planning Group, working with the state of Ohio to promote the adoption of children.

In the late 1980's John participated on the District 10 Mental Health Regional Planning Committee, leading to the eventual planning for and closure of Ohio's psychiatric hospitals for children. Anticipating the need for a treatment facility to serve children who were a danger to themselves and others, he worked with the Ohio Department of Mental Health to build the state's first secure/locked treatment cottage on the main campus of Berea Children's Home. He was a founding member of the Ohio Association of Child Caring Agencies, one of the original commissioners on the National Association of Homes and Services for Children's Commission on Accreditation.

In 1960, John married Rochelle and they enjoyed fifty-three years of marriage before her death in 2013. John and Rochelle loved vacationing with their family and took annual trips to Holden Beach, North Carolina, with their kids and grandkids. Volunteering was a big part of their life together and they could be seen supporting many organizations and events in Berea including the Berea Arts Festival, Berea Historical Society and the North End Foundation. Most of all, they loved being parents, grandparents and great grandparents.

In addition to his wife Rochelle, John was predeceased by his brother William, sister Enid Mears, and son-in-law Jon Whipple. John is survived by his children; Amy Whipple, Eric (Stacy) Caddey, Melissa (Tom) Kleptz, nine grandchildren; Kyle (Lindsay), Lauren (Matthew), Emily (Pat), Drew, Grant (Kristin), Nicholas, Rachel (Brian), Maddie, and Nathan; a sister-in-law Susan (Michael) Lancaster, nephew Brandon (Katelyn) Lancaster, niece Sarah (Charles), sister-in-law Janet Caddey, niece Karen (John) Doscher, and his nephew Bill. He is also survived by great grandchildren, Colton, Brady, Landon, Ellie, Adison, Henry, James, Olivia; and great nieces Julia, Quinn, Stella, and Evelyn and great nephews Peter, Weston and Charlie. Many longtime friends, including their Lake Hope group, also fondly remember him.

A memorial service was held on Saturday, March 4, 2023 at the Berea UMC. In lieu of flowers, memorial contributions were suggested to be made to the John and Rochelle Caddey Endowment Fund at Ohio Guidestone or to the Berea Arts Festival.

JOHN E. CAPPER

December 9, 1938 – May 14, 2022

John Emerson Capper passed away on Saturday, May 14, 2022 at Friendship Village of Dublin. John was born on December 9, 1938 to Charles and Elizabeth Capper. John graduated from Carrollton High School where he met Helen, his wife of sixty-four years. Following high school, John received a bachelor's degree from Mount Union College and a Master of Divinity along with a Doctorate of Divinity from The Methodist Theological School of Ohio.

Camp Aldersgate held a special place in John's heart. He attended camp as a youth, became a camp counselor and eventually, dean of a sailing camp for many years. John enjoyed attending the College of Preachers where he spent the evenings playing ping-pong against friends and colleagues.

Following retirement, John and Helen moved back to Mount Vernon, to be near their daughters, who were both living in the Columbus area. During this time, John and Helen attended Gay Street UMC and were involved in many activities and groups. John was also a member and served as President of the Kiwanis Club of Mount Vernon.

John was a devoted husband, father, and grandfather. He was known for creating "projects" for the grandchildren when they visited. Each had their own bucket and might be in charge of moving dirt, picking up pinecones, or helping to plant flowers.

WENDY ERB

April 13, 1944 – February 22, 2023

Wendy Erb's favorite Bible verse guided her every role: wife, mother and grandmother, pastor and hospital chaplain, skit writer and costume designer, poet and professional party thrower, church newsletter creator and Marietta Times correspondent. For those who knew her from the River City Farmers Market, she was also the prolific producer of pies, breads, cobblers, cookies, jams and jellies. She died Wednesday February 22, 2023, having lived life knowing that "a merry heart doeth good" (Proverbs 17:22)

Brain cancer stripped her physical abilities in the time before her death, but Wendy's Christian faith and humor remained unflinching. "I know where I am going," she would say. With a nod to her never-ending battle with all-things-technological, she'd add: "I just hope heaven doesn't have passcodes or PIN numbers." Hers was a life tempered in faith and polished with gratitude.

Wendy was born in 1944, near Coventry, England. At fifteen, she quit school to work as a stenographer for Triumph Motorcycles and then Jaguar Cars. She then set out for Germany, knowing no one nor a single German word. She landed an office job with the U.S. Army in Stuttgart. She married David, an ammunitions clerk from rural Ohio, in a medieval church near her hometown on New Year's Day, 1966. The following year, they returned to David's hometown, Marietta, where they purchased a fifty-six acre tract of dirt, a tractor, and a tiny home with electricity that sometimes worked.

While employed as a sheet metal worker, David also filled the freezer with deer and fish and the barns with cows and chickens. Wendy clipped coupons and learned to preserve garden produce for their growing family - a girl, a boy, and then another girl.

As a young mother, Wendy forged long-time friendships at Pleasant Hill UMC, finding God in the community of others. She was a Sunday School teacher and an active member of the UMW, hosting friends and missionaries at their farm outside Marietta. She authored the church's "Gospel Gossip" newsletter, wrote skits for holidays and other church events, and - from bedsheets and bric-a-brac - created wardrobes for kings and wise men, shepherds and angels, condemned prisoners and bickering birds.

She returned to school, earning an associate degree in secretarial sciences in 1993, at what is now Washington State Community College in Marietta. She studied American history and its Constitution, becoming a U.S. citizen in 1980. She wrote, too, for the Marietta Times, weaving humor and wonder into everyday encounters with area residents - from a network of local ham radio operators, to a couple trying to determine if their boa constrictor was pregnant, to twin sisters who played Scrabble by international mail. She later penned a "Thoughts of Faith" column.

Her strongest calling, however, was ministry. A pastor's most important role, Wendy believed, was not behind a pulpit, but in personal encounters. She established grief support groups, and turned tens of thousands of miles on odometers, visiting the sick, dying and bereaved. For eleven years, she was chaplain at Marietta Memorial Hospital. Even after her attempts at retirement twice, in 2015 and 2020, she served as a visiting pastor at area churches, including Beverly Presbyterian.

The role in which she will be most deeply missed was mother and grandmother. Her husband David died in 2021. As Wendy and her children planned a COVID-postponed memorial at the family farm in May, 2022, Wendy was diagnosed with a glioblastoma. With her remaining days, she squeezed as much life out of each day as possible. As the brain cancer stole her ability to find words, she remained grateful.

In addition to her children, Robin (Larry) Vellequette, Jeff (Lynn) Erb and Toni (Scott) Teters, Wendy and David are survived by ten grandchildren and a great-granddaughter. In lieu of flowers, persons were asked to consider a donation to two of Wendy's favorite missions: the UMC on Relief or Presbyterian Disaster Assistance funds, which provide relief in Ukraine.

Her funeral service was held on Monday February 27, 2023, at Sand Hill UMC, with burial following in Pleasant Hill Cemetery. Pastor Erb served Sarahsville, Hannibal, and Marietta Sand Hill UMCs. She retired in 2015.

C. DWIGHT HAYES

Dwight Hayes, passed away on October 22, 2022. He was born on March 21, 1925 in Cortland, Ohio He was the son of Carl and Theresa (Huffman) Hayes. Dwight grew up attending church and knew from a young age that he wanted to become a pastor. While attending seminary in Chicago, he visited a local drug store coffee counter. The owner suggested he call his sister-in-law and ask her out on a date, and even gave him a dime for the pay phone. That resulted in his marriage to Maxine and they were married sixty-seven years at the time of her death in 2019.

Dwight was a minister of the UMC and was ordained in 1943. As a pastor, he served congregations in many small towns. In each small town he would find the local coffee shop, as he enjoyed spending time connecting with the community he was serving. He has helped, supported, and been on the board of several charitable organizations including Meals Together and Habitat for Humanity. In Wellington he formed HELP, Inc.

Dwight enjoyed spending time connecting with each community he served. He and Maxine made life-long friends in each appointment. He often wrote articles and columns for local newspapers. Dwight enjoyed fishing and always kept a fishing rod and tackle box in the trunk of his car in case an opportunity arose.

Dwight marched with Dr. Martin Luther King Jr. in Washington, D.C., in support of civil and economic rights of African Americans. On the Sunday following the shooting at Kent State University in 1970, Dwight invited some local college students to speak in church about their feelings on the Vietnam War and the protests. As this was also Mother's Day, it did not go over well with his congregation and the family was moved to another church that June.

Dwight loved desserts and sweets. He gave them up for Lent each year – until he had grandchildren. They would say to him “But grandpa, it’s your birthday, you HAVE to eat cake.” Every year after that he practically demanded a birthday party just so he could eat cake! “It’s for the kids, “ he would say.

A celebration of life took place November 7, 2022 at St. James Episcopal Church). He donated his body to Case Western Reserve University School of Medicine.

IRWIN E. JENNINGS

November 1, 1934 – March 22, 2023

Irwin E. Jennings transitioned from this life to the next on March 22, 2023. Having tenaciously challenged Parkinson's for years, Irwin tested positive for Covid on March 21. The following morning, he quietly slipped away.

Irwin was born on All Saints Day in 1934, and was the first child and only son of Nesta (Emler) and Ernest Jennings. Irwin lived his first few years on Adams Street in Coshocton. When he was five, the family moved to Tyndal to care for his great-grandfather. He attended Conesville High School, where he was a popular and athletic student. In the fall of 1950, when he was just fifteen years old, Irwin lost his mother to cancer. Thankfully, Irwin and his sister were blessed with caring grandparents and aunts, who took them in and lovingly created a patchwork quilt of family.

In 1952, Irwin graduated from Conesville High School and soon found his place at Muskingum College. Following graduation, Irwin taught for a year at Louisville High School. The next year brought him home to Coshocton and to a teaching and coaching position at his alma mater. Months later, Irwin joined the Air National Guard and headed to Lackland Air Force Base in San Antonio, Texas. It was there that Irwin came to the decision to pursue the ministry, and in 1958 he enrolled at Garrett Evangelical Theological Seminary in Evanston, Illinois.

Irwin married Janet Louise Gray on June 11, 1960, at the Plainfield UMC. Irwin often said that marrying Janet was the best decision he ever made in his life. One week after the wedding, Irwin and Janet moved to rural Indiana for his student pastorate at the Reynolds-Guernsey Charge.

After 2 years in Indiana, Irwin and Janet, and now also Beth and Carrie, returned to Ohio and the East Ohio Conference of the UMC, where he was ordained in 1962. During his ministry, Irwin earned an M.A from Case Western Reserve University and a Master in Divinity from the Graduate Theological Foundation.

In 2001, following 42 years of ministry, Irwin retired with Janet to Mount Vernon, spending summers at Lakeside and winters in Sarasota. But most ministers don't truly retire, and so in 2006, Irwin stepped into the role of worship coordinator for Lakeside's Dockside Service. He retired from Lakeside in 2018. In 2021 the site of the Dockside Service was dedicated in honor of Irwin and Janet and is now the Jennings East Deck of the Lakeside Pavilion.

During his 42 years of ministry, Irwin deeply touched many lives through parenting, preaching, prayer and his very presence. His acts of service in Sunday morning services, home and hospital visits, confirmations, weddings, baptisms and funerals have left an indelible mark. He delighted in his family, his friends, and his flock. He loved and prayed for many.

The love of Irwin's life, Janet, passed away on June 5, 2022. Irwin was the loving father of Elizabeth Jennings Sibbring; Carrie Ellen Jennings, David Ernest Jennings, daughter-in-law Linda Doepker Jennings, son-in-law, Charles Mahler, and the proud grandfather of Sarah Elizabeth Sibbring, Laura Anne Sibbring, Parker Jennings Patterson, Nikki Leigh Jennings and Lindsey Bliss Jennings.

A Celebration of Life for the Rev Irwin E. Jennings was held on June 11, 2023 on the Jennings East Deck of the Lakeside Pavilion. Interment of ashes followed at the Memorial Garden. In lieu of flowers, the family suggested a contribution to Lakeside Chautauqua in support of Religious Life.

Rev. Jennings served East Liverpool Calvary, Elyria First, Barberton St. Paul's, North Canton Faith, and Medina UMCs and as Wooster District Superintendent. He retired in 2001.

BETH ANN MANSPERGER

October 4, 1957 – January 29, 2023

Beth Ann Mansperger, of Delaware, Ohio, fell asleep listening to her husband sing hymns and later died in the early hours of January 29, 2023. She was at Willow Brook at Delaware Run in Delaware, Ohio, where they had made their home three years earlier. Her death ended a four-year fight with ovarian cancer.

Born in Columbus, Ohio, Beth was the first child of Chester A. and Joy (Gustin) Hassenpflug, born on October 4, 1957. She was raised next to the Otterbein University campus, where her father was a member of the fine arts faculty. She was a graduate of Westerville South High School. The college and Westerville imbued her with small town rural values that shaped her work in town and country ministry. Studying French and Spanish, she was passionate about languages, earning a BA at Otterbein in 1979 and a MA at Ohio University in 1981. She then taught these two languages in private schools and English as a second language to foreign students.

In her formative years, Beth struggled to understand how to enter into fellowship and relationship with God. While in college, she accepted God's grace upon grace in her life and her faith blossomed, as did her service and leadership in local congregations she attended.

Beth married H. Gilbert Stillwagon in November, 1989, and supported his ministries at Washington Street, Braceville, and Urichsville UMCs. Gilbert died in February, 1999.

While teaching Romance languages in northeast Ohio, a colleague studying for pastoral ministry leadership asked Beth to audit an intensive summer course in Hebrew at the Ashland Theological Seminary, hoping their study together would help her pass her course. Beth obliged and her friend passed the course. Meanwhile, Beth's passion for language was soon out-paced by her interest in disciplined, biblical studies and a growing sense of God's call. She made the decision to enter ministry herself. In 1997, she graduated from Ashland Theological Seminary with her M. Div. She was ordained an elder in The East Ohio Conference in June 2000.

Mary Lu was creative with her preaching style as a UM minister. She had a way of "preaching" without really preaching. Dick was awarded his Masters in Theology from Drew University in 1957, and his Doctor of Ministry Degree in 1985. Dick cared deeply for his churches and congregations in a long career in the East Ohio Conference of the UMC. He loved the parish ministry. He was rewarded with expressions of appreciation and support from his parishioners all his life.

Retiring in 1992, Dick moved to Newton, North Carolina to be closer to family. He and Erma continued their ministry with work at Habitat for Humanity projects around the world and at home, and with Eastern Catawba Cooperative Christian Ministry. Dick was unusual in his unflagging good nature, kindness, warm receptivity to people of all views and opinions, and his joy in living. His ability to heal through patient listening and counseling, his words of comfort and instruction from the pulpit, and the steadfast example he set as a husband, were inspiring.

Dick was a tireless worker in the vineyard of the Lord. He was also a loving father, who spent hours playing sports with his sons, and a man who treasured his wife above all other women. Dick set an example for all who knew him. While in later years his memory dimmed, he remained a positive presence in the lives of those around him. All this was made possible by the ongoing support of Erma, the mainstay of his life and ministry.

Services were held at the Newton First Presbyterian Church, Newton, North Carolina on March 18, 2023. In lieu of flowers, gifts were suggested to be made to Habitat for Humanity or Eastern Catawba Cooperative Christian Ministry.

SHIRLEY BIXLER

March 5, 1934 – June 18, 2022

Shirley Murphy Bixler, of Delaware, Ohio, died June 18, 2022, after living a very full and rewarding life. Born March 5, 1934, in New Castle, Pennsylvania, and raised in Toronto, Ohio, Shirley was the first child of Edna (nee Robertson) and Thomas Murphy. She became a big sister eight years later when her brother, Tom, was born. Growing up, Shirley especially enjoyed her summers swimming and fishing at the family cottage her father built at Guilford Lake near Lisbon, Ohio.

From a young age, Shirley was an eager learner and convinced her father to "alter" her birth certificate to enroll her in kindergarten a year early. Ironically, Shirley's love for learning ultimately led her to a career in public education. After graduating summa cum laude from Toronto High School in 1951, Shirley attended Muskingum College where she graduated with honors, earned a bachelor's degree in Elementary Education, and met Vernon (Ned) Bixler whom she married on June 16, 1956.

The newlyweds began their life together in Sharon Center, Ohio where Shirley taught at Sharon Elementary School and Ned began his ministry as pastor of Sharon Center UMC. They welcomed their first son, Thomas Lorin, in 1959, followed by David Ned in 1961. After relocating to Chesterland, Ohio for six years, the Bixler's spent the next four decades in Sandusky, Ohio where Shirley taught fifth grade in the Perkins School District and Ned continued his ministry at the Trinity UMC.

Shirley and Ned had a passion for travel. As young parents, they took extended family vacations each summer, traveling cross-country in their beloved Airstream trailer. After retiring, they continued venturing across the United States and Europe. However, Disney World and a yearly visit to Duck, North Carolina with her sons and grandchildren were among Shirley's favorite vacations.

Known by many as a "Roller Coaster Queen," Shirley was always ready to take on the newest thrill ride at Cedar Point. She loved to read, listen to classical music, watch Hallmark movies, and offer driving advice to Ned on every road trip. For Shirley, Christmas was a year-round quest for the perfect gifts, decorations, and "apple" wrapping paper. While she admittedly hated to cook, she always set the most beautiful table for holiday family meals, strongly objecting to soda cans and ketchup bottles that tarnished the perfection of each place setting.

Shirley leaves her family with wonderful memories of her handcrafted Christmas village, money-saving tips to stretch a budget, elaborate Easter egg hunts, roller coaster rides, day trips to Cedar Point, bedtime stories in the "Mickey" room, and her never-ending love and pride.

Shirley is preceded in death by her husband of sixty-two years, Rev. V. Ned Bixler, and her brother, Tom Murphy. Celebrating her life are her two sons, Tom (Jill) and Dave (Lynee), four grandchildren Andy, Greg (Alexandra), Ian, and Maggie, and great-granddaughter, Morgan.

A memorial service was held on Wednesday July 6, at Trinity UMC. In lieu of flowers, donations were suggested to be made in Shirley's memory to Trinity UMC or Meadowlawn Intermediate School, Sandusky, Ohio.

Rev. V. Ned Bixler served Morgan County Parish, Sharon Center, Chesterland, and Sandusky Trinity UMCs as well as Berea Children's Home. He retired in 1994 and died in 2018.

JANET L. JENNINGS

July 9, 1938 – June 5, 2022

Janet Louise (Gray) Jennings left this earth after a brief illness, surrounded by family. Weakened by Covid, she succumbed to a bacterial infection while in ICU. Janet grew up in rural Plainfield, Ohio. She was born at home and briefly warmed in the oven. She made playmates of barn kittens in the haymow and is remembered by her brother as the barefoot girl in braids running alongside him, feet slapping in the dust. Janet excelled at school, played the piano and clarinet. She performed the Clarinet Polka and spoke as the valedictorian at her high school graduation.

Janet and Irwin both attended Muskingum College in New Concord, Ohio. They were introduced by sister Sue (Jennings) Hochstetter and later married. Janet moved through the roles of triple-major, Honors Graduate, to minister's wife, to mother in the first year of married life.

Janet assisted Irwin in his calling as a Methodist minister by modeling the role of minister's wife through quiet devotion, singing in the choir, and participation in many Methodist women's groups. They began their married life in Reynolds, Indiana. They subsequently were assigned to churches in the East Ohio Conference. A homebase throughout this time was Lakeside.

Janet and Irwin were busy in the first two decades of their marriage as they raised three children: Elizabeth Anne, Carrie Ellen and David Ernest Jennings. As soon as all were in grade school, Janet returned to her own educational and professional pursuits. She obtained a teaching degree launching her long career in the Norton School District as a seventh and eighth grade English teacher. She then concurrently received an M.S. in English from Akron University.

Janet's intellectual ability, curiosity and persistence were demonstrated in her early adoption of computers in her classroom, a perpetually large stack of books being read, genealogy research, and love of word games. She delighted in learning. Janet and Irwin traveled the world, developed deep connections through pastoral exchanges in Wales and England and led Educational Opportunities Trips to England and Europe. For many years, they took annual cross-country skiing trips to Wilderness Lodge in Pennsylvania. They enjoyed attending plays and theater festivals both locally and in Canada at Stratford and Niagara on the Lake.

Grandchildren, Sarah Elizabeth and Laura Anne Sibbring, Nikki Leigh and Lindsey Bliss Jennings, and Parker Jennings Patterson delighted in Janet's playful participation in their lives during summers at Lakeside, winters in Florida and at family gatherings. They relish childhood memories of games of Scrabble and Life Stories, train trips, Grammie fries and Lakeside porch time. Janet was so proud of their talents, accomplishments and life choices.

Janet was generous with her time and talents and in retirement shared the position of Children's Coordinator at Mount Vernon Gay Street UMC for eight years, helped maintain a vital Women's Club at Lakeside, serving as their president for four years and formed the core of their very active book clubs.

She is preceded in death by brother Terry Gray, parents Chester and Ada Pearl (Addy) Gray and cherished aunts and uncles. She is survived by brother Marvin Gray, husband Irwin Ernest Jennings, children Elizabeth Anne Jennings Sibbring (Kevin), Carrie Ellen Jennings (Charles T. Mahler), David Ernest Jennings (Linda Louise Doepker), and afore mentioned grandchildren who will all miss her gentle loving presence, wit and laugh. May they continue to see her in the world she built both for and with them.

Her Memorial Service was held on Sunday June 12 at the open-air Jennings East Deck of the Lakeside Pavilion. The interment of ashes took place later at the Memorial Garden at Chautauqua Park, Lakeside Ohio. In lieu of flowers, the family suggested a contribution be made to The Lakeside Women's Club, Janet Jennings Memorial Scholarship.

JUDITH T. McCARTNEY

1935 – January 13, 2023

Judith T. (Judy) McCartney died peacefully on January 13, 2023. Her death marked the end of an extraordinary life that began as the daughter of Robert and Elizabeth Tuttle Toone in Norwalk, Connecticut in 1935. Judy Toone was born into a Methodist family, went to a Methodist College, married a Methodist seminary student (William McCartney), and devoted most of her life to serving United Methodist and enterprises. That life time services included many varied and significant aspects of the Church.

After graduating as a high honor student from Norwalk High School in 1953, she entered Drew University, where she met William (Bill) McCartney, a first-year seminary student there. They were married June 4, 1955, and returned to Drew for their respective third years' schooling. During her second and third year at Drew, Judy accompanied Bill to his student parish where she became the organist.

Judy transferred to the Pittsburgh University in 1956, when Bill's full-time ministry began in Pittsburgh. She received her degree the next spring, two months after their first child, Cynthia (Cindy), was born. Soon three more children were born, Karen, Jarilyn, and Paul. While being a marvelous mother to her children, Judy also became a key helpmate to Bill in his ministry. She also found personal fulfillment in various community involvements, often as a key leader. Perhaps of greater importance, she had remarkable ways of touching lives of individuals – often those with particular needs.

Her early married years (she married at nineteen) were devoted to raising her four children – one of whom, Karen M. Oehl, is an ordained UMC Minister. She also carried out well the significant roles of a minister's life. As her children grew, her activities expanded to include teaching and then later leadership roles in United Methodism.

Judy's activities in the local church included leadership roles in the United Methodist Women, singing in the choir, directing the Children's Choir and on two occasions having a leadership role in the church choir's dramatic presentations. Professionally, Judy began teaching in various nursery schools. Along the way, she earned a Master's Degree from Clarion University. While living in Cleveland, Judy taught at Hathaway Brown, a private school for girls, a position she loved. When the family moved to Delaware, Judy became a G.E.D. teacher, ending up teaching G.E.D. in the County Jail.

At the Conference level, Judy worked in the East Ohio Conference Media Center, and chaired the Conference Commission on the Status and Role of Women. Judy also had key roles in the connection beyond the Annual Conference Level. She was part of the leadership cadre that created three conference events for women, called WOMEN VISION. She was twice a delegate to Jurisdictional Conference, and once a delegate to General Conference. For two quadrenniums, she served as Secretary of the North Central Jurisdiction of the UMC.

Perhaps more than these formal roles, Judy was also noted for her keen investment in people, often those with special needs. She was also distinguished for her concerns for the larger issues facing the Church and confronting society. She was loved and revered by all.

Judy is survived by her loving husband of almost sixty-eight years, by her children, Cindy Miller (Craig), Karen Oehl (Chris), Jarilyn Paul (Andy), and Paul – plus eight grandchildren and four great grandchildren. She is also remembered by her sisters, Carol Woodruff, Joan Toone, and Deborah Kalwat; by Bill's brother, Robert, and brother James' widow, Virginia McCartney, plus many nieces, nephews, and cousins.

Judy's ashes were scattered in the Memorial Garden of Willow Brook at Delaware Run. A service of life and remembrance was held on Saturday, April 1 at Asbury UMC in Delaware, Ohio. Presiding were Rev. Katie Ozier, Rev. William McCartney, and Rev. Karen Oehl. Memorial gifts were suggested to be made to Willow Brook Christian Communities, Delaware, Ohio 43015, or to Delaware's Asbury UMC.

In East Ohio, Rev. William McCartney served Epworth Euclid UMC, as the Canton District Superintendent, and as a Professor and Director of Field Education at Methodist Theological School in Ohio. He retired in 1996.

Maurine Moody Scott died peacefully in her sleep on March 17, 2023. Maurine was born as Augusta Maurine Nielsen on October 4, 1927 in Chicago, Illinois to Gordon F. Maurine was the first female student at Ypsilanti High School to take classes at nearby Eastern Michigan University. Her later education at Michigan State was interrupted by her December 1946 marriage to Jack Moody, a divinity student at Boston University. She met him on a trip home from an intensive Spanish course at Middlebury College.

After their marriage, Jack and Maurine lived in various towns in Northeastern Ohio, including Mt. Vernon, until an advertisement in the back of Harper's Magazine touting a low-residency option for completing college caught Maurine's eye. With the full support of her husband, she graduated from Goddard College in Vermont in 1969. Maurine later earned a Master's degree in Social Work from Case Western Reserve University. Maurine liked travel, books and articles that taught her something: investing, meeting people from different countries and cultures, and setting a pretty table. She was a social worker to her core, with a suggestions for improving just about everything. Always up for an adventure, in her 70's she rappelled down a cliff when her oldest grandson refused to do so. RETENTION SCHEDULES FOR LOCAL CHURCH, DISTRICT, AND ANNUAL CONFERENCE East Ohio Conference

The General Commission on Archives and History (GCAH) has created a document called *Guidelines for Managing Records of the Annual Conference and the Local Church*. As the title suggests, the Commission has provided guidelines for retention of various record types, in the hope that local churches, districts and annual conferences will use them to create their own formal retention schedules.

The complete document can be downloaded from www.gcah.org. Look under “**Ministry Resources**” to find this publication. You will also find retention charts that have been excerpted from the publication for **the local church, the district, and the annual conference**. The document and the charts can be easily printed. Links to the charts are provided for easy access, but full explanations of the record types are found within the publication itself. You will notice that the district chart is small. District offices may follow the guidelines for annual conference, with the exception of the record types given in the district chart. For your convenience, the charts are printed on the following pages with the permission of GCAH.

There are three columns in the charts following the type of record and a record description. The column “Total” indicates the total number of years a record should be kept. If the word “Permanent” appears in this column, the records should be kept in perpetuity. If a certain number of years appears in the column, the record creator can shred material once that number of years has passed. The column “Current” indicates the number of years records should be kept accessible for use (e.g. in an office file cabinet). For example, if the chart indicates 7 years in the “Total” column and 2 years in the “Current” column, this means that the record type need be kept a grand total of seven years, with the two most current years kept accessible in an office drawer or accessible location.

Where are the “Permanent” records to be kept? Local church records are to be kept onsite in the local church archives, and are only transferred to the Conference archives if the church closes. District and Conference permanent records may be deposited at the Conference archives, the Archives of Ohio United Methodism, after consultation with the Conference archivist.

The **Archives of Ohio United Methodism** (AOUM) is the official repository for both the East and West Ohio Conferences, located at Ohio Wesleyan University, Beeghly Library, Delaware, Ohio.

- **Local Church Records** – Please note that your “permanent” records need to be archived in your local church archives, not the Conference archives (Archives of Ohio United Methodism, AOUM) located at Ohio Wesleyan University. If a church closes, the items marked “permanent” will be deposited at AOUM by the district superintendent. When churches merge, the new church should retain all records of the former churches. Membership records (birth, marriage, death, pastoral records) should never be destroyed. In fact, it is recommended that the local church have such records microfilmed. Churches keeping such records electronically are reminded to print them off each year and keep a copy off-site.
- **District and Annual Conference Records** – Boards, commissions and agencies are encouraged to deposit minutes and important publications at the Conference archives (Archives of United Methodism, AOUM) at the end of each quadrennium for permanent safekeeping. Consult with Conference archivist to arrange the transfer.

The **Archives of Ohio United Methodism** houses several types of materials:

- **Ohio Conference Journals** from our current and predecessor denominations – UMC, Methodist Episcopal, Methodist, United Brethren, Evangelical, Methodist Protestant, and Evangelical United Brethren (EUB).
- Historical collection of periodicals from all of the predecessor denominations (*Western Christian Advocate*, *Pittsburgh Christian Advocate*, *Religious Telescope* (limited holdings) *Evangelical Messenger*, *Christliche Apologete*, *Methodist Magazine*, *Ladies Repository*, etc.)
- **Local Church History Files** – Each church in the Conference has a history file that is constantly being updated by local church historians and others. These files contain published and unpublished histories, anniversary programs, photographs, photo-directories, newspaper clippings, etc. Additions of this type are always welcome. These should be duplicates of material, not one-of-a-kind items.
- **People Files** – Files of clippings, photographs, general biographical information about clergy (non-personnel related), publications, etc.
- **Subject Files** – Files of clippings, brochures, articles related to UMC historical events, topics, organizations, with particular emphasis on the state of Ohio
- **Closed Church Records** – Membership records, administrative/program material for churches that have closed, deposited by the district superintendent
- **Minutes and Publications of boards, commissions, agencies**

- Manuscript diaries, correspondence (clergy and missionaries)
- Published books dealing with UMC history in Ohio and beyond – biographies, theological works, hymnals, Disciplines, etc.

Personal papers of clergy are actively solicited by the Archives of Ohio United Methodism. This includes pastoral records, sermons, published books, photographs, diaries, and correspondence that will help future researchers to understand United Methodism in the state of Ohio. Also solicited are quarterly conference minutes from 19th century circuits that contain records of several churches.

CONFERENCE POLICIES AFFECTING CLERGY

The Covenant

1. Members in full connection with an annual conference by virtue of their election and ordination are bound in special covenant with all the ordained ministers of the annual conference. In the keeping of this covenant they perform the ministerial duties and maintain the ministerial standards established by those in the covenant. They offer themselves without reservation to be with their fellow ministers in mutual trust and concern and seek with them the sanctification of the fellowship. Only those shall be elected to full membership who are of unquestionable moral character and genuine piety, sound in fundamental doctrines of Christianity, and faithful in the discharge of their duties. (*The 2016 Book of Discipline*, ¶¶340, 328, 321 and Judicial Council Decision 406)

Professional Standards

2. Clergy shall observe the following professional standards:
 - a. We respect the parish of another clergyperson and perform a service in that parish only at the invitation of the assigned clergyperson (¶341.4).
 - b. A clergyperson who has retired or been appointed to a new charge shall not return to the former charge for at least one year and with the invitation of their successor(s).
 - c. Clergy who attend, but are not appointed to a charge (who may be retired or serving in extension ministry) are to respect the work of the clergyperson appointed to that charge. At the invitation of the appointed clergyperson, credentialed clergy may preside over sacraments, funerals, and weddings at that charge. At all times, clergy are to seek to enhance, not undermine, the pastoral authority of the clergyperson under appointment at charge.
 - d. We deal honorably with the record of our predecessor and successor.
 - e. We give endorsement only to those movements, agencies, or individuals who have been thoroughly investigated and have our full personal approval.
 - f. We respond to community calls for our service as a part of our ministry to the church.
 - g. We promote the entire program of the church.
 - h. Makes effective use of social media to Do No Harm and Do Good.

Retirement

3. A retiring clergyperson shall complete the following:
 - i. Prior to announcing their retirement, clergy shall contact their Superintendent, Bishop, and the Board of Ministry with their request in writing (¶357). Retirement requests should be submitted by December 1st in order to better care for the church. Clergy are expected to retire as of June 30th unless there are extenuating circumstances.
 - ii. Prior to their retirement, clergy shall engage in Conference provided transition training.
 - iii. Prior to their retirement, clergy shall provide clear written communication, in consultation with their successor and Superintendent, to the congregation establishing clear boundaries to include at least (1.) social media contact and (2.) the expectation that all pastoral services will be conducted by the newly appointed clergy.
 - iv. Prior to gaining charge conference membership for retirement, clergy should request approval from the current pastor of that appointment.
 - v. Local Pastors who are currently under appointment (full or part-time) shall be invited to participate in the retirement service and related retirement activities only if they have met the following requirements:
 1. The local pastor has completed the five year Course of Study (or)
 2. The local pastor has completed ten years of service without interruption as an episcopally-appointed local pastor.

Sabbath Day

3. Clergy are expected to take one day a week for Sabbath and inform the congregation of that day. In addition, one day per week should be reserved for personal and family responsibilities.

Annual Time Away

4. The clergyperson shall work with the Pastor-Parish Relations Committee each year to plan as far in advance as possible concerning the needs of the clergyperson to be away for vacation, continuing education and professional responsibilities. Such advance planning will help to ensure adequate coverage of responsibilities during the clergyperson's absence and to provide for a balance of time spent between serving the local church and providing for other professional opportunities and responsibilities.

Vacation

- a. The minimum annual (July 1- June 30) vacation schedule for clergypersons be (weekly Sabbath day and personal day not to be counted as a vacation day):
 - 1) 25 days paid vacation for clergy appointed full-time.

- 2) Conference members serving in less-than-full-time appointments shall be entitled to vacation in proportion to the percent of time they are serving. The minimum shall be:
 - Appointed at 75%: 18 days
 - Appointed at 50%: 13 days
 - Appointed at 25%: 6 days
- 3) Clergy shall be entitled to five Sundays of vacation regardless of full-time or less than full-time appointment status.
- 4) Service in a leadership capacity at a Conference-sponsored event or attendance at Annual Conference shall not be considered a part of the clergyperson's vacation time
- 5) The completion of ministerial education requirements such as seminary or the Course of Study shall not be considered a part of the clergypersons's vacation time.

Continuing Education

- a. Clergyperson serving a local church, who has graduated from the Jurisdictional Course of Study or from an accredited seminary, having completed the requirements for associate, probationary, or full Conference membership, shall be granted up to 14 days, including two Sundays, annual study time for continuing education with full remuneration and benefits. A request for further study time, with plan of scholastic study, should be made in writing to the Pastor Parish Relations Committee and district superintendent and carry approval of each. This time segment granted for continuing education is an addition to that provided for vacation. The local church is encouraged to share in the cost of continuing education.
- b. For the completion of the education requirements of licensed and ordained ministry, an appointed clergyperson shall be granted an additional up to fourteen days, including two Sundays, time away.
- c. In our connectional church, part of the leadership responsibility must be filled by pastors and lay persons working in district and conference agencies, including Conference Camping program, and in other connectional tasks. Clergy time away from the parish for this kind of ministry will be negotiated with the Pastor Parish Relations Committee with consultation with the District Superintendent.

Board Of Ministry Explanation of Changes to Vacation and Time Away Policy

Submitted by Rev. Jonathan Priebe, chairperson

The Annual Conference 2021 update to the Clergy Vacation and Time Away policy was proposed by the Board of Ministry so that local pastors and ordained clergy will have equal time away for education, rest, family, spiritual renewal, and other opportunities.

Changes to the policy include:

- Increasing the minimum number of vacation Sundays for full-time clergy from four to five. This is in addition to two Sundays for continuing education and renewal leave. This means that a clergyperson who is responsible for a pulpit should preach no more than 45 Sundays per year plus special services and holidays. Adequate days are enumerated in the policy so that clergy have the entire week off when they take a Sunday of vacation;
- Changing policy language so it reflects that clergy are expected to take to take a regular "Sabbath" day off each week on which they are unavailable for church work, instead of only being encouraged to do so;
- Encouraging clergy to have a day that is generally reserved for home and family work, but on which they may occasionally do church work: finishing a sermon, responding to a pastoral emergency, officiating a wedding or funeral, etc.; and
- Encouraging clergy who work on that day to adjust the rest of their work week to make up for those lost downtime hours so that they keep their schedule healthy and manageable.

The new policy is not "how things used to be" but is more fair for all clergy.

Educational and Professional Responsibilities

5. Pastors working on a graduate degree or any other major academic program shall develop a plan for the allocation of their time use among church responsibilities, study responsibilities and personal time (vacation). This plan shall be affirmed each year in consultation with the district superintendent and with the Pastor/Staff Parish Relations Committee.

First Sunday in New Appointments

6. All pastors receiving new assignments shall be responsible for their new pulpits for the first time following Annual Conference on a Sunday determined by Cabinet action.

Salary Schedule

7. The salary for pastors shall be paid by local churches from July 1 through the succeeding June 30.

Non-Appointive Staff

8. Churches planning to employ a non-appointive part-time or full-time pastor, director of music, business administration or Christian education staff person, shall consult with the district superintendent concerning the person to be employed and come to a mutual agreement.

Employment of Evangelists

9. Our churches and pastors shall observe strictly the provisions of ¶341.1 in the 2008 *Book of Discipline* regarding the employment of evangelists who are not of our denomination: "Pastors shall first obtain the written consent of the district superintendent before engaging for an evangelist any person who is not a conference evangelist, a regular member of Annual Conference, a local pastor, or a certified lay speaker in good standing in The United Methodist Church."

East Ohio Parental Leave Policy

Statement of Purpose

"We believe the family to be the basic human community through which persons are nurtured and sustained in mutual love, responsibility, respect, and fidelity"¹. While recognizing that families take on different shapes and sizes, and the needs of each family are unique, we seek to love one another and enable all members of the body of Christ to grow and flourish. The East Ohio Conference supports families and advocates for parental leave for all persons welcoming a child into their home, both clergy and lay. Further, we encourage all parents who are welcoming a child into their home to make full use of parental leave policies.

The World Health Organization and the International Labor Organization advocate for "at least 14 weeks of parental leave"² and The Book of Discipline of The United Methodist Church allows for up to 13 weeks of parental leave for clergy families³. The East Ohio Conference has developed this policy in order to assist clergy families, local churches, district superintendents, and the Annual Conference in caring for family and advocating for parental leave in the church and beyond the church.

BOD Foundations

¶ 355. **Maternity or Paternity Leave** - Maternity or paternity leave, not to exceed one-fourth of a year, will be available and shall be granted by the bishop and the Cabinet, and the Executive Committee of the Board of Ministry to any local pastor, provisional member, associate member, or clergy member in full connection who so requests it at the birth or arrival of a child into the home for purposes of adoption.

1. Persons desiring maternity or paternity leave should file their request with the committee on pastor-parish relations after consulting with the district superintendent at least 90 days prior to its beginning to allow adequate pastoral care for the churches involved to be developed.
2. During the leave, the clergy member's annual conference relations will remain unchanged, and the health and welfare benefit plans will remain in force.
3. A maternity or paternity leave of up to one-quarter of a year will be considered as an uninterrupted appointment for pension purposes.
4. Compensation will be maintained for no less than the first eight weeks of leave.
5. During the leave time, pastoral responsibility for the church or churches involved will be handled through consultation with the committee on pastor-parish relations of the local church(es) and the district superintendent.
6. Special arrangements shall be made for district superintendents, bishops, and those under special appointment.

EOC Policy for Births and Adoptions

1. All clergy in the East Ohio Annual Conference who are expecting the birth or adoption of a child are eligible for Parental Leave (maternity or paternity leave in The Book of Discipline of The United Methodist Church 2016, ¶ 355). This policy applies to all clergy, regardless of their part-time or full-time status. Parental leave is guaranteed to all clergy who request it within the guidelines of this policy.
2. Clergy are encouraged to begin communication with their district superintendent as soon as they are able to publicly share the anticipation of a child's arrival. Families giving birth are encouraged to begin planning as soon as they are public about their pregnancy. Adoptive parents are encouraged to make a plan as soon as they are approved for adoption/foster parenting. Parental leave must be requested at least 90 days in advance of the anticipated beginning of the leave, in accordance with The Book of Discipline of The United Methodist Church.
3. Parental leave shall be encouraged and permitted for up to 13 weeks with full pay and will not affect the clergy person's pension, health benefits, and appointment status.

4. Churches will maintain their regular compensation for clergy on leave for the duration of the leave.
5. The district superintendent will consult with the pastor to arrange coverage for the duration of leave.
6. The annual conference will assist local churches with additional funding for pastoral coverage and compensation, in consultation with the pastor and the SPRC, up to \$10,000* per leave.
7. Parental leave may be taken consecutively or non-consecutively, full- or part-time, according to the needs of the family. All parental leave must be taken within nine months of the placement or birth of the child.
8. Parental leave is not vacation. The use of parental leave does not affect the clergy person's use of their annual vacation granted in the Annual Conference Rules.
9. Churches will make reasonable accommodations for breastfeeding and pumping parents, as well as for the feeding of infants. This can include private space, access to an outlet, and time/space to feed according to the infant's needs.
10. Churches will also examine their personnel policies for lay staff and are encouraged to ensure adequate and equal parental leave for all.
11. Clergy in the annual conference will support and promote parental leave, including by providing pastoral care coverage if asked and needed, in accordance with their schedule.

*Note: At the time of the Pre-Conference Workbook deadline, "up to \$10,000" per birth or adoption was approved by the EOC Board of Ministry and Cabinet, contingent upon conversation with Conference Council on Finance & Administration. This is based upon the expectation of two to four births or adoptions per year, as well as the amounts often paid to retired clergy who substitute for clergy out on medical reprieve for conditions such as cancer, joint replacement, etc. This recommendation will be affirmed or revised at Annual Conference 2023.

EOC Policy for Foster Care Placements

The EOC recognizes the significant need for foster care families. The intended temporary nature, often short notice, and government financial support of foster present different needs to address and support from birth or adoption.

1. Clergy who serve as foster parents should be in communication with their district superintendent and the SPRC at the time of appointment or during the licensing process.
2. Foster parents are encouraged to make an advance plan of contingencies as soon as they are approved for adoption/foster parenting.
3. Should a clergy family welcome a child into their home for foster care, a specific plan will be worked out between the district superintendent, SPRC, and the clergy family, with the goal of caring for the family.
 - a. Foster parents generally anticipate taking off work for some days at the beginning of the placement, to arrange for day-care and/or school enrollment, potential medical or caseworker appointments, etc., and then returning to a more normal work schedule more quickly than after the birth of a child. Foster parents may also need a few days at the end of a placement as well, to care for both the logistics and grief of transition.

East Ohio Parental Leave Procedures

Clergyperson's Responsibilities & Action Steps:

1. Clergy are encouraged to begin planning for Parental Leave as soon as possible. Think through the logistics and needs of your family, ensuring that you consider what will best serve your family. Parental Leave may be taken for up to 13 weeks for birth or adoption, consecutively or non-consecutively, full or part time, and must be taken within nine months of the birth/arrival of a child.
2. Talk with your district superintendent before sharing the news with your local church.
3. Share your plans for Parental Leave with your SPRC.
4. Submit a formal Parental Leave request at least 90 days in advance to the district superintendent, Episcopal office, and the Board of Ministry Conference Relations registrar.

5. If needed or desired, the district superintendent will meet with the SPRC to discuss the Parental Leave policy, benefits, and needs of the congregation.
6. Work with the SPRC to determine the local church resources and needs during the leave. Request funding (up to \$10,000* per leave) by submitting a budget for the expenses of pastoral coverage during leave to the district superintendent.
7. Arrange pastoral coverage for the duration of your leave. The district superintendent is available to assist you if desired.
8. Communicate your Parental Leave plans to the SPRC, district superintendent, and local church/ministry setting.
9. As the child's arrival date nears, ensure all notes and pastoral coverage plans are in place and have been communicated to all involved.
10. Set appropriate boundaries with local church leadership as to your needs during leave. Think about if you wish to be contacted during your leave, and under what circumstances. Communicate your boundaries clearly, and ensure that the local church/ministry setting understands your availability during leave. (Think about how or if you will respond when a parishioner calls you. What about if there is a funeral? What will happen to emails that are sent during your leave?) Ensure that communication is kind and clear so that all know what to expect.
11. As the child's arrival date nears, it may be helpful to have back up pastoral coverage and worship services ready, in case of unanticipated circumstances. Consider developing a lay-led service or two and equipping members to be prepared in the event they need to lead without you.
12. When your child arrives and your leave begins, inform your district superintendent and SPRC.
13. Take full advantage of the Parental Leave benefits offered to you, for the benefit of your family.

*Note: At the time of the Pre-Conference Workbook deadline, "up to \$10,000" per birth or adoption was approved by the EOC Board of Ministry and Cabinet, contingent upon conversation with Conference Council on Finance & Administration. This is based upon the expectation of two to four births or adoptions per year, as well as the amounts often paid to retired clergy who substitute for clergy out on medical reprieve for conditions such as cancer, joint replacement, etc. This recommendation will be affirmed or revised at Annual Conference 2023.

District Superintendent and Conference Responsibilities & Action Steps:

1. District superintendents will support clergy and encourage the full use of the EOC Parental Leave Policy.
2. If desired, district superintendents will meet with the SPRC to discuss the Parental Leave policy, Foster Care Placement policy, benefits, and needs of the congregation, for birth, adoption, or foster care placement.
3. District superintendents will receive Parental Leave coverage budgets from local churches/ministry settings and will ensure that funding is provided (up to \$10,000 per leave) in accordance with the EOC Parental Leave policy.
4. District superintendents will remain in consultation with the clergy as pastoral coverage is arranged. If desired, the district superintendent will assist the clergy person in finding appropriate coverage.
5. District superintendents will help interpret and support the need for space and time for grieving for clergy families experiencing pregnancy or infancy loss or at the end of a foster placement. District superintendents will be in consultation with clergy and the SPRC to arrange this time. This time will not affect a clergy person's annual vacation.
6. District superintendents will encourage good boundaries during Parental Leave.
7. The annual conference will support and promote Parental Leave and will advocate for Parental Leave in all aspects of society.
8. The BOM, Cabinet, and COSROW will review and update the Parental Leave policy at least quadrennially.

Parsonage Standards

1. Implementation:
 - a. Trustees have responsibility for the care and maintenance of the parsonage. Each church shall have an active parsonage committee with charge of an adequate budget for the parsonage. This committee may be a sub-committee of the trustees. However, membership shall include a representative from the Pastor Parish Relations Committee, at least one woman, and some persons with a sense of décor and maintenance.
 - b. The committee shall conduct an annual inspection of the parsonage with the parsonage family, reporting to the Charge Conference to be followed by action where necessary.
 - c. Each parsonage committee, in consultation with the parsonage family, shall recommend periodic (three to five years) painting and decorating.
 - d. Pictures and other wall decorations shall be hung in a way that minimizes damage to walls and woodwork.
 - e. Each parsonage committee should work out guidelines concerning pets in the parsonage. It is understood that pets are not prohibited; but damage in the parsonage caused by pets shall be the financial responsibility of the parsonage family (see letter I below).

- f. District superintendents through the appropriate committee, which normally would be the District Committee on Mission and/or the District Board of Church Location and Building, is required to see that all these standards are carried out in the purchase and/or building of new parsonages. In the event that the bacteria cannot be removed after 4 successive treatments, an appropriate water treatment system should be installed to ensure a safe water source. POLICY ON CLERGY HOUSING

It is recommended that the East Ohio Conference of The United Methodist Church affirm the continuance of the policy of the Charge/Parish providing housing for the pastors according to the Conference standards to be administered by the appropriate committee, which normally would be the District Board of Church Location and Building, recognizing that there are situations in which a Charge/Parish or pastor would necessitate other housing arrangements.

In this latter situation, housing arrangements other than parsonage, the arrangement shall be agreed upon by the bishop, district superintendent, the pastor, and the local Pastor Parish Relations Committee with the advice and consent of the District Board of Church Location and Building. Copies of this record or agreement shall be kept in the district and Area offices.

In the implementation of this policy by the district superintendent, and the above named parties, the following guidelines are to be followed:

1. The district superintendent shall present the advantages and limitations to the charge/parish and pastor when either the Charge or pastor desires the ministerial housing option.
 - a. The charge/parish needs to understand that a ministerial housing allowance policy commits the charge/parish for the duration of a pastorate.
 - b. If the parsonage is sold, proceeds from the sale shall be kept in a fund for the purchase of another parsonage when the charge/parish elects to purchase one. All principal earned shall be accumulated in the fund to insure the ability to purchase a parsonage in the future, and thereby protect the itinerant system. If monies in this fund exceed what is required to buy a new parsonage in that locale, the District Board of Church Location and Building can approve withdrawal of excess funds. If a period of five years has passed and there is no evident need to purchase another parsonage, then escrow funds may be released for the purpose of church capital improvements or church debt reduction. The church must submit as a part of their request for the release of these funds a written plan for providing a parsonage should the need arise in the future. The evident need and release of funds shall be determined by a two-thirds (2/3) vote of the local church conference, and by two-thirds (2/3) vote of the respective District Board of Location and Building and written approval of the district superintendent. This policy will be applied retroactively to churches that are currently holding funds in escrow from the sale of a parsonage.
 - c. Those churches presently spending the principal from the parsonage sale for non-capital purposes or non-capital debt retirement purposes will have 5 years to comply with item 1b.
 - d. Interest income earned from the invested principal can be invested along with the principal as the SUGGESTED policy of this annual conference. This investment of interest income is done on a voluntary basis by the local church/charge. However, the local church/charge may choose to use the interest income as part of the ministerial housing allowance – as agreed upon annually by the district superintendent, District Board of Church Building/Location, Pastor-Parish Relations Committee of local church/charge, and the pastor.
 - e. Any change in ministerial housing, especially sale of parsonage, shall be approved by the district superintendent, pastor, local Pastor Parish Relations Committee, and District Board of Church Location and Building.
2. When a pastoral change is made, the sale of the pastor's house is his or her responsibility and the charge/parish or new pastor is not obligated to purchase the said house.
3. When the pastor rents his/her own housing, the local church shall pay rental allowance to the pastor plus full utilities. Rental allowance shall be at least the smaller of:
 - a. Actual rental of home or apartment which meets size needs of the pastor's household.
 - b. Average rental cost of a home or apartment unit in good condition in the parish setting which meets size needs of the pastor's household.
4. When the pastor purchases his/her own housing, the local church shall pay housing allowance to pastor plus full utilities. Housing allowance to be considered shall be an amount based on the average home in parish setting, sufficient to cover (a) principal and interest mortgage payments with 25 year amortization after down payment of at least 10% made by pastor, (b) property taxes; (c) fire and liability insurance.
5. The pastor and the congregation represented by the Pastor Parish Relations Committee shall agree in writing that a ministerial housing allowance will not interfere with the United Methodist system of appointing pastors.
6. The ministerial "Rental/Housing Allowance Agreement" shall be reviewed annually by the Pastor Parish Relations Committee and a recommendation made to the Charge Conference for its approval. Signed copies of the "Agreement" shall be given to the District Board of Church Location and Building and the Area office.
7. If a new pastor does not desire a housing allowance, the church shall provide adequate housing according to current parsonage standards set by the Annual Conference. (*The Book of Discipline* 2012, ¶252.4.e).
8. References from *The Book of Discipline* (2012) applicable to this policy, will be found in ¶252.4.e and ¶258.2.g.(16).

POLICY FOR CARE OF DISTRICT PARSONAGES

Presented for Information of the Annual Conference

Adopted by the Board of Trustees 3/20/99

Revised by the Board of Trustees 5/15/2010

In regard to district parsonages, the goal of the Conference Board of Trustees is to provide comfortable, well-maintained homes for the use of Superintendents and their families. In order to fulfill this intention, the following policy is adopted.

- 1 While budgetary considerations are important and will be observed, our primary concern is for the safety and well being of the district parsonage families.
- 2 Without prior authorization, superintendents may expend up to \$250 for emergency repairs and routine maintenance. Bills for these items will be sent to the Conference administrative services director for payment.
- 3 Each district parsonage will have an annual allowance for lawn care and snow removal; the amount will be determined by consultation between the Conference Administrative Services director and the district superintendent.
- 4 Emergency and/or unscheduled needs will be communicated to the Administrative Services director. If they are unavailable, contact should be made with the Parsonage Trustee or the president of the Board.
- 5 A schedule for routine maintenance and redecoration (wall and floor coverings, exterior painting, etc.) will be formulated for each district parsonage, with special attention to years when there is a projected change in superintendents.
6. The parsonage trustee shall be appointed by the Board of Trustees.
- 7 There will be an annual visit to each district parsonage, scheduled by the Administrative Services director in consultation with the parsonage family, by a committee consisting of:
 - Parsonage Trustee (or Trustee designate)
 - A second Trustee is preferred
 - Consultant
 - The chairperson (or representative) of the district's Superintendency Committee and/or a representative of the District Church Building and Location.
 - The district parsonage family
 The purpose of the annual visit will be:
 - A. To inspect the parsonage for care, condition and potential major maintenance needs;
 - B. To receive recommendations and requests for possible improvements from the parsonage family.
8. Reports of these annual visits will be made in writing to the Board of Trustees at its next meeting, along with recommendations for implementation. A copy of the report will also be sent to the Superintendent and the Chairperson of the district's Superintendency Committee. The Board of Trustees will communicate its disposition of parsonage family requests to the Superintendent within a week after they are considered.
- 9 If damages beyond normal wear are claimed by the BOT, then the cost of repairs will be billed to the responsible district superintendent. A copy of estimated cost to repair damages will be given to the Bishop to facilitate a plan for reparation.
10. The president of the Conference Trustees and the parsonage trustee will meet with the Cabinet at least annually to review the process by which the Trustees are caring for district parsonages and to receive proposed changes in this policy.

RACIAL HARASSMENT POLICY**Policy Statement****DON'T BE SILENT!**

Racial harassment is an act of covert or overt racism.
Racism is a sin because it is antithetical to the gospel itself.
We celebrate the worth of all persons.

I INTRODUCTION:

The East Ohio Annual Conference of The United Methodist Church voted during its June 1995 meeting to form a Racial Harassment Task Force. The task force was given the task of developing and presenting an Annual Conference Policy on Racial Harassment. Bishop Boulton appointed the task force and during the course of the last year, the group has met to develop the necessary policy statement. The directive from the Annual Conference called for the Racial Harassment Task Force to:

address racial harassment of church member or community person to clergy, clergy to clergy, community or church member to clergy family, and clergy to church member or community. It should include, but not be limited to: the theological foundations for responding to racial harassment, definitions (behavior, language, and environment), identification of a crisis intervention team, a plan for communication amongst and between the bishop, the cabinet and the commission, a plan for fact finding and reporting, a process for deciding how and when information is to be shared, identification of the appropriate responsible persons, the role of the local congregation and its leadership (i.e., PPRC), and at what point outside agencies and services will be needed or utilized. The policy should also address responsibility for pastoral and family care. (Page 254, Volume II, 1995 Journal, includes motion to amend found on page 121 in the Daily Proceedings, Volume II, 1995 Journal).

In our research for existing Racial Harassment Policy Statements, we found very little official statements within The United Methodist Church. We gathered information from General Commissions, annual conferences, colleges and universities across our country in the hope of learning and developing a meaningful statement. The Rural Racism Task Force Report to General Conference, which was approved, was the most comprehensive resource we discovered examining racism and ways to confront, overcome and bring wholeness to our church and communities. Additionally, Rev. Sue Ellen Miller, West Ohio pastor and chair of the Commission on Religion and Race, led the task force through a discernment process. Ms. Constance Clark shared the process the YMCA went through in developing a Racial Harassment policy and helped guide us in developing an approach for East Ohio. The task force developed a training module for use in local churches, districts, and across the conference to:

1. Define racial harassment,
2. Invite participants into active involvement in recognizing and responding to racial harassment,
3. Present a clear theological and historical statement on racial harassment,
4. Make a clear statement on the United Methodist perspective and response to racial harassment as stated in the Discipline and Book of Resolutions,
5. Help participants to experience the universality and commonality of racial harassment.

Additionally, Mr. Charles Lewis, East Ohio Chairperson of the Commission on Religion and Race, reviewed the existing Guidelines for Reviewing, Investigating, and Conducting Hearings of the General Commission on Religion and Race. The task force agreed that a general policy already exists on how the church should respond to racial harassment. These are found in *The Book of Discipline* (2008) and *Book of Resolutions* (2008).

The following report is a result of our journey towards wholeness and inclusivity in the life of the church. We believe the time is at hand to be prophetic and honest about the reality of racism and the call for basic human dignity for all. God's grace strengthened, sustained and awakened the task force to the vision of justice for all people.

II. THEOLOGICAL STATEMENT

The prophet, Micah, proclaims: The Lord has told us what is right and what he (the Lord) demands: *"See that justice is done, let mercy be your first concern, and humbly obey your God."* (Micah 6:8, CEV) The church is called to do the work of the God who executes justice and mercy, lest we fail to walk humbly with God. The plan of God, in creation, was and is to unite all things, both in heaven and in earth (Eph. 1:10). For this reason, Christ came into the world as our peace, and has broken down the dividing wall of hostility (Eph. 2:14). Jesus asked, *"Who are my mother and my brothers?"* Responding he said, *"All who do the will of my Father."* (Mk. 3:31) We are one body and one Spirit, called to one hope in Christ (Eph. 4:4). The role of the church is to be an agent of God's plan for unity and reconciliation. Reconciliation is the mandate of the Christian faith because God has made of one blood all persons who dwell on the face of the earth (Acts 17:26). The church, therefore, is called to proclaim the transforming and cleansing power of the Gospel of Jesus Christ, a gospel which transforms relationships and cleanses us from the sin and guilt of racial harassment. God's gracious promise is to be with us in our efforts to see that justice is done, to let mercy be our highest aim, and to humbly obey our God.

III. ADDITIONAL INFORMATION FROM UNITED METHODIST STATEMENTS

Historical Tradition of The United Methodist Church

The historical journey of The United Methodist Church is filled with faithful witnesses who stood for justice and wholeness amidst tremendous pressure and hostility. Throughout the centuries of our church's story, we have seen the church take holy and bold stands when justice was involved. **The stand for justice and inclusiveness was not without cost: for instance, the split of the early Methodist Episcopal Church in 1844.** However, Jesus Christ calls us to be a faithful witness to the world of God's love for all people. The United Methodist Church faces daily decisions by which we are to live out our faith in light of Christ's example. The 1996 *Discipline* states, *"our theological task is essentially practical. It informs the individual's daily decisions and serves the Church's life and work. Our interest is to incorporate the promises and demands of the gospel into our daily lives."*

As United Methodists, we have an obligation to bear a faithful Christian witness to Jesus Christ, the living reality at the center of the Church's life and witness. Wesley believed that the living core of the Christian faith was revealed in Scripture, illumined by tradition, vivified in personal experience, and confirmed by reason. These four elements are linked together in our quest for justice and inclusiveness in our world. We must utilize all aspects of our understanding to be faithful to our calling as Christ's church. **No action is appropriate without biblical grounding, experiential reflection, examining our tradition and utilizing the gift of reason God has given to us.**

The United Methodist Church has a long history of concern for social justice. Its members have often taken forthright positions on controversial issues involving Christian principles. Today, we live in a society which is becoming more diverse culturally, racially and economically than in years past. **We are at a crisis** in our life and our country and the church is challenged to step to the forefront and be a holy and bold witness for human dignity, compassion, and justice for all. **Sadly, we have not always fulfilled the biblical calling to be prophetic and visionary in our witness. It is time for the Church to be in the forefront in leading the process towards wholeness and justice in our country.** We hope and pray that, under God's guiding Spirit, we may be faithful to the challenge and stand fast amidst the forces, which seek to divide and destroy the human dignity of people in our country and world.

Rights of Racial and Ethnic Persons

Racism is the combination of the power to dominate by one race over other races and a value system, which assumes that the dominant race is innately superior to the others. Racism includes both personal and institutional racism. Personal racism is manifested through the individual expressions, attitudes, and/or behaviors which accept the assumptions of a racist value system and which maintain the benefits of this system. Institutional racism is the established social pattern, which supports implicitly or explicitly the racist value system. Racism plagues and cripples our growth in Christ, inasmuch as it is antithetical to the gospel itself. Therefore, we recognize racism as sin and affirm the ultimate and temporal worth of all persons. We rejoice in the gifts which particular ethnic histories and cultures bring to our total life. We commend and encourage the self-awareness of all racial and ethnic groups and oppressed people, which leads them to demand their just and equal rights as members of society.

Called to Inclusiveness

We recognize that God made all creation and saw that it was good. As a diverse people of God who bring special gifts and evidences of God's grace to the unity of the Church and to society, we are called to be faithful to the example of Jesus' ministry to all persons.

Inclusiveness means openness, acceptance, and support that enables all persons to participate in the life of the Church, the community, and the world. Thus, inclusiveness denies every semblance of discrimination. The mark of an inclusive society is one in which all persons are open, welcoming, fully accepting, and supporting of all other persons, enabling them to participate fully in the life of the church, the community and the world. A further mark of inclusiveness is the setting of church activities in facilities accessible to persons with disabilities.

In The United Methodist Church, inclusiveness means the freedom for the total involvement of all persons who meet the requirements of *The United Methodist Book of Discipline* in the membership and leadership of the Church at any level and in every place.

Support "Racism in Rural Areas" Task Force Report

WHEREAS, the Racism in Rural Areas Task Force, created by the 1992 General Conference, through comprehensive study, has indeed determined that racism is "alive and active in our society and in the church" in rural areas; and

WHEREAS, racism is sin, separating us from God and one another; and

WHEREAS, a manifestation of sin is injustice, abuse, and violence; and

WHEREAS, the task force found personal and institutional racism and interethnic conflict in rural areas throughout the United States; Therefore, be it resolved, that the 1996 General Conference of The United Methodist Church affirms the work of the Racism in Rural Areas Task Force, accepts the report, and approves the adoption and implementation of the recommendations contained in the report.

Be it also resolved, that the 1996 General Conference of The United Methodist Church designates The Elimination of Racism in its Many Forms as a special emphasis of the Church, to be addressed by every level of the Church, and to be included by every general board and agency as one of the continuing priorities for the quadrennium 1997-2000.

Racial Harassment

- *Abusive and/or derogatory language that in a subtle or overt manner belittles, humiliates, impugns, or defames a person or a group of persons based on racial and ethnic traits, heritage, and characteristics.*
- *A behavior (individual, group, or institutional) which abuses, belittles, humiliates, defames or demeans a person or group of persons based on racial or ethnic traits, heritage, and characteristics.*

- *Documentation, printed or visual, which abuses, humiliates, defames, or demeans a person or group of persons based on racial and ethnic heritage and traits, heritage, and characteristics.*

Justice

- *State of being right, or right conduct, judged either by divine standard, or according to human standards.*
- *God's justice aims at creating an egalitarian community in which all classes of people maintain their basic human rights.*
- *It may involve establishment or determination of rights according to the rules of law or equity.*

Reconciliation

The coming to agreement of two or more persons after a misunderstanding. Humans by their actions are often alienated from God. God takes the steps to overcome the alienation, and has in Christ provided a means of reconciliation.

Transformation

A change in form; outward appearance or inner orientation; to convert, to change the function, to change the personality or character.

Mercy

An inner feeling of sympathy or love which is expressed outwardly in helping action for a condition or need of others. It also denotes the divine love manifested in saving acts of grace, which God holds for God's covenant people.

Humility

A situation of lowliness or a characteristic way of acting toward God. It is primarily an attitude or a mode of acting. It does away with selfish pride, arrogance and furnishes the possibility of peace and harmony.

Grace

The undeserved, unmerited, and loving action of God in human existence through the ever-present Holy Spirit. While the grace of God is undivided, it precedes salvation as "prevenient grace," continues in "justifying grace," and is brought to fruition in "sanctifying grace." God's grace is manifest in all creation even though suffering, violence and evil are everywhere present. God's grace awakens in us an earnest longing for deliverance from sin and death and moves us toward repentance and faith.

Inclusiveness

Openness, acceptance, and support that enables all persons to participate in the life of the Church, the community, and the world. Thus, inclusiveness denies every semblance of discrimination.

IV. POLICY STATEMENT

East Ohio Conference Policy on Racial Harassment

The first two chapters of the book of Genesis describe the creative genius of God. The writers tell us that God created heaven and earth and gave life to woman and man. Animals, vegetation, and the entire universe were products of God's grace and work. The Psalmist of Psalm 24 reaffirms the relationship between all of God's creation and the divinity of God.

Yet, in spite of humanity's common legacy as God's descendants, we have consistently established differences among God's children because of their race. We have continuously engaged in verbal exchanges, behavioral demonstrations, and documentation which have rejected the sacredness of all persons. The belief that one race is superior to others has permeated our lives, thus creating the perception of inferiority of some persons because of their skin color, features, language, and their racial/ethnic heritage.

When this prejudicial and/or racist attitude is expressed in a behavior that is focused specifically in the abuse, humiliation, and defamation of persons because of their race or ethnicity, it has become racial harassment.

Racial harassment is an act of covert or overt racism. Racism is a sin because it is antithetical to the gospel itself. We in East Ohio will not condone the degrading of persons through this activity.

Therefore, be it resolved, that the East Ohio Area of The United Methodist Church defines the following conditions as racial harassment:

1. *Abusive and/or derogatory language that in a subtle or overt manner belittles, humiliates, impugns, or defames a person or a group of persons based on racial and ethnic traits, heritage, and characteristics.*
2. *A behavior (individual, group, or institution) which abuses, belittles, humiliates, defames or demeans a person or group of persons based on racial or ethnic traits, heritage, and characteristics.*
3. *Documentation, printed or visual, which abuses, humiliates, defames, or demeans a person or group of persons based on racial and ethnic heritage and traits, heritage, and characteristics.*

Be it further resolved, that the East Ohio Area of The United Methodist Church and all its agencies be given opportunity for sensitivity training provided by the East Ohio Commission on Religion and Race including the procedures for reporting and responding to complaints of racial harassment.

A. PROCEDURES FOR REPORTING AND RESPONDING TO COMPLAINTS OF RACIAL HARASSMENT

1. Anyone who desires to discuss a concern regarding racial harassment may contact their pastor, another UMC pastor, a district superintendent or the Bishop. In addition, the person may contact the Conference Commission on Religion and Race for general information and guidance concerning racial harassment policies.
2. The provisions of ¶¶ 2701-2719 of *The Book of Discipline* of The United Methodist Church (2012) shall determine, if needed, the specific procedures to be followed.

DON'T BE SILENT!

Adopted June, 1997

East Ohio Sexual Ethics Policy**Statement of Purpose & Theological Foundation**

All human beings are created in the image of God, and are beloved of God, deserving of love and respect. In the East Ohio Annual Conference of The United Methodist Church, we honor God and one another by pursuing healthy and life-giving relationships with each another. Jesus said, "You shall love the Lord your God with all your heart, and with all your soul, and with all your mind." This is the greatest and first commandment. And a second is like it: "You shall love your neighbor as yourself." (Matthew 22:37-39)

Our relationship with and knowledge of God guides and illuminates our reflections on human sexual behavior. Together we affirm that:

- God calls us to honor our bodies and gives us responsibility over our own bodies (I Corinthians 6:12-20).
- God calls us to honor the integrity of our neighbors, and their authority over their own personhood (Deuteronomy 22:25-30).
- God calls us into covenant with each other within the family of God (Deuteronomy 14:1-2; Ephesians 4:14-16).
- God calls us to support each other (1 Thessalonians 5:11, NRSV).
- God, through the church, calls leaders (whether ordained, consecrated, elected or appointed) to witness to the preciousness of bodies, our own and others; and to declare that each person is unique and of divine worth (I Corinthians 6:19-20; Ephesians 4:1).

In light of these understandings, the East Ohio Conference is committed to honor the complete integrity of one another, and in doing so, we honor and remember the Body of Christ.

This policy exists to safeguard relationships, to build up the Body of Christ, and to provide guidelines for the prevention and reporting of sexual and professional misconduct to the East Ohio Annual Conference. This policy applies to all ministry professionals working in East Ohio Annual Conference churches and shall become a part of local church policies. The East Ohio Annual Conference is committed to responding to all violations of this policy in a way that promotes true justice and accountability and in such a way that promotes healing.

Definitions

Ministry Professionals - ministry professionals (paid and unpaid) are those persons (clergy and lay) serving in positions of power and authority. Ministry professionals are charged with the sacred trust of creating and maintaining environments where all can encounter the living Christ and grow in their knowledge and love of God.

Sexual Misconduct - Sexual Misconduct within ministerial relationships is a betrayal of sacred trust. It is a continuum of sexual or gender-directed behaviors by either a lay or clergy person within a ministerial relationship (paid or unpaid). It can include child abuse, adult sexual abuse, harassment, rape or sexual assault, sexualized verbal comments or visuals, unwelcome touching and advances, use of sexualized materials including pornography, stalking, sexual abuse of youth or those without capacity to consent, or misuse of the pastoral or ministerial position using sexualized conduct to take advantage of the vulnerability of another. It includes criminal behaviors in some nations, states, and communities and is a chargeable offense in The United Methodist Church. (2016 Book of Resolutions, #2044)

Sexual Harassment - sexual harassment is a form of sexual misconduct, defined as unwanted sexual or gender-directed behavior within a pastoral, employment, ministerial (including volunteers), mentor, or colleague relationship that is so severe or pervasive that it alters the conditions of employment or volunteer work or unreasonably interferes with the employee or volunteer's performance. It can create a hostile, offensive environment that can include unwanted sexual jokes, repeated advances, touching, displays, or comments that insult, degrade, or sexually exploit women, men, elders, children, or youth. (The Book of Resolutions of The United Methodist Church 2016, #2045)

Reporting & Responding to Complaints of Misconduct

1. Violations of this policy may be reported to your SPRC, pastor, any United Methodist clergy person, the district superintendent, or the bishop.
2. All persons who have knowledge of alleged misconduct are encouraged to come forward.
3. Keep a journal to document specifics surrounding all incidents in question. Include conversation and contacts with the person, dates, times, witnesses and descriptions of the incidents.
4. When the alleged conduct constitutes a criminal act, report it to the police. A complaint which involves a child under the age of 18 must also be reported to the nearest agency charged with child protection.
5. In order for a violation of this policy to become an official complaint (subject to ¶1362 of *The Book of Discipline of The United Methodist Church 2016*) it must be presented in writing and signed by the person making the complaint.
6. All complaints will be dealt with promptly and in confidence according to ¶1362. All investigations of clergy will be conducted according to ¶2701-2706 of *The Book of Discipline of The United Methodist Church 2016*. All appropriate legal reporting practices shall also be followed.
7. Confidentiality is an important part of this process. Confidentiality means that information will only be shared on a need to know basis, at the discretion of the bishop. In the event of a signed complaint, information will be shared as outlined in ¶1362, for the purposes of accountability and repairing the harm that has been done.
8. Remember that you are not alone in this process. All persons who bring forward complaints will be heard, affirmed for coming forward, given access to support persons, and prayed for throughout the process.
9. The East Ohio Annual Conference takes seriously any violations of the sacred trust by ministry professionals.

Policy Against Retaliation

The East Ohio Annual Conference has a zero tolerance policy for retaliation against those who report misconduct or submit a complaint.

Updates to the Sexual Ethics Policy

COSROW shall update this policy at least once every four years. If any provision of this policy is in conflict with the current Book of Discipline of The United Methodist Church, the Discipline shall prevail. Such conflict shall not be grounds for invalidating this policy.

- Privileged motions are always in order, limited only by such restrictions as listed in ¶ 19, *Roberts's Rules of Order*. The motion to adjourn cannot be made when a member has the floor or when it interrupts voting or verifying a vote.
- H. **Amendments and Substitutions.** Only one amendment to an amendment shall be in order. However, it is in order to move a substitute which is an alternative for the main motion. In such case the chair shall proceed to perfect the original motion. When the main motion has been perfected, the chair shall proceed to perfect the substitute. When the substitute has been perfected, the chair shall call for a vote on the substitute. If the substitute is carried, it shall replace the original main motion and become the main motion. The chair will then call for a vote on the (new) main motion. The new main motion can

be amended only by addition. If the substitute does not carry, without further debate the chair shall call for a vote on the original motion as it has been perfected.

- I. **Division of the Question.** Before a vote is taken, any member may move to divide the question into two or more questions as the mover specifies, so that a separate vote can be taken on any particular point or points. If the conference sustains the motion, the division shall be made.

No member shall speak more than three minutes at any time without leave of the conference, provided, however, that a committee making a report shall be entitled to three minutes to close the discussion. There may be no more than three persons speaking in favor of any debatable motion and three persons speaking in opposition of the motion. The motion to limit or extend the limits of debate is in order at any time, except when a member has the floor.
- L. **Motions After Speaking on a Pending Question.** A member who has spoken on a pending question may not, at the close of his or her speech, call for the previous question or move to table the motion.
- M. **Who May Vote.** Every member who is seated within the voting area of the conference at the time of the question is put may vote. A member who is not within the voting area of the conference at the time the question is put by the chair may not vote, unless his or her absence is necessitated by the work of the conference.
- N. **Previous Question.** When any member moves the previous question (that is, that the vote be taken on the motion or motions pending), the member shall indicate to what the previous questions shall apply if any secondary motion or motions are pending. If the member does not so indicate, the chair may regard the motion as applying to the immediate pending question. This vote shall be taken without debate and, if in the judgment of the chair two-thirds of those who are present vote for its adoption, the vote shall be taken on the motion or motions to which it applies.
- O. **Interrupting the Speaker.** No one shall interrupt a member who has the floor except for:
 - 1. A breach of order
 - 2. A misrepresentation
 - 3. To direct the attention of the conference that the time has arrived for a special order of the day

- Q. **Suspension of Rules.** The application of any vote of the provisions of these rules of order may be suspended at any time by a two-thirds vote of the conference.
- R. **Robert's Rules of Order, Supplementary Authority.** In any parliamentary situation not covered in these rules of order, the conference shall be governed by *Robert's Rules of Order, Current Edition*.
- S. **Adoption of Business by Consent.** In order to expedite the business of the conference, the Committee on Agenda, Rules and Administrative Process, in consultation with agencies or individuals presenting reports, recommendations or resolutions, may, on the opening day of the conference sessions, present a written list of items which shall be considered as adopted by consent of annual conference, unless they are removed from this list at a time set aside for this purpose on the second day of conference. A motion supported by 25 members of the conference shall be required to place an individual item from the consent list on the agenda. The Committee on Agenda, Rules and Administrative Process shall determine where on the agenda such an item or items shall appear.
- T. **Authority of the Presiding Bishop.** The presiding bishop shall be the legal chairperson of the annual conference. The chairperson shall decide points of order raised by the members, and shall rule on points of order not raised by the members, as the chair deems necessary to conform to these rules, subject, in both cases, to an appeal to the conference by any member without debate, except that the chairperson and the appellant, in the order here named shall both have three minutes for a statement in support of his or her respective positions. A tie vote in the case of appeal shall sustain the chair. Any member who raises a point of order shall cite the rule adjudged to have been violated. The presiding bishop shall have the right to recess a session of the annual conference at any time at his or her discretion and to reconvene at such time as he or she shall announce. The presiding bishop shall also have the right to stipulate that the session shall reconvene with only members, authorized personnel and authorized guests permitted to attend such a session.
- U. **Bishop's Right to Speak on Issues.** The bishop is not, and by church law cannot be, a member of the body over whom he or she is charged to preside. But he or she is head of the area, vitally concerned with the decisions of conference. Therefore, the bishop shall have the right to speak on the issues before the conference, provided that the bishop feels he or she should apprise the conference on matters pertaining to it.
- V. **Amending Rules.** The rules of the annual conference shall be those printed in the latest *Conference Journal* until they have been altered or modified by the action of the annual conference. These rules may be amended or changed by a two-thirds vote of the conference, provided the proposed change or amendment for parliamentary rules, rules of procedure, annual

conference membership, Conference secretary, General and Jurisdictional nominations and election of delegates has originated in the Agenda, Rules and Administrative Process Committee. Proposed changes in the procedures for nominations and elections, organizational procedure for councils, boards, commissions and committees and district organizational matters must be presented to the Leadership, Nurture and Evaluation sub-division of the Leadership Committee. The Leadership Committee, as a whole, must act upon the change and present it to annual conference.

¶12. RULES OF PROCEDURE

- A. **Attendance.** It is the duty of every ministerial member and local pastor under appointment of the annual conference to attend conference sessions and to furnish such reports in such form as *The Book of Discipline* may require. Resolutions may be submitted by any member of a United Methodist church or an annual conference organization in the East Ohio Conference.
- b. Resolutions shall be presented to the Conference secretary prior to the announced deadline for inclusion in the Pre-Conference Workbook. Where the secretary receives two or more substantially identically worded resolutions, the secretary may print one, indicating the total number of petitions received on that subject.

- c. Following the presentation by the sponsor, debate on the resolution shall be limited to two speeches in favor and two speeches in opposition of two minutes each. Any amendments to the resolution shall also be limited to two speeches in favor and two speeches in opposition of two minutes each. Resolutions may be amended until the previous question is called. Following debate, the conference shall then vote to approve or disapprove the resolution as amended. A two-thirds affirmative vote shall be necessary for adoption of the resolution as well as any amendments to the resolution.
- d. When the resolution is a petition to the General Conference, the following additional rules shall apply:

- J. **Source of Funding.** If action on a motion will require funding not specifically included in the budget, the motion shall include a recommended source of funding.
- K. **New Organization.** All requests and/or motions which would expand the conference structure by establishing a new program or committee within the Annual Conference will be referred to the Conference Connectional Table. The Connectional Table must approve of the new committee by 2/3 vote before the Connectional Table recommends it to the Annual Conference for approval. Any new committee proposed or established must include an estimation of how long the committee is to exist. It must also name the existing Annual Conference body to which it would be accountable. Two-thirds vote of the Annual Conference is required to create new committees recommended by the Conference Connectional Table.
- L. **Secretary, Statistician, Treasurer, Chancellor.** At the first session following the General Conference, the conference shall elect a secretary and statistician, upon nomination of the Committee on Agenda, Rules and Administrative Process in consultation with the cabinet and a treasurer upon nomination by the Council on Finance and Administration and a chancellor upon nomination of the bishop.

- N. **Conference Lay Leader/Associate Lay Leader.** At the first session following General Conference, the conference shall elect the Conference lay leader and associate lay leader for the upcoming quadrennium. The Board of Laity shall recommend prospective nominees to the Conference Leadership Committee and the Bishop by January 1 of that year to start the nomination process. Their considerations shall not be restricted to names submitted.

In addition to those lay members as outlined by *The 2016 Book of Discipline*, Lay membership will include the following:

After the laypersons serving in these positions are counted and the number compared to the total number of clergy members of annual conference, the balance needed shall be filled by district lay members at-large.

The balance shall be divided among the districts by dividing one-half of the total needed equally among the districts. The remaining portion of the number needed shall be proportioned among the districts by dividing the total local church membership of the annual conference into the total district local church membership and multiplying the result by the remaining portion of the number needed for equalization.

C. Equalization Process for Districts

1. By January 15 of each year, the Conference secretary shall determine, according to the provisions of this rule, the number of at-large members to be elected by each district conference and communicate this number to the district superintendents. By February 15 each year, the district superintendents shall certify to the Conference secretary, according to the provisions of this rule, the names and addresses of persons elected as at-large members from their respective districts.
2. District conferences shall elect their respective district lay members at-large of Annual Conference. Of the total number set by the Conference secretary for each district, a minimum of two of these members must be between the ages of 18 and 30 at the time of spring district conference immediately preceding their conference of membership. The nominating process by which each district conference develops its candidates for district lay member at-large positions shall be determined by each district conference. Each year each district shall seek eligible nominees in number not less than one and a half times the number of total district members at-large needed to complete the district delegation. In making such nominations, each district is to nominate at least two persons between the ages of 18 and 30 to stand for election as a district lay member at-large, or as many as are available or required. The nomination process in each district shall be determined by the district conference. The election process shall be as follows:
 - a. At each spring district conference, the district conference shall elect qualified district members at-large one year before the Annual Conference session in which their representation shall take place.
 - b. After all nominations are received, the district superintendent shall announce to the district conference the number of district lay member at-large positions available as certified by the Annual Conference secretary.
 - c. Ballots shall be distributed to each member of the district conference with the names of all eligible nominees printed or written on the ballot. Eligibility for election as a lay member at-large must be certified by each nominee. The qualifications are:
 - 1) Active participation in The United Methodist Church for the four years immediately preceding their election;
 - 2) Membership in The United Methodist Church for the two years immediately preceding their election.
 - 3) Qualifications for lay membership in Annual Conference are set by the Constitution of The United Methodist Church. Neither the district conference nor Annual Conference can modify these qualifications for election.
 - d. Members of district conference shall vote for the exact number of persons needed for the lay member at-large delegation from their respective district. Ballots received with less or more votes than the exact number needed as certified by the Annual Conference secretary shall be declared invalid.
 - e. Ballots shall be counted and vote totals recorded in order of the number of votes received for each nominee down to 1 and a half times the number of persons needed for the lay member at-large delegation. Persons shall be declared elected or elected as alternates to Annual Conference in order of total votes received.
 - f. In the event a person elected as a district lay member at-large to Annual Conference is unable to serve, a replacement shall be named from those elected as alternates in order of the votes received at district conference. In the event that a district has an insufficient number of elected alternates for any given year, the delegates to the spring district conference immediately preceding the Annual Conference session may elect additional alternates to represent the district.
 - g. If a position designated for a member at-large between the ages of 18 and 30 is vacated or left vacant following the district conference one year before their Annual Conference membership, it must be held open for an eligible and qualified person of the same age group to be elected at the district conference in the following year. If no persons of this age group stand for election at this time, it may be filled by any other elected delegate through normal procedures.
3. In addition to district lay members-at-large, each district shall be represented by at least two youth ages 12-18. In those districts where senior and/or junior high youth members of the Conference Council on Youth Ministries meet the disciplinary qualifications for lay membership in the Annual Conference, said youth member(s) shall serve as the person (s) between the ages of 12 – 18 from that district holding membership in the Annual Conference. In the event that one or both of the CCYM members from the district do not meet the disciplinary qualifications for lay membership in the Annual Conference, the District Council on Ministries, upon recommendation by the District youth coordinator, shall select the appropriate number of eligible persons between the ages of 12 – 18 for membership in the Annual Conference.

The Conference secretary will also edit the rules to bring them into conformity with the current *Book of Discipline*, once a quadrennia.

¶5. NOMINATIONS AND ELECTIONS

- A. **General Policies.** The Leadership Committee shall recruit, develop, nurture and evaluate people who have been nominated and elected to serve on annual conference agencies. It is the responsibility of the Leadership Committee to insure that the people who serve in the various volunteer positions throughout the Conference structure represent the diversity of our annual conference. Unless otherwise stated by *The Book of Discipline*, all boards, committee, commissions and agencies of the annual conference shall be composed of one half laypersons and one half clergy persons.
- B. **Nominating Process.** The Leadership Committee of the annual conference is responsible for nominating all persons to serve in the Conference structure except where provided for in *The Book of Discipline*, the Conference rules, or the Conference structure. The Leadership Committee shall present its report as early as possible at the annual session. Additional nominations may be made from the floor to the councils, boards, commissions, committees and other agencies unless prohibited by *The Book of Discipline*. If necessary, ballots will be cast at a later session of the conference. The consent of the nominees shall be secured prior to the presentation of the nomination to the conference from the floor. Nominations from the floor must include the nominee's name, address and eligibility. When The Discipline or Conference rules specify that a nomination must come from a certain person or agency, a request for an additional nominee to be considered may be made from the floor of Annual Conference. If the request is supported by a majority vote of conference members, the additional nominee shall be considered by the responsible person or agency and reported to the Annual Conference.
- C. **Nominations Deadline.** All nominations originating in offices or groups other than the Leadership Committee must be in the hands of the Leadership Committee by March 1 of the year those nominations are to be presented to the Annual Conference, except for institutional trustees. The deadline for the nomination of institutional trustees is May 1. The Leadership Committee shall review all nominations and may suggest changes to those who made the nominations.
- D. **Tenure Limitation.** Unless otherwise permitted by the Annual Conference or *The Book of Discipline*, membership on all conference councils, boards, commissions, or committees elected by the Annual Conference shall be limited to two quadrennia. In the case where a person fills a vacancy in the third or fourth year in a quadrennium, he/she shall be permitted to serve two additional quadrennia. After a person has served the full tenure permitted for the various positions within the annual conference he/she will be ineligible for service on the *same* agency of the annual conference for four consecutive years.
- E. **Limitation on Membership.** Unless otherwise directed by the Annual Conference or *The Book of Discipline*, no one shall be elected to more than one council, board, commission or committee of the conference, except for:
 1. Persons who are serving on Conference councils, boards, commissions or committees by virtue of election to a general or jurisdictional agency. (These people are eligible for election to a Conference council, board, commission or committee and also be eligible to serve as an ex-officio member of the Conference agency which carries out the functions on the Conference level that are directed by the general or jurisdictional agency to which the person has been elected);

3. Persons who serve the East Ohio annual conference by virtue of their positions on the Committee on Investigation and the Administrative Review Committee are also eligible for election to a Conference council, board, commission, or committee.

- F. **District Superintendent Membership.** *The Book of Discipline* requires that all district superintendents be members of the Conference Connectional Table. Their assignment to all other Conference agencies, unless otherwise stated in *The Book of Discipline*, shall maximize their function as a connecting link between the congregation and the conference. Assignments shall be at the discretion of the resident bishop in consultation with the Leadership Committee and the respective organization. Membership will be termed ex-officio with vote.
- G. **Institutional Trustees.** Nominations for trustees elected or confirmed by the Annual Conference to serve on the boards of trustees of hospitals, homes and educational institutions shall be made by the agencies themselves. The Leadership Committee may suggest nominees to the respective agencies. The Leadership Committee shall present the list of trustees to be elected by the Annual Conference on behalf of the various agencies. A person's membership on an agency board of trustees does not negate his or her eligibility for service on a Conference program board or agency.
- H. **Ex-Officio Membership.** Unless otherwise specified by *The Book of Discipline* or Annual Conference rules, an ex-officio member assigned to a board, committee, commission or council may vote. The bishop of the Ohio East Area and the Annual Conference lay leader are ex-officio members with vote on the following conference councils, boards and committees unless specified otherwise in *The Book of Discipline* or by conference action:
 1. The Council on Finance and Administration
 2. The Board of Pensions
 3. The Board of Trustees
 4. The Commission on Archives and History

At the discretion of the bishop, he or she may designate the assistant to the bishop to serve in his or her place with vote on the conference council, board, commission or committee named above. ¶16. ORGANIZATIONAL PROCEDURE FOR COUNCILS, BOARDS, COMMISSIONS AND COMMITTEES

- A. **Organizational Structure.** All provisions concerning the size, configuration and responsibility of conference councils, boards, commissions and committees are delineated in the ANNUAL CONFERENCE STRUCTURE AND ORGANIZATION section of the current *Conference Journal*. The size of the Conference boards, commissions, committees, councils and agencies shall be limited to the absolute minimum number of persons specifically called for throughout the structure. Each Conference council, board or commission is authorized to perfect its organization by forming divisions, sections and/or committees from its membership, as may be advisable to carry out its function. Proposed changes in the procedures for nominations and elections, organizational procedure for councils, boards, commissions and committees and district organizational matters must be presented to the Leadership Committee. The Leadership Committee must act upon the change and present it to Annual Conference. Task groups for specific tasks may be formed and can include persons who are not members of the agency forming the task group. In such cases though, all expenses of the special task group must be born from the existing budget allocated to the agency forming the task group. The Leadership Committee shall be informed of the need for the task group and shall be told why the task assigned to the special group cannot be carried out by the existing membership of the agency. Each special task group formed by an existing agency shall have a time line which sets forth when the task for which the group has been formed is to be completed and when the group called together for the task is to be dissolved.
- B. **Officers.** Unless otherwise stated by *The Book of Discipline*, all chairpersons of Conference committees, boards, commissions, and agencies shall be nominated by the resident bishop, after consultation with the Leadership Committee and elected by the Annual Conference.
- C. **Task Group or Study Commission Established by the Annual Conference.** Any Conference action requesting a study, administrative action, specific task or program emphasis shall be presented to the conference by the close of the next-to-the-last day of the Annual Conference and shall require a 2/3 majority vote for approval. Unless the composition of a task group/study commission is specified in the enabling legislation, any conference actions which request a study, administrative action, specific task, or program emphasis shall be referred by the Agenda, Rules and Administrative Process Committee (ARAP) to existing Conference councils, boards, commissions, committees and agencies under whose disciplinary or structural responsibility such an action or study falls. If the ARAP Committee should determine that the requested study, administrative action, task, or program emphasis ordered by the conference does not clearly fall under the jurisdiction of an existing agency within the Conference structure, ARAP shall report such findings to the Annual Conference in the same session which ordered the action, and shall recommend to the Annual Conference a proposed organization to carry out that action,

how long the organization is to exist, and to what existing Annual Conference body it is accountable. Furthermore, if the action requires financial support, the request shall be referred to the Council on Finance and Administration for proper funding.

- D. **Vacancies.** Should vacancies occur between session of the Annual Conference, the Leadership Committee shall present nominees to fill in the vacancies and his or her assignment will be reported to the next regular session of the Annual Conference.
- E. **Attendance Requirements.** The Leadership Committee shall evaluate the performance of Conference committee, council, board and agency members and chairpersons. The committee, in consultation with the agency chairperson or in the case of a chairperson in consultation with the resident bishop, may declare seats vacant where persons have not fulfilled the responsibilities of their offices.
- F. **Listing in the Conference Journal.** The Leadership Committee shall present the names of persons who will serve the Annual Conference structure. This report shall be presented to the editor of *The Conference Journal* for publication following each session of Annual Conference.

C. Additional Provision for Lay Elections

1. At the charge conference prior to the year that the Annual Conference elects its General and Jurisdictional delegation, each charge conference may nominate a member of that charge conference or any other charge in the East Ohio conference as a candidate for lay delegate to General Conference. The consent of the person nominated shall be obtained before his/her name is presented to the district conference. Nominees must be willing to attend the full session of the General and/or Jurisdictional Conference, if elected.
2. Prior to the session of Annual Conference that elects its General/Jurisdictional Conference delegation, each spring district conference shall elect by ballot vote (with a plurality needed for election) their nominees for election as lay delegates to General/Jurisdictional Conference. This shall be a minimum of five and up to the number of nominees as provided under rule 3.b. for district-at-large members of the Annual Conference, as district nominees for election as lay delegates to General Conference. Districts will set their own number to be elected and are encouraged to be selective at this level where the people are best known. The slate will include the persons nominated by the charge conferences of the district as well as any nominated from the floor of the district conference. This ballot shall be voted on by the lay membership of the district conference. The Conference secretary shall provide forms requesting the names and autobiographical data from the selected nominees. Nominees will be asked to include such information as their experience in church leadership, what they see as the key issues for the denomination and what their passion is for the church. They also will be asked to acknowledge that they are familiar with United Methodist polity (Conference Rule PP7.C.4.b). The district superintendents shall return the forms to the conference secretary not less than 30 days prior to annual conference. Autobiographical data concerning the district nominees shall be mailed to lay members of Annual Conference 15 days prior to Annual Conference.
3. The district nominees shall be introduced at a meeting for lay members on the first day of the Annual Conference session when the General and Jurisdictional delegation is elected. No one shall be nominated from the floor without having consented to his or her name being presented. Biographical data on floor nominees shall be submitted by the nominee to the Conference secretary (on forms provided) immediately at the close of the nominating session. Biographical data on these additional nominees shall be reproduced and distributed to lay members prior to the casting of the first lay ballot.

D. Additional Provisions for Clergy Elections

1. At the charge conference prior to the year that the Annual Conference elects its General and Jurisdictional delegation, each clergy will receive a nominating form to complete if he/she wishes to be considered for election to General and Jurisdictional Conference.
2. The forms will be sent to the Conference secretary by January 31 prior to Annual Conference and a voters' guide shall be mailed to clergy members of the Annual Conference no later than 15 days prior to Annual Conference. Because of Disciplinary requirements, all clergy will be assigned a voting number at Annual Conference, but candidate biographical information will be distributed only for those who choose to fill out a nomination form.

E. Organization of the Delegation

1. The bishop is requested to convene a meeting of the General and Jurisdictional Conference delegates within 14 days after the conclusion of the Annual Conference session at which delegates were elected.
2. The delegates thus assembled shall elect a chairperson and other officers as the delegates deem necessary from the General Conference delegates.

We request from the Council on Finance and Administration funds adequate to cover the expenses of the delegations in the appropriate years, including the travel and per diem costs for the first reserve lay and clergy delegates at the General and Jurisdictional Conferences. Facilities of the Area Center shall be available for duplicating and mailing service needed by the delegation
5. Under the direction of the new chairperson, the delegates shall express their preference for service on legislative committees in the order of election, beginning with the first elected lay person and alternating the first elected clergy person, etc. If the delegation is composed of more delegates than there are legislative committees, persons may have the choice of doubling up on a committee in the number exceeding the number of legislative committees – i.e. If there are 10 committees and 11 elected clergy and lay delegates, one person in the delegation shall be permitted to “double up.” This option may be exercised by each person in order of election until that option is no longer available.

¶18. SUGGESTION AND NOMINATION OF EPISCOPAL CANDIDATES

- A. The Episcopacy Committee of the Annual Conference may provide information from the Jurisdictional Episcopacy Committee to the spring district conferences prior to the Annual Conference session at which Jurisdictional delegates are elected. Information from the Episcopacy Committee may be shared for the purpose of identifying and discussing the qualities needed for the episcopacy in the jurisdiction. Any ordained elder in full connection from East Ohio who match the qualities needed for the episcopacy may be discussed. No vote, recommendation or endorsement will be taken by the spring district conferences for Episcopal nominees.
- B. Each conference member will be given the opportunity to write the name of one ordained Elder in full connection that he or she would like to have considered for the episcopacy during the Annual Conference session at which the Jurisdictional delegation is elected. The names of those who have received 10 or more votes will be read to the Annual Conference and given to the Jurisdictional delegation by the Conference secretary. The Jurisdictional delegation shall then determine its own process by which the delegation will recommend a nominee for the episcopacy. The delegation may also decide not to recommend a nominee for the episcopacy.
- C. At the Annual Conference session prior to the next regular session of the Jurisdictional Conference, the Jurisdictional delegation may present one or more names for nomination to the Annual Conference. The Jurisdictional delegation may also choose to present no names to the Annual Conference. Nominations from the floor shall be in order. The ordained Elder in full connection who is being nominated from the floor shall have given his or her consent prior to the making of the nomination. Following the nomination from the floor, the nomination must have the support of at least 50 conference members, present and voting, to sustain the nomination. This support shall be demonstrated by the show of hands when called for by the bishop.
- D. Once all nominations have been received, the Annual Conference shall proceed to indicate a nominee (or nominees) by ballot vote. Conference members may cast one or more votes up to the number of nominees presented or they may cast a ballot which clearly indicates they desire that no Episcopal nominee be endorsed by the Annual Conference. Nominees receiving a simple majority of valid ballots cast shall be endorsed by the Annual Conference.
- E. The Jurisdictional delegation shall not be bound by any action of the delegation or the Annual Conference regarding the endorsement of nominees when the Jurisdictional delegates cast their votes at Jurisdictional Conference (¶1505.1, *2016 The Book of Discipline*).
